FOREWORD

The Constitution requires each house of the General Assembly to keep a Journal of its proceedings. The Journal is intended to assure a public account of legislative activity and constitutes the final official record of action by the General Assembly.

Under the provisions of Sections 6.161, 6.162 and 57.151 of the *Kentucky Revised Statutes*, the Legislative Research Commission is responsible for comparing, editing, correcting, and publishing the Journals as approved by each house of the General Assembly. This volume represents the fulfillment of this obligation for the Regular Session of the House of Representatives of 1988.

The text of a bill is spread in full when it receives a first reading. The vote on passage of a bill is indicated upon its receipt of a third reading, or upon concurrence by the originating house in amendments by the second house. Simple and concurrent resolutions are printed on first reading when applicable or when adopted, and joint resolutions are treated as bills. A table of actions on bills and resolutions is appended. Roll calls on motions to pass legislation have been compiled at Appendix A.

Mrs. Shan Stone Gray, Mrs. Jean Wallace, Mrs. Delores Dearborn and Mrs. Wilda Bond prepared the 1988 House Journal. The edited copy and index in this volume reflect the cooperative efforts of the Commission's staff.

(1) After October 1, 1989, all nurse aides employed in skilled nursing and intermediate care facilities, as defined by regulations of the cabinet for human resources, shall complete a one hundred (100) hour training program within four (4) months of the date of the person's initial employment and shall annually complete ten (10) hours of continuing education on patient-specific procedures after one (1) full year of employment. Training programs shall be approved as provided in Section 3 of this Act.

(2) Persons employed as a nurse aide in skilled nursing and intermediate care facilities prior to July 1, 1989 shall successfully pass a competency test as prescribed by the board or shall successfully complete a training program by January 1, 1990.

(3) Upon successfully completing an approved training program or successfully passing a competency test as provided in subsection (2) of this section, nurse aides shall receive a one dollar ($1.00) per hour wage increase based on the prior hourly wage of the nurse aide.

SECTION 3. A NEW SECTION OF KRS CHAPTER 216 IS CREATED TO READ AS FOLLOWS:

(1) There is hereby created within the cabinet for human resources a board for nurse aide training. The board shall be composed of seven (7) members appointed by the governor as follows: one (1) member each from the Kentucky association of health care facilities, the cabinet for human resources, the department of education, the Kentucky board of nursing, and the Kentucky home health association, one (1) person representing the interests of senior citizens and one (1) consumer. The governor shall designate a member as chairman of the board. The board shall be attached to the division of licensing and regulation which shall provide all support services. The board shall meet at least quarterly and on other occasions as may be necessary, on the call of the secretary for human resources. Members shall be compensated for necessary expenses in attending meetings.

(2) The board shall develop all forms necessary for the administration of this Act, shall approve or disapprove nurse aide training programs, and shall develop and maintain a registry of trained nurse aides. The board shall develop the curriculum to be used by training programs, which shall include a minimum of eighty (80) classroom hours and twenty (20) clinical hours and shall include, but need not be limited to, theory and clinicals in the following areas:

(a) Anatomy and physiology;

(b) Personal hygiene;

(c) Nutrition and patient feeding;

(d) Activity and exercise;

(e) Infection control;

(f) Admission, transfer and discharge;

(g) Observation, charting and reporting;

(h) Communication and interpersonal relationships; and

(i) Social, emotional and spiritual needs of the elderly.

The board shall also develop standards for the continuing education required by Section 2 of this Act.

(3) The cabinet for human resources shall promulgate regulations setting forth the curriculum developed by the board no later than January 1, 1989. Training programs may be conducted by health care facilities, academic or vocational schools or any public or private agency meeting the curriculum established by the board.

(4) Any person proposing to conduct a nurse aide training program shall apply to the board for approval prior to the operation of the program. Any applicant who is dissatisfied with the decision of the board may appeal the decision in a manner prescribed by regulation.

Section 4. KRS 205.560 is amended to read as follows:

(1) The scope of medical care for which the cabinet for human resources undertakes to pay shall be designated and limited by regulations promulgated by said cabinet, pursuant to the provisions hereof. Within the limitations of any appropriation therefor, the provision of complete upper and lower dentures to recipients

of medical assistance program benefits who have their teeth removed by a dentist resulting in the total absence of teeth shall be a mandatory class in the scope of medical care. Payment to a dentist of any such medical assistance program benefits for complete upper and lower dentures shall only be provided on the condition of a preauthorized agreement between an authorized representative of the medical assistance program and the dentist prior to the removal of such teeth. The selection of another class or other classes of medical care shall be recommended by the council to the secretary for human resources after taking into consideration, among other things, the amount of federal and state funds available, the most essential needs of recipients, and the meeting of such need on a basis insuring the greatest amount of medical care as defined in KRS 205.510 consonant with the funds available including but not limited to the following categories, except where such aid is for the purpose of obtaining an abortion:

(a) Hospital care, including drugs, and medical supplies and services during any period of actual hospitalization;

(b) Nursing home care, including medical supplies and services, and drugs during confinement therein on prescription of a physician, dentist, or podiatrist;

(c) Drugs, nursing care, medical supplies and services during the time when a recipient is not in a hospital but is under treatment and on the prescription of a physician, dentist, or podiatrist;

(d) Physician, podiatric and dental services;

(e) Optometric services for all age groups shall be limited to prescription services, services to frames and lenses, and diagnostic services provided by an optometrist, to the extent the optometrist is licensed to perform the services and to the extent the services are covered in the ophthalmologist portion of the physician's program. Eyeglasses are provided only to children under age twenty-one (21);

(f) Drugs on the prescription of a physician used to prevent the rejection of transplanted organs if the patient is indigent; and

(g) Nonprofit neighborhood health organizations or clinics where some or all of the medical services are provided by licensed registered nurses or by advanced medical students presently enrolled in a medical school accredited by the Association of American Medical Colleges and where such students or licensed registered nurses are under the direct supervision of a licensed physician who rotates his services in this supervisory capacity between two (2) or more of the nonprofit neighborhood health organizations or clinics specified herein.

(2) Payments for hospital care, nursing home care, and drugs or other medical, ophthalmic, podiatric and dental supplies shall be on bases which relate the amount of the payment to the cost of providing such services or supplies. It shall be one (1) of the functions of the council to make recommendations to the cabinet for human resources with respect to such bases for payment. In determining the rates of reimbursement for long-term care facilities participating in the medical assistance program, the cabinet for human resources shall, to the extent permitted by federal law, not allow the following items to be considered as a cost to the facility for purposes of reimbursement:

(a) Motor vehicles that are not owned by the facility, including motor vehicles that are registered or owned by the facility but used primarily by the owner or family members thereof;

(b) The cost of motor vehicles, including vans or trucks, used for facility business shall be allowed up to fifteen thousand dollars ($15,000) per facility, adjusted annually for inflation according to the increase in the consumer price index-u for the most recent twelve (12) month period, as determined by the U. S. department of labor; provided however, that medically equipped motor vehicles, vans or trucks shall be exempt from the fifteen thousand dollar ($15,000) limitation. Costs exceeding this limit are not reimbursable and shall be borne by the facility, provided however, that costs for additional motor vehicles, not to exceed a total of three (3) per facility, may be approved by the cabinet for human resources if the facility demonstrates that each additional vehicle is necessary for the operation of the facility as required by regulations of the cabinet;

(c) Salaries paid to immediate family members of the owner or administrator, or both, of a facility, to the extent that services are not actually performed and are not a necessary function as required by regulation of the cabinet for the operation of the facility. The facility shall keep a record of all work actually performed by family members;

(d) The cost of contracts, loans, or other payments made by the facility to owners, administrators or both, unless such payments are for services which would otherwise be necessary to the operation of the facility and such services are required by regulations of the cabinet for human resources. Any other such payments shall be deemed part of the owner's compensation in accordance with maximum limits established by regulations of the cabinet for human resources. Interest paid to the facility for loans made to a third party may be used to offset allowable interest claimed by the facility;

(e) Private club memberships for owners or administrators, travel expenses for trips outside the state for owners or administrators and other indirect payments made to the owner, unless such payments are deemed part of the owner's compensation in accordance with maximum limits established by regulations of the cabinet for human resources; and

(f) Payments made to related organizations supplying the facility with goods or services shall be limited to the actual cost of the goods or services to the related organization, unless it can be demonstrated that no relationship between the facility and the supplier exists. A relationship will be considered to exist when an individual, including brothers, sisters, father, mother, aunts, uncles and in-laws, possesses a total of five percent (5%) or more of ownership equity in the facility and the supplying business and provided however, that an exception to the relationship shall exist if fifty-one percent (51%) or more of the supplier's business activity of the type carried on with the facility is transacted with persons and organizations other than the facility and its related organizations.

(3) No vendor payment shall be made unless the class and type of medical care rendered and the cost basis therefor has first been designated by regulation.

(4) The rules and regulations of the cabinet for human resources shall require that a written statement including the required opinion of a physician shall accompany any claim for reimbursement for induced premature births. This statement shall indicate the procedures used in providing such medical services.

(5) The range of medical care benefit standards provided and the quality and quantity standards and the methods for determining cost formulae for vendor payments within each category of public assistance and other recipients shall be uniform for the entire state, and shall be designated by regulation promulgated within the limitations established by the Social Security Act and federal regulations. The amount of payments for units of services need not be uniform for the entire state but may vary from county to county and from city to city, as well as among hospitals, based on the prevailing cost of medical care in such locale and other local economic and geographic conditions, except that insofar as allowed by applicable federal law and regulation, the maximum amounts reimbursable for similar services rendered by physicians within the same specialty of medical practice shall not vary according to the physician's place of residence or place of practice, so long as the place of practice is within the boundaries of the state.

(6) Nothing in this section shall be deemed to deprive a woman of all appropriate medical care necessary to prevent her physical death.

(7) To the extent permitted by federal law, no medical assistance recipient shall be recertified as qualifying for a level of long-term care below the recipient's current level, unless such recertification includes a physical examination conducted by a physician licensed pursuant to KRS Chapter 311 or by an advance registered nurse practitioner licensed pursuant to KRS Chapter 314 and acting under such a physician's supervision.

(8) If payments made to community mental health centers, established pursuant to KRS Chapter 210, for services provided to the mentally retarded exceed the actual cost of providing the service, the balance of such payments shall be used solely for the provision of other services to the mentally retarded through community mental health centers.

(9) Every long-term care facility, as defined in KRS 216.510, providing inpatient care to recipients of medical assistance under Title XIX of the Social Security Act on July 15, 1986 shall not deny admission of a person to a bed certified for reimbursement under the provisions of the medical assistance program solely on the basis of the person's paying status as a medicaid recipient. No person shall be removed or discharged from any facility solely because they became eligible for participation in the medical assistance program, unless the facility can demonstrate the resident or the resident's responsible party was fully notified in writing that the resident was being admitted to a bed not certified for medicaid reimbursement. No facility may decertify a bed occupied by a medicaid recipient or may decertify a bed that is occupied by a resident who has made application for medical assistance.

(10) Long-term care facilities as defined in KRS 216.510, participating in the medical assistance program shall receive full reimbursement for the cost of providing one dollar ($1.00) per hour wage increases for trained nurse aides as required by Section 2 of this Act. All reasonable costs associated with nurse aide training shall also receive full reimbursement. Reimbursement for nurse aide training costs and related wage increases shall be provided directly to participating long-term care facilities on a dollar for dollar basis, and shall be based on the proportion of total beds in the facility that are certified for medical assistance reimbursement. Long-term care facilities shall bear the cost of nurse aide training and related wage increases for nurse aide services provided to beds not certified for medical assistance reimbursement.

The Committee Substitute to **HB 536** is as follows:

Upon the examination by licensed physicians, it *shall* [~~must~~] be determined that the employe, since his last day of paid employment, has been mentally or physically incapacitated to engage in any occupation for remuneration or profit and that *the* [~~such~~] disability did not pre-exist at the time of initial employment or reemployment, [~~(~~]except in case where a disabled recipient has returned to work on a trial basis[~~)~~] and is a result of bodily injury, mental illness or disease and that *the* [~~such~~] incapacity is deemed to be permanent.

Section 20. KRS 61.607 is amended to read as follows:

Notwithstanding any other provisions of KRS 16.505 to 16.652 or 61.510 to *61.705* [~~61.692~~] or 78.510 to 78.852 a maximum disability benefit is hereby established which shall apply, upon disability retirement, to any disabled employe's account to which service credit is added to determine disability benefits or in any case where disability benefits are determined by computing a percentage of the disabled employe's final monthly rate of pay. The maximum disability benefit shall be determined by the following formula:

(a) Add the monthly benefit payable to the disabled employe from the retirement system, using the monthly disability retirement allowance (not optional plan) but excluding dependent children's allowances, if any, to his monthly benefit, if any, from social security, even though these payments may not begin for a period of time as required for qualification under the federal social security law, excluding spouse or dependent benefits, and his monthly benefit, if any, from workers' compensation, even though these payments may not have begun as of the date the disabled member applies for disability retirement benefits, excluding spouse or dependent children's allowances, from workers' compensation, to arrive at a projected combined monthly benefit.

(b) If the projected combined monthly benefit exceeds one hundred percent (100%) of the disabled employe's final rate of pay or his final compensation, whichever is greater, his disability retirement allowance from the retirement system shall be reduced to an amount which would cause his projected combined monthly benefit to equal one hundred percent (100%) of his final rate of pay or his final compensation, whichever is greater; however, the disability retirement allowance shall not be reduced below an amount which would result from a computation of his disability retirement allowance from the retirement system using the disabled employe's actual total service.

(c) The board is hereby authorized to pay estimated benefits to a disabled employe, upon qualification for disability retirement, based on an estimate of his social security and workers' compensation benefits until such amounts are actually determined, at which time a final calculation of the member's actual benefits shall be determined and his account corrected retroactive to his effective retirement date.

(d) Any increase in social security benefits or workers' compensation benefits which becomes law (regardless of their effective date) subsequent to the disabled employe's effective retirement date shall not be considered in determination of the maximum benefit payable, as the maximum benefit payable is based on the amount of combined benefits under these programs as of the disabled employe's effective retirement date.

(e) Any disabled recipient whose potential payments from the system where reduced as provided for in this section shall advise the board if his payments under the federal social security act or workers' compensation act cease at any time subsequent to his effective retirement date. Upon investigation, should the board determine that such disabled recipient continues to be eligible for disability benefits, the board may increase his retirement allowance by adding to his payment an amount equal to the reduction applied upon the effective retirement date in accordance with subsection (b) of this section.

Section 21. KRS 61.615 is amended to read as follows:

(1) Whenever the recipient of a disability retirement allowance is, prior to his normal retirement date, engaged in gainful occupation, the board at its discretion may reduce such retirement allowance. Each recipient of a disability retirement allowance who is engaged in gainful employment shall notify the board of such employment; otherwise, the board shall have the right to recover payments made during such employment.

(2) Should it be determined that any disabled recipient is able to engage in gainful occupation, and should the board find that such person shall have refused any employment considered by the board suitable to his capacity, he shall not be entitled to any such allowance during the continuance of such refusal, unless in the opinion of the board such refusal was justified.

(c) The benefit shall be reduced as provided by KRS 61.595(2) and further reduced by the actuarial value of the total amount of the disability retirement allowances he has received prior to reduction or discontinuation;

(d) The member shall remain eligible for reinstatement of his disability allowance upon reevaluation by the medical review board until his normal retirement age; and

(e) Upon attaining normal retirement age, the member shall receive the higher of either his disability retirement allowance or his early retirement allowance.

(5) No disability retirement allowance shall be reduced or discontinued by the board after the member's normal retirement date except in case of re-employment as provided for by KRS 61.637. In any case where a disability retirement allowance has been reduced or discontinued, except where the member is re-employed as provided for by KRS 61.637, the retirement allowance shall be reinstated upon attainment of the member's normal retirement age to the retirement allowance prior to adjustment, provided however, no reinstated payment shall be less than the recipient is receiving upon attainment of the member's normal retirement age.

(12) A retired member, who is contributing to one (1) of the state administered retirement programs and purchases service credit under this section in the system or systems from which he is retired, will have his retirement allowance recomputed:

The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

(e) If the employe dies, retires, terminates employment or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have thirty (30) days to pay the remaining principal of the purchase by lump sum. (f) If the employer does not report installment payments on an employe for sixty (60) days, the installment purchase shall cease and the retirement system shall refund to the employe the payment, payments or portion of a payment that does not represent a full month of service purchased.

The additional service shall be credited to the member's account. A retired member shall have his retirement allowance recalculated in the month following receipt of his payment to reflect the additional service.*

(3) The amount paid under this section shall be considered as accumulated contributions of the individual member.

(4)[~~(3)~~] No person shall be allowed credit for the same period of service in more than one (1) of these four (4) retirement systems.

This information shall be recorded on a form entitled, estimated retirement allowance, and forwarded to the member or beneficiary.

(3) The member or beneficiary shall return the form entitled, estimated retirement allowance, to the retirement office after he has checked the plan of his choice, signed the document and had his signature witnessed. A member or beneficiary may not select a different plan after the first retirement allowance payment has been drawn by the state treasurer.

(4) A member or beneficiary choosing a monthly payment plan shall file his birth certificate or other acceptable evidence of date of birth. In the event a survivorship plan is chosen, proof of dates of birth of the beneficiary and member shall be filed.

The effective date of early retirement shall be the first month following the month the notification of retirement form is filed with the retirement office, provided employment has been terminated.

(6) The effective date of a deferred retirement option as provided under KRS 16.576(6) shall be the month following age sixty-five (65), or the month following written notification from the member that he wishes to begin receiving retirement payments. (7) Notwithstanding the provisions of KRS 16.578 or 61.640, the effective date of a beneficiary's retirement allowance under normal, early or disability retirement shall be as prescribed in subsection (5) or (6) of this section should the member die before the first retirement allowance has been drawn by the state treasurer and his beneficiary be eligible for payments under KRS 16.578 or 61.640.

Section 19. KRS 61.600 is amended to read as follows:

(1) An employe with sixty (60) months of service, twelve (12) months of which *shall* [~~must~~] be current service, may retire at any time before his normal retirement date on account of disability upon written notification to the board. Application for disability benefits *shall* [~~must~~] be made within twelve (12) months *of his last paid day* [~~after termination~~] of employment. Upon the examination by licensed physicians, it *shall* [~~must~~] be determined that the employe, since his last day of paid employment, has been mentally or physically incapacitated to *perform his job or jobs of like duties from which he received his last paid employment* [~~engage in any occupation for remuneration or profit~~] and that *the* [~~such~~] disability did not pre-exist at the time of initial employment or reemployment, [~~(~~]except in case where a disabled recipient has returned to work on a trial basis[~~)~~] and is a result of bodily injury, mental illness or disease and that *the* [~~such~~] incapacity is deemed to be permanent.

(2) A disability shall be deemed to be permanent if that disability is expected to result in death or can be expected to last for a continuous period of not less than twelve (12) months from the employe's last day of paid employment. For the purposes of determining permanence under this section, the board's medical examiners shall use the medical criteria under the social security disability program.

(3) Employes who have previously qualified for disability retirement and have had benefits discontinued shall be reevaluated under the criteria of subsection (2) of this section.

Section 20. KRS 61.607 is amended to read as follows:

Notwithstanding any other provisions of KRS 16.505 to 16.652 or 61.510 to *61.705* [~~61.692~~] or 78.510 to 78.852 a maximum disability benefit is hereby established which shall apply, upon disability retirement, to any disabled employe's account to which service credit is added to determine disability benefits or in any case where disability benefits are determined by computing a percentage of the disabled employe's final monthly rate of pay. The maximum disability benefit shall be determined by the following formula:

(a) Add the monthly benefit payable to the disabled employe from the retirement system, using the monthly disability retirement allowance (not optional plan) but excluding dependent children's allowances, if any, to his monthly benefit, if any, from social security, even though these payments may not begin for a period of time as required for qualification under the federal social security law, excluding spouse or dependent benefits, and his monthly benefit, if any, from workers' compensation, even though these payments may not have begun as of the date the disabled member applies for disability retirement benefits, excluding spouse or dependent children's allowances, from workers' compensation, to arrive at a projected combined monthly benefit.

(b) If the projected combined monthly benefit exceeds one hundred percent (100%) of the disabled employe's final rate of pay or his final compensation, whichever is greater, his disability retirement allowance from the retirement system shall be reduced to an amount which would cause his projected combined monthly benefit to equal one hundred percent (100%) of his final rate of pay or his final compensation, whichever is greater; however, the disability retirement allowance shall not be reduced below an amount which would result from a computation of his disability retirement allowance from the retirement system using the disabled employe's actual total service.

(c) The board is hereby authorized to pay estimated benefits to a disabled employe, upon qualification for disability retirement, based on an estimate of his social security and workers' compensation benefits until such amounts are actually determined, at which time a final calculation of the member's actual benefits shall be determined and his account corrected retroactive to his effective retirement date.

(d) Any increase in social security benefits or workers' compensation benefits which becomes law (regardless of their effective date) subsequent to the disabled employe's effective retirement date shall not be considered in determination of the maximum benefit payable, as the maximum benefit payable is based on the amount of combined benefits under these programs as of the disabled employe's effective retirement date.

(e) Any disabled recipient whose potential payments from the system where reduced as provided for in this section shall advise the board if his payments under the federal social security act or workers' compensation act cease at any time subsequent to his effective retirement date. Upon investigation, should the board determine that such disabled recipient continues to be eligible for disability benefits, the board may increase his retirement allowance by adding to his payment an amount equal to the reduction applied upon the effective retirement date in accordance with subsection (b) of this section.

Section 21. KRS 61.615 is amended to read as follows:

(1) Whenever the recipient of a disability retirement allowance is, prior to his normal retirement date, engaged in gainful occupation, the board at its discretion may reduce such retirement allowance. Each recipient of a disability retirement allowance who is engaged in gainful employment shall notify the board of such employment; otherwise, the board shall have the right to recover payments made during such employment.

(2) Should it be determined that any disabled recipient is able to engage in gainful occupation, and should the board find that such person shall have refused any employment considered by the board suitable to his capacity, he shall not be entitled to any such allowance during the continuance of such refusal, unless in the opinion of the board such refusal was justified.

(3) The board shall have full power and exclusive authority to reduce or discontinue a disability retirement allowance and the board shall utilize procedures consistent with KRS 61.665, including services of an examiner in determining the amount of reduction in retirement allowance under this section.

(4) *If a disability retirement allowance is reduced or discontinued, the member may apply for early retirement benefits as provided under KRS 61.559, subject to the following provisions:*

(a) The member may not change his beneficiary or payment option;

(b) If the member has returned to employment with an employer participating in the system from which he retired, the service and creditable compensation shall be used in recomputing his benefit, except that the

member's final compensation shall not be less than the final compensation last used in determining his retirement allowance;

(c) The benefit shall be reduced as provided by KRS 61.595(2) and further reduced by the actuarial value of the total amount of the disability retirement allowances he has received prior to reduction or discontinuation;

(d) The member shall remain eligible for reinstatement of his disability allowance upon reevaluation by the medical review board until his normal retirement age; and

(e) Upon attaining normal retirement age, the member shall receive the higher of either his disability retirement allowance or his early retirement allowance.

(5) No disability retirement allowance shall be reduced or discontinued by the board after the member's normal retirement date except in case of re-employment as provided for by KRS 61.637. In any case where a disability retirement allowance has been reduced or discontinued, except where the member is re-employed as provided for by KRS 61.637, the retirement allowance shall be reinstated upon attainment of the member's normal retirement age to the retirement allowance prior to adjustment, provided however, no reinstated payment shall be less than the recipient is receiving upon attainment of the member's normal retirement age.

Section 22. KRS 61.626 is amended to read as follows:

(1) The accumulated contributions of a member not in service may be transferred from the member account to the retirement allowance account if the member's account has remained inactive and the board has been unable to locate the member for a period of seven (7) years.

(2) If the member or his beneficiary, in the event of his death, requests benefits as provided by KRS 61.510 to *61.705* [~~61.692~~] and 16.510 to 16.652 and 78.510 to 78.852 the transfer shall be reversed, and benefits paid in accordance with the provisions of KRS 61.510 to *61.705* [~~61.692~~] and 16.510 to 16.652 and 78.510 to 78.852.

Section 23. KRS 61.635 is amended to read as follows:

(1) Each member shall have the right to elect to have his retirement allowance payable under any one (1) of the options set forth in this section in lieu of the retirement allowance otherwise payable to him upon retirement under any of the provisions of KRS 16.510 to 16.652 and 61.515 to 61.705 and 78.520 to 78.852. The amount of any such optional retirement allowance shall be actuarially equivalent to the amount of retirement allowance otherwise payable to him.

(2) Survivorship one hundred percent (100%). The member may elect to receive a decreased retirement allowance during his lifetime and have such retirement allowance continued after his death to his beneficiary during the lifetime of such person.

(5) Life with ten (10) years certain. The member less than age seventy-six (76) may elect to receive a monthly retirement allowance during his lifetime which shall guarantee payments for one hundred twenty (120) months. If the member should become deceased before receiving payments for one hundred twenty (120) months, his beneficiary shall receive the remaining payments monthly, for the duration of the one hundred twenty (120) months' period, except if the estate or trust is designated as beneficiary the executor or administrator of the estate or trustee of the trust may elect to receive a lump sum payment which shall be the actuarial equivalent to the remaining payments, or said executor or administrator or trustee may elect to continue the remaining monthly payments to the estate or trust of the member.

The employe shall pay the employe contributions on his creditable compensation from the participation date of the county to the date he elects membership plus interest at the current actuarial rate compounded annually on the employe and employer contributions. Cost of the service credit over and above that which would be funded within the existing employer contribution rate shall be determined by the board's consulting actuary. Each such excluded agency shall be identified in the order authorizing participation and such excluded agency may participate in the system as a separate agency.

(6) An agency whose participation in the county employes retirement system has been terminated by the board of trustees in accordance with KRS 78.535 may at a later date request participation in the retirement system by the adoption of an appropriate order as authorized by subsection (1) of this section. The board may accept the participation of such agency provided it is determined that such participation is in the best interest of the agency, the employes thereof and the county employes retirement system.

(7) After July 1, 1985, local government retirement systems created pursuant to KRS 79.080, 90.400, 90.410, 95.768 and 96.180 shall be closed to new members. New employes who would have been granted membership in such retirement systems shall instead be granted membership in the county employes retirement system. Employes who would have been granted membership in retirement systems created pursuant to KRS 95.768, or any other policemen or fire fighters who would have been granted membership in retirement systems created pursuant to KRS 79.080, 90.400 or 90.410 shall be certified by their employers as working in hazardous positions. The *examiner* [~~examiners~~] shall recommend that disability retirement be approved, or that disability retirement be denied. *If the medical examiner recommends denial of disability benefits, the board shall submit the member's application to two (2) additional medical examiners. Both of the additional medical examiners must recommend approval of disability benefits to overturn the original recommendation* [~~A third medical examiner shall review the medical evidence when necessary to provide a consensus if the recommendations of the first two (2) medical examiners do not agree~~];

(f)[~~(e)~~] If the medical examiners recommend that the employe be approved for disability retirement, the general manager shall proceed to make retirement payments in accordance with the retirement plan selected by the employe;

(g)[~~(f)~~] If the medical examiners recommend that the employe be denied disability retirement, the general manager shall notify the board and the employe of this recommendation. *The employe shall have one hundred twenty (120) days to submit additional medical information to the initial reviewer or to appeal his denial for disability benefits by one (1) of the following means:*

1. The employe may request a hearing before the disability appeal committee which shall consist of the initial medical examiner, legal counsel and a medical examiner who has not previously denied the application. The employe may be accompanied at this hearing by his own legal counsel and spouse or other individual to present a fifteen (15) minute appeal. After the employe has presented his appeal, the appeal committee may request such information as it deems necessary and shall notify the employe in writing of its final decision;

2. The employe may file suit in the Franklin Circuit Court. [~~The employe shall have the opportunity of furnishing additional medical evidence of total and permanent disability and any such additional evidence shall be submitted to the medical examiners. The additional medical information shall be submitted within one hundred and twenty (120) days after notification by the general manager. If additional information is not submitted within one hundred and twenty (120) days, the disability request will be voided;~~

~~(g) If the medical examiners recommend that the employe be denied disability retirement, the employe shall have one hundred and twenty (120) days in which to file an appeal of the medical examiners' decision in the Franklin Circuit Court.~~] No new or additional evidence shall be introduced in the Franklin Circuit Court, and the court shall hear the case upon the record as attested;

(h) The medical examiners shall be paid a reasonable amount by the retirement system for each case evaluated.

(3) Notwithstanding the foregoing provisions of this section the board is hereby authorized to pay for one (1) or more medical examinations requested by the examiners for the purpose of providing medical information deemed necessary by the examiners.

Section 43. KRS 61.595 is amended to read as follows:

(1) Effective August 1, *1988* [~~1986~~], upon retirement at normal retirement date, or subsequent thereto, a member may receive an annual retirement allowance, payable monthly during his lifetime, which shall consist of an amount equal to one and *nine-tenths (1.9%)* [~~eighty-five hundredths percent (1.85%)~~] of final compensation multiplied by the number of years of service credit, except that:

(a) The annual normal retirement allowance for members of the general assembly, who serve during the 1974 or 1976 general assembly, and will have eight (8) years or more of total legislative service as of January 6, 1978, shall not be less than two hundred forty dollars ($240) multiplied by the number of years of service as a member of the general assembly;

(b) The annual normal retirement allowance for members of the general assembly who will have fewer than eight (8) years of service as of December 31, 1975, shall be as prescribed in Chapter 116, section 36(1), Acts of the 1972 general assembly for legislative service prior to January 1, 1974;

(c) Former members of the general assembly who have eight (8) or more years of legislative service prior to the 1976 regular session are eligible for an increased retirement allowance of $240 times the years of legislative service, provided such member pays to the Kentucky employes retirement system thirty-five (35) percent of the actuarial cost of the higher benefit, as determined by the board, except that a former member with sixteen (16) or more years of legislative service, or his beneficiary, who is receiving a retirement allowance, also is eligible under this section and may apply for a recomputation of his retirement allowance. The employer's share of sixty-five (65) percent of such computed actuarial cost shall be paid from the state treasury to the Kentucky employes retirement system upon presentation of a properly documented claim to the finance and administration cabinet. If any such member with sixteen (16) or more years of legislative service previously applied for and is receiving a retirement allowance, he may reapply and his retirement allowance shall be recomputed in accordance with this paragraph, and he shall thereafter be paid in accordance with the option selected by him at the time of the reapplication;

(3) The retirement allowance shall be calculated by using the member's known creditable compensation prior to his last month's employment and an estimate of his creditable compensation during the last month he was employed. Based upon this calculation, the state treasurer shall be requested to issue the initial retirement payment.

(4) A new calculation shall be made when the official report has been received of the member's creditable compensation during his last month's employment. However, the retirement allowance determined in accordance with subsection (3) of this section shall be the official retirement allowance unless the new calculation derives an amount which is one dollar ($1) greater or less than the amount of the initial retirement payment.

(1) As used in this Act, an "activity in competition with private enterprise" means an activity which:

(a) Is undertaken by a state agency, institution, political subdivision, or entity that is funded, controlled, or supported in whole or in part from any state revenues; and

(b) Can be performed by an existing private enterprise situated within the Commonwealth of Kentucky.

(2) Except as otherwise provided in this Act, and notwithstanding any other provisions of law, it shall be the policy of the Commonwealth that no state agency, institution, or political subdivision supported in whole or part by any state revenues shall engage in any activity which is in competition with private enterprise unless the agency, institution or political subdivision can demonstrate that there is an overriding or compelling public interest served by the Commonwealth's provision of the service. Examples of activities provided by the Commonwealth which may carry an overriding or compelling public interest include certain aspects of the criminal justice system; educational services of various kinds; certain services provided by the state parks department; activities and services provided by the state fair board; services provided by the department for the blind; programs of the Kentucky development finance authority; and health services such as those provided by state owned or operated hospitals.

(3) (a) The governor shall appoint a committee of five (5) citizens of the Commonwealth with staff assistance provided by the secretary of the public protection and regulation cabinet, which shall determine, upon petition by any person directly affected by competition with a state agency, institution, or political subdivision whether said agency, institution, or political subdivision is in competition with private enterprise.

(b) It is recommended that the committee be composed of representatives of the executive branch, the legislative branch, the judicial branch, the Kentucky chamber of commerce, and a business person whose business is within the Commonwealth of Kentucky.

(4) If, after a hearing at which all parties have been afforded an opportunity to present evidence, the committee finds that the agency, institution, or political subdivision is engaged in an activity in competition with private enterprise, they shall direct the secretary to issue an order directing the agency, the institution, or political subdivision to terminate the activity unless they also find that:

(a) Cessation of the activity by the agency, institution, or political subdivision will create a bona fide

emergency;

(b) The cost of the service from private enterprise will be substantially greater;

(c) Private enterprise cannot adequately provide the needed service; or

(d) Cessation of the activity will cause irreparable harm or loss of substantial invested funds to the Commonwealth.

(6) An appeal from an order of the secretary of public protection and regulation may be taken to the circuit court where the petitioner does business or to the Franklin Circuit Court.

(8) If a state agency, institution, or political subdivision of the Commonwealth demonstrates an overriding or compelling public interest for the provision of any activity in competition with private enterprise, it nevertheless shall be the policy of the Commonwealth to open bidding to the private sector for the provision of that activity.

(9) If a state agency, institution, or political subdivision is authorized to engage in an activity in competition with private enterprise, it shall be the policy of the Commonwealth to set a fee or charge a price for that activity which shall include consideration of:

Insofar as appropriate or deemed expedient in order to serve the public interest, fees or prices charged for public activities shall reflect the fair market value or the actual costs incurred.

(c) A state agency, institution, or political subdivision shall provide to the secretary of public protection, on an annual basis, a separate profit and loss accounting for each activity authorized and conducted under subsection (9) of this section. This information shall be available to the general public.

(10) No later than September 1 of each odd numbered year, the secretary shall submit a report on government competition with private enterprise to the legislative research commission and the governor. (8) Unfair retail activities of a university or college which were undertaken prior to, and are in operation on the effective date of this Act, and which are found under this Act to be in unfair retail competition with

private enterprise and ordered terminated, may continue until the expiration date of any contract which would be adversely affected by the cessation of the activity; or if the unfair retail activity is not under a contract, the activity shall be terminated no later than six (6) months after the effective date of this Act.

If the committee finds that open bidding to the private sector is in the public interest, it may issue an order directing the university or college to conduct open bidding for provision of that retail activity.

(10) If, after a hearing as provided herein, the committee finds that a retail activity can be performed by an existing private enterprise situated within the Commonwealth of Kentucky but that a state university or college has demonstrated a compelling public interest for its provision of that activity, it shall be the policy of the Commonwealth that the university or college shall set a fee or charge a price for that retail activity which shall include consideration of:

(a) The fair market value of that retail activity; and

(b) The actual costs incurred in engaging in the retail activity, including the costs and value of labor, the fair market rental value of any real estate used by the activity, debt service, equipment, overhead, and other direct and indirect related expenses. HB 709, AN ACT relating to surface coal mining.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.060 is amended to read as follows:

(1) No person shall engage in surface coal mining and reclamation operations without having first obtained from the cabinet a permit designating the area of land affected by the operation. Permits shall authorize the operator to engage in surface coal mining and reclamation operations upon the area of land described in his application for a period of not to exceed five (5) years; provided that if an applicant demonstrates that a specified longer term is reasonably needed to obtain necessary financing for equipment and the opening of the operation and if the application is full and complete for such specified longer term, the cabinet may grant a permit for such longer term. No mining shall be permitted beyond the time period obligations of the initial or extended bond coverage.

(2) All operators who wish to engage in surface coal mining and reclamation operations and who have a valid permit from the cabinet and who are in expectation of operating such mines after the expiration of eight (8) months from the approval by the secretary of the interior of the permanent regulatory program shall within two (2) months of the effective date of such approval apply for a new permit for such mines in compliance with the requirements of this section. The natural resources and environmental protection cabinet shall establish procedures and programs consistent with this chapter to issue or deny such permits within eight (8) months of such approval. The general assembly finds the fact that, due to the large number of permitted operations within the Commonwealth, the eight (8) month period may be administratively impracticable, and hereby authorizes the secretary to devise procedures to comply with this section in the most expeditious and reasonable manner possible, and a filing shall be deemed timely for the purposes of this subsection and surface coal mining operations may continue under an existing permit if that filing is in substantially complete form and submitted within the time limits set forth herein.

(3) Any permit validly issued by the cabinet under the interim regulatory program in effect on March 21, 1980 and which would expire at any time after May 1, 1980 and before eight (8) months after approval of the permanent regulatory program by the United States secretary of the interior, shall be extended and remain in effect until eight (8) months after approval of the permanent regulatory program. Any interim

permit so extended shall continue as a valid existing permit for purposes of this subsection if the permittee so requests and files an application for a permit with the cabinet within two (2) months of the date of approval of the permanent regulatory program. The permittee may conduct operations under that existing permit beyond the eight (8) month period if an application has been filed in accordance with this subsection, but the initial administrative decision has not been rendered.

(4) No permit or revision application shall be approved unless the application affirmatively demonstrates and the cabinet finds in writing on the basis of the information set forth in the application or from information otherwise available, that the permit application is accurate and complete and that all the requirements of this chapter have been complied with.

(5) An operator desiring a permit to engage in surface coal mining operations shall file an application which shall state:

(a) The location and area of land to be affected by the operation, with a description of access to the area from the nearest public highways;

(b) The owner or owners of the surface of the area of land to be affected by the permit and the owner or owners of all surface area adjacent to any part of the affected area;

(c) The owner or owners of the coal to be mined;

(d) The source of the applicant's legal right to mine the coal on the land affected by the permit;

(e) The permanent and temporary post-office addresses of the applicant;

(f) Whether the applicant or any person, partnership or corporation associated with the applicant holds or has held any other permits under this chapter, and an identification of such permits;

(g) Whether or not the applicant is in compliance with subsection (3) of KRS 350.130 and whether or not every officer, partner, director or any individual owning of record or beneficially (alone or with associates) ten percent (10%) or more of any class of voting stock of the applicant, is subject to any of the provisions of subsection (3) of KRS 350.130 and he shall so certify;

(h) A listing of any and all violations of this chapter, Public Law 95-87, and any law, rule or regulation in effect for the protection of air or water resources incurred by the applicant in connection with any surface coal mining and reclamation operation during the three (3) year period prior to the date of an application. Such a list shall indicate the final resolution of the violations; and

(i) Whether the area of land to be affected by the operation has been previously mined and is not in compliance with current reclamation standards, if so then identify the needed reclamation work.

(6) The application for a permit shall be accompanied by an official document (and an affidavit attesting to the document's authenticity) which will evidence what particular business entity the applicant is, whether a foreign or domestic corporation, a partnership, an entity doing business as another, or, if sole proprietorship, then an affidavit so stating.

(7) The application for a permit shall be accompanied by copies, in numbers satisfactory to the cabinet, of a United States geological survey topographic map or such other map acceptable to the cabinet on which the operator has indicated the location of the operation, the course which would be taken by drainage from the operation to the stream or streams to which such drainage would normally flow, the name of the applicant and date, and the name of the person who located the operation on the map.

(8) The application for a permit shall be accompanied by copies, in numbers satisfactory to the cabinet, of an enlarged United States geological survey topographic map or such other map acceptable to the cabinet meeting the requirements of paragraphs (a) to (i) of this subsection. The map shall:

(a) Be prepared and certified by a professional engineer, registered under the provisions of KRS Chapter 322. The certification shall be in the form as provided in subsection (10) of this section, except that the engineer shall not be required to certify the true ownership of property under paragraph (d) of this subsection;

(b) Identify the area to correspond with the application;

(c) Show adjacent deep mining;

(d) Show the boundaries of surface properties and names of owners of the affected area and adjacent to any part of the affected area;

(e) Be of a scale of 1:24,000 or larger;

(f) Show the names, and locations of all streams, creeks, or other bodies of public water, roads, buildings, cemeteries, oil and gas wells, and utility lines on the area of land affected and within five hundred (500) feet of such area;

(g) Show by appropriate markings the boundaries of the area of land affected, the cropline of the seam or deposit of coal to be mined, and the total number of acres involved in the area of land affected;

(h) Show the date on which the map was prepared, the north point and the quadrangle name; and

(i) Show the drainage plan on and away from the area of land affected. Such plan shall indicate the directional flow of water, constructed drainways, natural waterways used for drainage, and the streams or tributaries receiving the discharge.

(9) Each application shall include a determination of the probable hydrologic consequences of the mining and reclamation operations, both on and off the mine site, with respect to the hydrologic regime, quantity and quality of water in surface and groundwater systems, including the dissolved and suspended solids under seasonal flow conditions and the collection of sufficient data for the mine site and surrounding areas so that an assessment can be made by the cabinet of the probable cumulative impacts of all anticipated mining in the area upon the hydrology of the area and particularly upon water availability; provided, however, that this determination shall not be required until such time as hydrologic information on the general area prior to mining is made available from an appropriate federal or state agency. Provided further, that the permit shall not be approved until such information is available and is incorporated into the application.

(10) All certifications required by this chapter to be made by professional engineers shall be done in the form prescribed by the cabinet and shall be reasonably specific as to the work being certified. The cabinet may reject any document or map as incomplete if it is not properly certified.

(11) The application shall be accompanied by a transportation plan which shall set forth the portions of the state primary road system, if any, over which the applicant proposes to transport minerals extracted in the mining operation. The transportation plan shall specify the legal weight limits for each portion of any such highway or bridge over which the applicant proposes to transport minerals. The transportation plan shall include any proposal by the applicant to obtain a special permit pursuant to the provisions of KRS 189.271 to exceed the weight limits on any highway or bridge. The transportation plan shall contain a certification by a duly authorized official of the transportation cabinet attesting the accuracy of the transportation plan in regard to the locations and identities of highways and bridges on the state primary road system and the accuracy of the specifications of weight limits on such highways and bridges. All trucks hauling coal on a fully controlled limited access highway shall be covered by a tarp or equivalent cover to prevent spillage.

(12) In addition to the information and maps required above, each application for a permit shall be accompanied by detailed plans or proposals showing the method of operation, the manner, time and distance for backfilling, grading work and a reclamation plan for the affected area, which proposals shall meet the requirements of this chapter and rules and regulations adopted pursuant thereto.

(13) The application for a permit shall be accompanied by proof that the applicant has public liability insurance coverage satisfactory to the cabinet for the surface mining and reclamation operations for which the permit is sought, or proof that the applicant has satisfied self-insurance requirements as provided by regulations of the cabinet. Such coverage shall be maintained in full force and effect during the terms of the permit and any renewal thereof, and until reclamation operations are completed.

(14) A basic fee set by regulation, and bearing a reasonable relationship to the cost of processing the permit application but not to exceed three hundred seventy-five dollars ($375) plus a fee set by regulation but not to exceed seventy-five dollars ($75) for each acre or fraction thereof of the area of land to be affected by the operation, shall be paid before the permit required herein shall be issued; provided that if the cabinet approves an incremental bonding plan submitted by the applicant, the acreage fees may be paid in increments and at times corresponding to the approved plan. The operator shall file with the cabinet a bond payable to the Commonwealth of Kentucky with surety satisfactory to the cabinet in the [~~penal~~] sum to be determined by the cabinet for each acre or fraction thereof of the area of land affected, with a minimum bond of ten thousand dollars ($10,000), conditioned upon the faithful performance of the requirements set forth in this chapter and of the rules and regulations of the cabinet. In determining the amount of the bond the cabinet shall take into consideration the character and nature of the overburden, the future suitable use of the land involved and the cost of backfilling, grading and reclamation to be required and the probable difficulty of reclamation, giving consideration to such factors as topography, geology, hydrology, and revegetation potential. The bond amount shall initially be computed to be sufficient to assure completion of reclamation if the work had to be performed by the cabinet in the event of forfeiture. The cabinet shall promulgate regulations setting forth bonding requirements including, but not limited to, requirements for the amount, duration, release, and forfeiture of such bonds. Where the circumstances are such as to warrant an exception, the cabinet, in its discretion, may reduce the amount of the bond for a two (2) acre operation to less than the required minimum.

(15) Surface coal mining and reclamation operations which affect two (2) acres or less shall be exempt from the requirements of this chapter, except that the cabinet shall promulgate reasonable minimal regulations for permitting, bonding, controlling offsite water quality, revegetation, refuse piles, and use of explosives; and shall prohibit disposal of soil over the outslope in an uncontrolled manner. Such regulations shall recognize the distinct difference between two (2) acre operations and other surface coal mining operations and shall be less stringent than those imposed on other surface coal mining operations affecting more than two (2) acres, and in no event shall the cabinet require that the highwalls left by such operations be eliminated. In no event shall the bond be more than one thousand dollars ($1,000) per acre. The cabinet shall promulgate a short form application which will require the basic business information and a brief description of the method of operation. These applications shall be processed within thirty (30) calendar days. All procedural provisions and the penalty provisions of KRS 350.990 shall, however, apply to operations conducted and permits granted pursuant to this subsection. The cabinet shall enforce this subsection consistent with this chapter except that the cabinet shall not issue orders requiring cessation of operations for mere failure to abate a violation.

(16) The cabinet shall promulgate rules and regulations for the permitting of operations with surface effects of underground mining and other surface coal mining and reclamation operations consistent with this section. The cabinet shall recognize the distinct differences between the surface effects of underground mining and strip mining, as also provided in KRS 350.151, in promulgating permitting requirements for these operations; provided, that the cabinet shall require, for underground mines that are greater than two (2) acres under subsection (15) of this section, that all of the areas overlying underground workings be permitted but that the areas overlying underground workings not affected by operations and facilities occurring on the surface shall not be subject to the payment of acreage fees or bond requirements of subsection (14) of this section or of KRS 350.151; provided, however, that applications for operations of two (2) acres or less filed under subsection (15) of this section shall clearly identify the boundaries of the proposed deep mine operation.

(17) Any valid permit issued pursuant to this chapter shall carry with it the right of successive renewal upon expiration with respect to areas within the boundaries of the existing permit. The holders of the permit may apply for renewal and such renewal shall be issued (provided that on application for renewal the burden shall be on the opponents of renewal), subsequent to the fulfillment of the public notice requirements of this chapter unless it is established and written findings by the cabinet are made that:

(a) The terms and conditions of the existing permit are not being satisfactorily met;

(b) The present surface coal mining and reclamation operation is not in compliance with the environmental protection standards of this chapter;

(c) The renewal requested substantially jeopardizes the operator's continuing responsibility on existing permit areas;

(d) The operator has not provided evidence that the performance bond in effect for said operation will continue in full force and effect for any renewal requested in such application as well as any additional bond the cabinet might require; or

(e) Any additional revised or updated information required by the cabinet has not been provided;

Prior to the approval of any renewal of permit the cabinet shall provide notice to the appropriate public authorities.

(18) If an application for renewal of a valid permit includes a proposal to extend the mining operation beyond the boundaries authorized in the existing permit, the portion of the application for renewal of a valid permit which addresses any new areas of surface disturbance shall be subject to the full standards applicable to new applications under this chapter.

(19) Any permit renewal shall be for a term not to exceed the period of the original permit. Application for permit renewal shall be made at least one hundred and twenty (120) days prior to the expiration of the valid permit.

(20) Notwithstanding any of the provisions of this section, a permit shall terminate if the permittee has not commenced the surface coal mining operations covered by such permit within three (3) years of the issuance of the permit. However, the cabinet may grant reasonable extensions of time upon a showing that such extensions are necessary by reason of litigation precluding commencement of operations, or threatening substantial economic loss to the permittee, or by reason of conditions beyond the control and without the fault or negligence of the permittee. With respect to coal to be mined for use in a synthetic fuel facility or specific major electric generating facility, the permittee shall be deemed to have commenced surface mining operations at such time as the construction of the synthetic fuel or generating facility is initiated.

(21) Each application for a permit or revision for auger mining on a previously mined area must contain information to describe the area to be affected, to show that the proposed method of operation will result in stable post-mining conditions, and reduce or eliminate adverse environmental conditions created by previous mining activities. If the cabinet determines that the affected area cannot be stabilized and reclaimed subsequent to augering or that the operation will result in an adverse impact to the proposed or adjacent area, the permit or revision shall not be issued. The cabinet shall, consistent with all applicable requirements of this chapter, issue a permit or revision if the applicant demonstrates that the proposed coal mining operations will provide for reduction or elimination of the highwall, or reduction or abatement of adverse impacts resulting from past mining activities, or stabilization or enhancement of a previously mined area. The cabinet shall insure that all reasonably available spoil material will be used to backfill the highwall to the extent practical and feasible: provided, however, that in all cases the holes be properly sealed and backfilled to a minimum of four (4) feet above the coal seam being mined.

(22) All operations involving the loading of coal which do not separate the coal from its impurities, and which are not located at or near the mine site, shall be exempt from the requirements of this chapter.

Section 2. KRS 350.064 is amended to read as follows:

(1) After a surface coal mining and reclamation permit application has been approved but before such a permit is issued, the applicant shall file with the regulatory authority, on a form prescribed and furnished by the regulatory authority, a *reclamation* bond for performance payable, as appropriate, to the state, and conditional upon faithful performance of all the requirements of this chapter and the permit. The *reclamation* bond shall cover that area of land within the permit area upon which the operator will initiate and conduct surface coal mining and reclamation operations within the initial term of the permit. As succeeding increments of surface coal mining and reclamation operations are to be initiated and conducted within the permit area, the permittee shall file with the cabinet an additional bond or bonds to cover such increments in accordance with this section.

(2) The cabinet may accept the *reclamation* bond of the applicant itself without separate surety when the applicant demonstrates to the satisfaction of the cabinet the existence of a suitable agent to receive service of process and a history of financial solvency and continuous operation sufficient for authorization to self-insure or bond such amount or in lieu of the establishment of a bonding program, as set forth in this section; the cabinet may approve an alternative system that will achieve the objectives and purposes of the bonding program pursuant to this section.

Section 3. KRS 350.151 is amended to read as follows:

(1) The natural resources and environmental protection cabinet shall promulgate permanent program rules and regulations for the mining and reclamation of land disturbed or removed by operations resulting from or incident to a mine as defined in KRS 352.010(1)(t). Such regulations shall recognize the distinct differences between the surface effects of underground mining and surface coal mining, and shall be promulgated pursuant to this chapter, and shall be enforced as provided in KRS 350.130 and 350.990. Those activities may include, but not be limited to, the construction of new roads or the improvement or use of existing roads to gain access to the site of such activities and all lands affected by haulage, excavations, workings, impoundments, dams, ventilation shafts, entryways, refuse banks, dumps, stockpiles, overburden piles, spoil banks, culm banks, tailings, holes or depressions, repair areas, storage areas, processing areas, shipping areas and other areas upon which are sited structures, facilities, or other property or materials on the surface but said regulations shall not be more stringent than those applied to surface coal mining.

(2) The operator shall file with the cabinet a *reclamation* bond payable to the Commonwealth of Kentucky with surety satisfactory to the cabinet in the [~~penal~~] sum to be determined by the cabinet for each acre or fraction thereof of the area of land affected, with a minimum bond of ten thousand dollars ($10,000) conditioned upon the faithful performance of the requirements set forth in this section and of the rules and regulations of the cabinet. The cabinet shall accept, in lieu of the surety provided herein, the deposit by the operator of United States government securities, cash, or its equivalent in a sum equal to the principal amount of the required bond, or a self bond pursuant to regulations promulgated by the cabinet.

(3) In order to protect the stability of the land, the cabinet shall suspend underground mining activities under urbanized areas, and adjacent to industrial or commercial buildings, major impoundments, or permanent streams, if the cabinet finds imminent danger to inhabitants of said urbanized areas.

The Committee Amendment No. 1 to **HB 709** is as follows:

Amend printed copy of **HB 709** on page 10, line 5, and on page 18, line 2, after "cabinet." by inserting the following: *"The cabinet shall forfeit the entire amount of the bond for the permit area or increment in the event of forfeiture."*

HCR 17. A CONCURRENT RESOLUTION relating to small coal mine operators.

WHEREAS, many small surface and underground coal mine operators have been forced to go out of business because of oppressive federal Office of Surface Mining (OSM) and Mine Safety and Health Administration (MSHA) regulations; and

WHEREAS, certain provisions of the federal surface coal mine law and their interpretation and enforcement by OSM and requirements of the federal underground coal mine laws and regulations have brought about an increase in Kentucky's welfare recipients; and

WHEREAS, this loss of gainful employment has lowered the self esteem of many Kentuckians living in coal-producing counties and has caused them much emotional stress; and

WHEREAS, an episode of the television program "Sixty Minutes" very ably depicted the intolerable position in which the federal surface coal mining law and regulations have placed the Hardly Able Coal Company and many other small surface and underground coal mine operators;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. That federal and state authorities review the laws and regulations controlling surface and underground coal mining with the goal of providing flexibility in the laws and regulations which will not be destructive of local economies.

Section 2. That copies of this resolution be sent to President Reagan, the Director of OSM, the Assistant Secretary for the federal Mine Safety and Health Administration, the Secretary of the Kentucky Natural Resources and Environmental Protection Cabinet, and the Commissioner of the Department of Mines and Minerals.

HB 551, AN ACT relating to civil actions.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 411 IS CREATED TO READ AS FOLLOWS:

(1) In actions involving fault of more than one party to the action, including third party defendants and persons who have been released under subsection (4) of this section, the court, unless otherwise agreed by all parties, shall instruct the jury to answer interrogatories or, if there is no jury, shall make findings indicating:

(a) The amount of damages each claimant would be entitled to recover if contributory fault is disregarded; and

(b) The percentage of the total fault of all the parties to each claim that is allocated to each claimant, defendant, third party defendant, and person who has been released from liability under subsection (4) of this section.

(2) In determining the percentages of fault, the trier of fact shall consider both the nature of the conduct of each party at fault and the extent of the causal relation between the conduct and the damages claimed.

(3) The court shall determine the award of damages to each claimant in accordance with the findings, subject to any reduction under subsection (4) of this section, and shall determine and state in the judgment each party's equitable share of the obligation to each claimant in accordance with the respective percentages of fault.

(4) A release, covenant not to sue, or similar agreement entered into by a claimant, and a person liable shall discharge that person from all liability for contribution, but it shall not be considered to discharge any other persons liable upon the same claim unless it so provides. However, the claim of the releasing person against other persons shall be reduced by the amount of the released persons equitable share of the obligation, determined in accordance with the provisions of this section.

SECTION 2. A NEW SECTION OF KRS CHAPTER 411 IS CREATED TO READ AS FOLLOWS:

(1) As used in Sections 2 and 3 of this Act, unless the context requires otherwise

(a) "Oppression" means conduct which is specifically intended by the defendant to subject the plaintiff to cruel and unjust hardship.

(b) "Fraud" means an intentional misrepresentation, deceit, or concealment of material fact known to the defendant and made with the intention of causing injury to the plaintiff.

(c) "Malice" means either conduct which is specifically intended by the defendant to cause tangible or intangible injury to the plaintiff or conduct that is carried out by the defendant both with a flagrant indifference to the rights of the plaintiff and with a subjective awareness that such conduct will result in human death or bodily harm.

(d) "Plaintiff" means any party claiming punitive damages.

(e) "Defendant" means any party against whom punitive damages are sought.

(f) "Punitive damages" includes exemplary damages and means damages, other than compensatory and nominal damages, awarded against a person to punish and to discourage him and others from similar conduct in the future.

(2) A plaintiff shall recover punitive damages only upon proving, by clear and convincing evidence, that the defendant from whom such damages are sought acted toward the plaintiff with oppression, fraud or malice.

(3) In no case shall punitive damages be assessed against a principal or employer for the act of an agent or employe unless such principal or employer authorized or ratified or should have anticipated the conduct in question.

(4) In no case shall punitive damages be awarded for breach of contract.

(5) This statute is applicable to all cases in which punitive damages are sought and supersedes any and all existing statutory or judicial law insofar as such law is inconsistent with the provisions of this statute.

SECTION 3. A NEW SECTION OF KRS CHAPTER 411 IS CREATED TO READ AS FOLLOWS:

(1) In any civil action where claims for punitive damages are included, the jury or judge if jury trial has been waived, shall determine concurrently with all other issues presented, whether punitive damages may be assessed.

(2) If the trier of fact determines that punitive damages should be awarded, the court shall then assess the sum of punitive damages. In determining the amount of punitive damages to be assessed, the court should consider the following factors:

(a) The likelihood at the relevant time that serious harm would arise from the defendant's misconduct;

(b) The degree of the defendant's awareness of that likelihood;

(c) The profitability of the misconduct to the defendant;

(d) The duration of the misconduct and any concealment of it by the defendant;

(e) Any actions by the defendant to remedy the misconduct once it became known to the defendant;

(f) The financial condition of the defendant and the effect of an award of punitive damages on the defendant and others who are or may be affected by such award; and

(g) The total effect of other punishment imposed or likely to be imposed upon the defendant as a result of the misconduct, including punitive damage awards to persons similarly situated to the plaintiff and the severity of criminal penalties to which the defendant has been or may be subjected.

(3) Sections 2 and 3 of this Act are applicable to all cases in which punitive damages are sought.

SECTION 4. A NEW SECTION OF KRS CHAPTER 411 IS CREATED TO READ AS FOLLOWS:

(1) This section shall apply to all actions for damages, whether in contract or tort, commenced after the effective date of this act.

(2) At the commencement of an action seeking to recover damages, it shall be the duty of the plaintiff or his attorney to notify, by certified mail, those parties believed by him to hold subrogation rights to any award received by the plaintiff as a result of the action. The notification shall state that a failure to assert subrogration rights by intervention, pursuant to Kentucky Civil Rule 24, will result in a loss of those rights with respect to any final award received by the plaintiff as a result of the action.

(b) The percentage of the total fault of all the parties to each claim that is allocated to each claimant, defendant, third party defendant, and person who has been released from liability under subsection (4) of this section.

(2) In determining the percentages of fault, the trier of fact shall consider both the nature of the conduct of each party at fault and the extent of the causal relation between the conduct and the damages claimed.

(3) The court shall determine the award of damages to each claimant in accordance with the findings, subject to any reduction under subsection (4) of this section, and shall determine and state in the judgment each party's equitable share of the obligation to each claimant in accordance with the respective percentages of fault.

(4) A release, covenant not to sue, or similar agreement entered into by a claimant, and a person liable shall discharge that person from all liability for contribution, but it shall not be considered to discharge any other persons liable upon the same claim unless it so provides. However, the claim of the releasing person against other persons shall be reduced by the amount of the released persons equitable share of the obligation, determined in accordance with the provisions of this section.

(3) Collateral source payments, except life insurance, the value of any premiums paid by or on behalf of the plaintiff for same, and known subrogation rights shall be an admissible fact in any civil trial.

SECTION 9. A NEW SECTION OF KRS CHAPTER 271A IS CREATED TO READ AS FOLLOWS:

(1) A conflict of interest transaction shall be a transaction with the corporation in which a director of the corporation has a direct or indirect interest. If a majority of the directors who have no direct or indirect interest in the transaction vote to authorize, approve, or ratify the transaction, a quorum shall be present for the purpose of taking action under this section. (4) For purposes of subsection (1)(b) of this section, a conflict of interest transaction shall be considered

authorized, approved, or ratified if it receives the vote of a majority of the shares entitled to be counted under this subsection. The vote of those shares, however, shall be counted in determining whether the transaction is approved under other sections of this Act. A majority of the shares that are entitled to be counted in a vote on the transaction under this subsection shall constitute a quorum for the purpose of taking action under this section.

SECTION 10. A NEW SECTION OF KRS CHAPTER 271A IS CREATED TO READ AS FOLLOWS:

The term "premises" as used in this subsection shall include physician offices, pharmacies and all health care facilities licensed or regulated by the Commonwealth. Agents of the board may only require pharmacies to produce prescription records and health care facilities to produce records of patients or physician peer reviews. *Such inspection or seizure of peer review records shall not affect the confidential nature of those records as provided in KRS 311.377, and the board shall maintain such peer review records so as to protect the confidentiality thereof.*

(3) The board may institute, in its own name, proceedings to temporarily or permanently restrain and enjoin violations of KRS 311.550 to 311.620, regardless of whether the defendant has been convicted for violation of the penal provisions thereof, and shall not be required to pay any costs or filing fees or furnish any bond in connection therewith. (6) Any action taken as a director, or any failure to take any action as a director, shall not be the basis for monetary damages or injunctive relief unless:

(a) The director has breached or failed to perform the duties of the director's office in compliance with this section; and

(b) In the case of an action for monetary damages, the breach or failure to perform constitutes willful misconduct or wanton or reckless disregard for human rights, safety or property.

(7) A person bringing an action for monetary damages under this section shall have the burden of proving by clear and convincing evidence the provisions of subsection (6)(a) and (b) of this section, and the burden of proving that the breach or failure to perform was the legal cause of damages suffered.

"Section 2. KRS 186.565 is amended to read as follows:

(1) Any person who operates a motor vehicle in this state is deemed to have given his consent to a test

of his blood, breath, urine or saliva for the purpose of determining the alcoholic content of his blood, if arrested for any offense arising out of acts alleged to have been committed while the person was driving or in actual physical control of a motor vehicle in this state while under the influence of intoxicating beverages or other substances which may impair one's driving ability. The test shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle in this state while under the influence of intoxicating beverages or other substance which may impair one's driving ability. The law enforcement agency by which the officer is employed shall designate which of the aforesaid tests shall be administered, and provide necessary equipment. The state shall provide one (1) breathalyzer and simulating unit for each county, paid for by state funds.

(2) Any person who is dead, unconscious or who is otherwise in a condition rendering him incapable of refusal is deemed not to have withdrawn the consent provided in subsection (1) of this section and the test may be given.

(3) If a person under arrest refuses upon the request of a law enforcement officer to submit to a test designated by the law enforcement agency as provided in subsection (1) of this section, the requesting officer shall warn the person of the effect of his refusal to submit to the test. If the person again refuses, none shall be given, but the transportation cabinet, upon the receipt of a sworn report of the law enforcement officer that he had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle in this state while under the influence of intoxicating beverages or other substances which may impair one's driving ability, that the person refused to submit to the test upon the request of the law enforcement officer, and that the person again refused to submit to the test after the law enforcement officer warned him of the effect of his refusal, the cabinet shall immediately serve notice upon said person in writing by mailing the notice to the person by certified mail to the last known residence address of the person or if the address is unknown, to the last known business address of the person to appear before the secretary or his duly authorized agent and show cause why his license to operate a motor vehicle, or if said person is a nonresident his privilege to operate a motor vehicle within this state should not be revoked: or if the person is a resident without a license or permit to operate a motor vehicle in this state why that person should not be denied the issuance of a license or permit. The hearing shall be scheduled as early as practical but not sooner than ten (10) days after the issuance of the notice and at a time and place designated by the secretary.

(4) For the purpose of the hearing, held in accordance with the order to show cause, the secretary may appoint an examiner who shall have the power to preside at the hearing. Upon the hearing the secretary or his duly authorized agent may administer oaths and may issue subpoenas for the attendance of witnesses and the production of relevant books and papers and may require a reexamination of the licensee. The scope of the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle in this state while under the influence of intoxicating beverages or other substances which may impair one's driving ability, whether the person was placed under arrest, and whether he refused to submit to the test upon request of the officer. All testimony at the hearing shall be recorded. The secretary's ruling shall include a statement of the findings of fact, rulings of law and other matters pertinent to the question at issue. The secretary within ten (10) days after the completion of the hearing shall order either: that the person's license to operate a motor vehicle, or, if the person is a nonresident, his privilege to operate a motor vehicle within this state be revoked for a period of not more than six (6) months or if the person is a resident without such license that there should be a denial of issuance of a license for a period of not more than six (6) months; or that no action be taken regarding said person's privilege to operate a motor vehicle. The secretary shall immediately notify the person of his ruling in writing by certified mail. If the person shall fail to attend the show cause hearing without good cause shown the secretary shall forthwith revoke the person's license or privilege to operate a motor vehicle or deny issuance of a permit or operator's license.

(5) If the revocation or determination that there should be a denial of issuance is sustained after the hearing, the person whose license or permit to drive or nonresident operating privilege has been revoked, or to whom a license or permit is denied, under the provisions of this section, may file a petition in the circuit court of the county in which the person resides or in the circuit court of the county in which the alleged offense was committed or in Franklin Circuit Court to review the final order of revocation or denial by the secretary within twenty (20) days after the final order has been issued. The perfected appeal suspends the order of revocation pending a final determination of the review. If the final judgment of the court finds against the person appealing, the period of revocation is determined by taking into account the period of time during which the revocation was effective before the appeal was perfected. The transportation cabinet shall file with its answer a copy of the secretary's ruling and a transcript of evidence. The court's review is limited to whether the secretary's ruling is supported by substantial evidence and whether his action is arbitrary or capricious. An appeal to the Court of Appeals suspends the order of revocation pending a final

determination of the review. If the final judgment of the court finds against the person appealing, the period of revocation is determined by taking into account the period of time during which the revocation was effective before the appeal was perfected.

(6) When it has been finally determined that a nonresident's privilege to operate a motor vehicle in this state has been revoked, the cabinet shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he has a license. The provisions of this section shall not apply to a person who refuses to submit to a test of his blood, breath, urine or saliva if that person has enrolled in a driver's education program under the terms and conditions of KRS 186.560(4) and rules and regulations adopted thereunder.

(7) Any person who has had no previous conviction for violation of KRS 189.520 and who has refused to submit to a test of his blood, breath, urine, or saliva may apply to a district court of competent jurisdiction for permission to enter a driver's education program as provided pursuant to KRS 186.560. If he is permitted by the court to enter the program he shall be subject to the same terms and conditions as any other person entering the program. The cabinet shall suspend the license for six (6) months of any person participating in such program if he fails to satisfactorily complete such driver's education program.

(8) The provisions of this section shall not apply to a person who is acquitted of the violation of KRS 189A.010 and the cabinet shall not withhold, suspend, or revoke the operator's license of such person, nor shall the cabinet place any notation on such person's driver's license record indicating his refusal to take any of the tests set forth in this section.

SECTION 3. A NEW SECTION OF KRS CHAPTER 186 IS CREATED TO READ AS FOLLOWS:

(1) The license of any person whose license was suspended prior to the effective date of this Act and who was subsequently found to be not guilty of the violation of KRS 189A.010 shall have his license returned by the cabinet within ten (10) working days of the effective date of this Act and this Act shall be deemed retroactive for this purpose.

(2) Any notation placed, prior to the effective date of this Act on a driver's license of a person who is subsequently found not guilty of violating KRS 189A.010, indicating that such person refused to take any of the tests set forth in this section, shall be removed within ten (10) working days of this Act, and this Act shall be deemed retroactive only for this purpose and the purpose set forth in subsection (1) of this section."

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 16.055 is amended to read as follows:

(1) Promotions to sergeant within the bureau shall be on the following terms and conditions:

(a) The applicant must have served as a commissioned state police officer for a period of five (5) years to be eligible for promotion to sergeant;

(b) Promotions shall be based on the highest cumulative score computed from thirty percent (30%) on personnel performance evaluation, twenty percent (20%) on oral examination, and fifty percent (50%) on a written examination;

(c) The promotional list shall continue in existence for one (1) year and promotions shall be made in consecutive order beginning with the highest numerical ranking to fill an interim vacancy. When two (2) or more applicants receive the same numerical score, the order of placement on the list shall be determined by seniority of service. Upon the determination of a new numerical ranking following a new examination, all previous rankings shall be null and void;

(d) The written examination shall be prepared and administered by an individual designated by the commissioner. The materials and textbooks will be selected by the commissioner and his staff. The commissioner will inform all applicants at least three (3) months prior to the examination date of the exact material from which test questions will be taken;

(e) The written test shall be administered to all applicants at the same time. Immediately upon completion of the written test the applicant will receive his numerical score. Such numerical score shall remain valid for a period of two (2) years following the date of examination unless the source material upon which the test is based is changed by more than thirty percent (30%);

(f) The oral examination shall be conducted by interview boards designated by the commissioner consisting of the commissioner or his designated appointee not lower than rank of captain, an officer from another police agency of the rank equal to the position for which the applicant is competing, an instructor from an accredited law enforcement education program, a personnel director from private industry, and an officer from the Kentucky state police of the rank equal to the position for which the applicant is competing;

(g) The designated oral boards will perform all interviews under guidelines developed and approved by the commissioner;

(h) Personnel evaluations shall be made by the appropriate supervisory personnel under procedures established and approved by the commissioner.

(2) Promotions from sergeant to lieutenant within the bureau shall be on the same terms and conditions as promotions to sergeant. In addition, any applicant for lieutenant must have completed at least *three (3) years* [~~one (1) year~~] of continuous service in grade as sergeant.

(3) Promotions from lieutenant to captain within the bureau shall be on the same terms and conditions as promotions to lieutenant. In addition, any applicant for captain must have completed at least *three (3) years* [~~one (1) year~~] of continuous service in grade as lieutenant.

Section 2. KRS 138.220 is amended to read as follows:

(1) An excise tax at the rate of nine percent (9%) of the average wholesale price rounded to the third decimal when computed on a per gallon basis shall be paid on all gasoline *and special fuel* received in this state. *Except as provided by KRS 138.660* no other excise or license tax shall be levied or assessed on gasoline *or special fuel* by the state or any political subdivision of the state. The tax herein imposed shall be paid by the dealer receiving the gasoline *or special fuel* to the state treasurer in the manner and within the time specified in KRS 138.230 to 138.340 and all such tax may be added to the selling price charged by the dealer or other person paying the tax on gasoline *or special fuel* sold in this state. Nothing herein contained shall authorize or require the collection of the tax upon any gasoline *or special fuel* after it has been once taxed under the provisions of this section *unless such tax was refunded or credited.*

(2) In addition to the excise tax provided in subsection (1) of this section, there is hereby levied a supplemental highway user motor fuel tax to be paid in the same manner and at the same time as the tax provided in subsection (1) of this section. Such tax shall be calculated, starting with the quarter beginning July 1, 1986, by taking the excise tax resulting from the calculation provided for in subsection (1) of this section and adjusting such tax calculated, for each quarter, to reflect decreases in the average wholesale price, as defined in KRS 138.210(10)(a). The adjustment shall be made by calculating the difference between the average wholesale price computed for the quarter beginning October 1, 1985, as provided for in subsection (3) of this section, and the average wholesale price computed for the quarter beginning July 1, 1986 and each succeeding quarter, as provided for in subsection (3) of this section. In the event of a decrease in the average wholesale price computed for the quarter beginning October 1, 1985, and ending December 31, 1985, and the average wholesale price computed for the quarter beginning July 1, 1986, and each succeeding quarter, the excise tax shall be adjusted upward for that quarter. The upward adjustment shall equal one-half (1/2) of the decrease between the two (2) quarterly periods, rounded to the third decimal. In no case shall the adjustment provided by this subsection result in a supplemental highway user motor fuel tax greater than five cents (5) *on gasoline or two cents (2) on special fuel* and, notwithstanding any adjustment which may be calculated as provided by this subsection, in no case shall the supplemental highway user motor fuel tax for any quarter be less than the previous quarter. The supplemental highway user motor fuel tax provided by this subsection and the provisions of subsection (1) of this section shall constitute the tax on motor fuels imposed by KRS 138.220.

(3) Effective with the calendar quarter beginning July 1, 1980, the cabinet shall determine on a consistent basis the average wholesale price for each calendar quarter, on the basis of sales data accumulated for the first month of the preceding quarter. Notification of the average wholesale price shall be given to all licensed dealers at least twenty (20) days in advance of the first day of each calendar quarter.

(4) Dealers with a tax-paid gasoline *or special fuel* inventory at the time an average wholesale price becomes effective, shall be subject to additional tax or appropriate tax credit to reflect the increase or decrease in the average wholesale price for the new quarter. [~~For the purpose of this adjustment, average wholesale price on June 30, 1980, shall be deemed to be one dollar ($1).~~] The cabinet shall promulgate such rules and

regulations to properly administer this provision.

SECTION 3. A NEW SECTION OF KRS CHAPTER 138 IS CREATED TO READ AS FOLLOWS:

It shall be presumed that all nontaxpaid motor fuels are subject to the tax levied under KRS 138.220 unless the contrary is established pursuant to KRS 138.210 to 138.500 or regulations promulgated thereunder by the revenue cabinet. The tax shall be paid by the licensed dealer to the cabinet. Any dealer or other person who imports, causes to be imported, receives, uses, sells, stores or possesses nontaxpaid motor fuels but fails to comply with all statutory and regulatory restrictions applicable to such fuel shall be jointly and severally liable for payment of the tax due on such fuel. The remaining gasoline *and special fuel* placed in storage must be fully accounted for as in physical inventory, accountable loss, withdrawn for export or withdrawn from storage and received for taxable purposes.

(4) The number of gallons of gasoline *or special fuel* added to marine, pipeline or refinery storage shall be determined by the cabinet by actual measurement of terminal storage tanks in the manner it deems necessary.

The reports shall be made under oath and shall be filed by the twenty-fifth day of each month, covering all such deliveries made within this state during the preceding calendar month.

Section 8. KRS 138.270 is amended to read as follows:

(1) *(a)* From the total number of gallons of gasoline *and special fuel* received by the dealer within this

state during the next preceding calendar month, [~~the following~~] deductions shall be made *for*[~~:~~

~~(a)~~] the total number of gallons [~~of gasoline~~] received by the dealer within this state that were sold or otherwise disposed of during the next preceding calendar month as set forth in subsection (2) of KRS 138.240. [~~; and~~]

(b) [~~That number of gallons of gasoline equal to two and one-fourth percent (2 1/4%) of the total number of gallons of gasoline received by the dealer within this state during the next preceding calendar month, less the total number of gallons deducted under paragraph (a) of this subsection, this deduction being allowed~~] To cover evaporation, shrinkage, unaccountable losses, collection costs, bad debts and handling and reporting the tax, *each dealer shall be allowed compensation equal to two and one-fourth percent (2 1/4%) of the net tax due the Commonwealth pursuant to KRS 138.210 to 138.500 before all allowable tax credits, except the credit authorized pursuant to Section 28 of this Act; provided, however, no compensation shall be allowed if the completed tax return and payment are not submitted to the revenue cabinet within the time prescribed by KRS 138.210 to 138.500.*

(2) The tax imposed by KRS 138.220(1) and (2) shall be computed on the number of gallons remaining after the deductions set forth in subsection (1) of this section have been made, and shall constitute the amount of [~~gasoline~~] tax payable for the next preceding calendar month.

(3) Notwithstanding any other provision of this chapter to the contrary, any person who shall remit to the cabinet, by the twenty-fifth day of each month, an amount equal to not less than ninety-five percent (95%) of his tax liability as finally determined for the previous month shall not be required to file the monthly reports required by this chapter until the last day of that month, and shall be permitted to claim as a credit against the tax liability shown due on such report the amount previously paid for such month.

Section 9. KRS 138.290 is amended to read as follows:

(1) If any dealer neglects or refuses to make *any* [~~the~~] return required by KRS 138.240 or to pay the tax at the time provided, a penalty of twenty percent (20%) thereof and interest at the tax interest rate as defined in KRS 131.010(6) from the date when due shall be paid as a part of the tax. If collected by proceedings in court, an additional penalty of twenty percent (20%) shall be collected and distributed as is authorized by KRS 134.400 and 135.060.

(2) If any taxpayer subject to the penalty provided in subsection (1) of this section submits in writing to the cabinet, his reasons for failure to comply with KRS 138.240, and if the cabinet finds the reasons evidence of justifiable cause for modifying the penalty provided in subsection (1) of this section, it may modify the penalty exacted therein to five percent (5%) of the amount of the tax due and delinquent, provided that the cabinet may reduce or waive the penalty when in the sole discretion of the cabinet the exaction of the penalties provided above would be inequitable or unjust.

(3) Any dealer or transporter who fails to make any report or return required under KRS 138.240 or KRS 138.260 within the time required shall pay a penalty of *twenty-five* [~~ten~~] dollars *($25)* [~~($10.00)~~] to be assessed and collected in the manner provided for the assessment and collection of taxes under KRS 138.210 to KRS 138.340 inclusive or in a civil action, at the instance of the cabinet. In addition such delinquent may be compelled to make the required report or return.

Section 10. KRS 138.300 is amended to read as follows:

No dealer or other person shall fail or refuse to make the returns and pay the tax prescribed by KRS 138.220 to 138.280, or refuse to permit the revenue cabinet or its representatives appointed by the secretary of revenue in writing to examine his records, papers, files and equipment pertaining to the taxable business. No person shall make an incomplete, false or fraudulent return, or do or attempt to do anything to avoid a full disclosure of the amount of business done or to avoid the payment of the whole or any part of the tax or penalties due. No person shall fail to keep and preserve records of gasoline *and special fuel* manufactured, transported, received, used, sold or delivered or to make reports as required by KRS 138.230 to 138.280.

Section 11. KRS 138.310 is amended to read as follows:

(1) No person shall receive, use, sell, transport, store or distribute any gasoline *or special fuel* upon

which the tax *due* has not been paid or assumed or engage in the sale, storage or transportation of any gasoline *or special fuel* within this state upon which the tax has not been paid unless he is the holder of an uncanceled license issued by the revenue cabinet to engage in such business.

(2) Any [~~licensed~~] transporter, other than a regularly licensed gasoline *or special fuel* dealer, transporting gasoline *or special fuel* [~~upon which the tax has not been paid or assumed~~] by motor vehicle shall have plainly painted thereon *the* name, address, and permit number of *such* [~~licensed~~] transporter.

(3) Any person who engages in the business of receiving, using, selling, transporting, storing or distributing gasoline *or special fuel* in this state as a dealer, storage operator or transporter without holding an uncanceled license to engage in such business, or who without such license, receives, uses, sells, transports, stores, or distributes any gasoline *or special fuel* upon which the tax imposed by KRS 138.220 has not been reported and paid, shall pay a penalty equal to twenty per cent (20%) of the amount of the tax on such gasoline *or special fuel* so received, used, sold, transported, stored or distributed.

Section 12. KRS 138.320 is amended to read as follows:

(1) To procure the license required by KRS 138.310, every dealer or transporter so required shall file with the revenue cabinet an application in such form and containing such information as the cabinet may deem necessary.

(2) If the dealer or transporter is a corporation organized under the laws of another state, it shall file with its application a certified copy of the certificate or license issued by the secretary of state of this state showing that the corporation is authorized to transact business in this state.

(3) At the time of filing application for a license, a bond of the character stipulated and in the amount provided for in KRS 138.330 shall be filed with the cabinet. No license shall be issued upon any application unless accompanied by this bond.

(4) If application for such a license is filed by any person whose license has at any time previously been canceled for cause by the cabinet, or if the cabinet is of the opinion that the application is not filed in good faith, or that the application is filed by some person as a subterfuge for the real person in interest whose license or registration has previously been canceled for cause by the cabinet, the cabinet may, after a hearing of which the applicant has been given five (5) days' notice in writing, and in which the applicant shall have the right to appear in person or by counsel and present testimony, refuse to issue a license to that person.

(5) The application in proper form having been accepted for filing, and the bond having been accepted and approved, the cabinet shall issue to the applicant a license, subject to cancellation as provided by KRS 138.340. The license shall not be assignable, and shall be valid only for the person in whose name it is issued, and shall be displayed conspicuously in the principal place of business of the dealer in this state.

(6) The cabinet shall keep and file all applications and bonds, with an alphabetical index thereof, together with a record of all licensed dealers or transporters. The cabinet shall publish and keep currently up to date a list of licensed dealers and transporters, and transmit a copy of list and all revisions thereof to all licensed dealers and transporters.

(7) All licenses shall be valid and remain in full force and effect until suspended or revoked for cause or otherwise cancelled.

Section 13. KRS 138.330 is amended to read as follows:

(1) Every dealer or transporter required to be licensed under KRS 138.310 shall file with the revenue cabinet a bond, issued by a corporation authorized to do surety business in Kentucky, in an amount not to exceed three (3) months' estimated liability as computed by the cabinet or five thousand dollars ($5,000) whichever is greater, or in the case of a new licensee in the minimum amount of five thousand dollars ($5,000) until such time as an estimated three (3) months' liability can be established, provided that the maximum amount of any such bond may be reduced to an amount sufficient in the opinion of the cabinet, considering the financial rating and reputation of the company, to insure payment to the cabinet of the amount of tax, penalties and interest for which the dealer or transporter may become liable. The bond shall be on a form and with a

surety approved by the cabinet. The dealer or transporter shall be the principal obligor and the state the obligee. The bond shall be conditioned upon the prompt filing of true reports by the dealer and transporter and the payment by the dealer to the state treasurer of all gasoline *and special fuel* excise taxes now or hereafter imposed by the state, together with all penalties and interest thereon, and generally upon faithful compliance with the provisions of KRS 138.210 to 138.340.

(2) If liability upon the bond is discharged or reduced, whether by judgment rendered, payment made or otherwise, or if in the opinion of the cabinet any surety on the bond has become unsatisfactory or unacceptable, the cabinet may require the licensee to file a new bond with satisfactory sureties in the same amount, failing which the cabinet shall forthwith cancel the license of such licensee. If a new bond is furnished as provided above, the cabinet shall cancel and surrender the bond for which the new bond is substituted.

(3) If upon hearing, of which the licensee shall be given five (5) days' notice in writing, the cabinet decides that the amount of the existing bond is insufficient to insure payment to the state of the amount of tax, penalties and interest for which the licensee is or may become liable, said licensee shall forthwith, upon the written demand of the cabinet, file an additional bond in the same manner and form with a surety thereon approved by the cabinet, in any amount determined by the cabinet to be necessary, failing which the cabinet shall forthwith cancel the license of the licensee.

(4) Any surety on a bond furnished as required by this section shall be released from all liability to the state accruing on such bond after the expiration of sixty (60) days from the date upon which the surety has lodged with the cabinet a written request to be released, but this request shall not operate to release the surety from any liability already accrued or which shall accrue before the expiration of the sixty (60) day period. The cabinet shall promptly, upon receipt of such request, notify the licensee who furnished the bond, and unless said licensee, before the expiration of the sixty (60) day period, files with the cabinet a new bond with a surety satisfactory to the cabinet in the amount and form hereinbefore provided, the cabinet shall forthwith cancel the license of the licensee. If approved new bond is furnished the cabinet shall cancel and surrender the bond for which the new bond is substituted.

Section 14. KRS 138.340 is amended to read as follows:

(1) If any dealer or transporter required to be licensed under KRS 138.310 files a false report of the data or information required by KRS 138.210 to 138.280, or fails, refuses or neglects to file the reports required by those sections, even though no tax is due, or to pay the full amount of tax as required by those sections, or fails to meet the qualifications of a dealer as set out in KRS 138.210 (2), or violates any other provision of this chapter, *the license of* said dealer or transporter may be *revoked* [~~cited~~] by the revenue cabinet [~~to show cause at a public hearing before the Kentucky board of tax appeals why his license should not be revoked~~]. Such licensee shall be notified by *certified or* registered letter or summons. The letter or summons shall apprise the licensee of the charge or charges made against him and he shall have a reasonable opportunity to be heard before his license may be revoked. The summons may be served in the same manner and by the same officers or persons as provided by the rules of civil procedure, or it may be served in said manner by an employe of the revenue cabinet. The hearing shall be set at least five (5) days after the summons is served or the letter delivered. Any aggrieved licensee may appeal from an order of revocation *by the revenue cabinet to* [~~of~~] the Kentucky board of tax appeals as provided by law, subject to the condition that the licensee has made bond sufficient in the opinion of the revenue cabinet to protect the Commonwealth from loss of revenue.

(2) The cabinet is hereby given the power to cancel the license upon request in writing from licensee such cancellation to become effective sixty (60) days from the date of receipt of the request. But no license shall be canceled upon the request of any licensee until and unless said licensee, prior to the date of such cancellation, pays to the state all excise taxes payable under the laws of the state together with any and all penalties and fines accruing by reason of any failure on the part of such licensee to make accurate reports as required or pay such taxes and penalties.

Section 15. KRS 138.341 is amended to read as follows:

(1) When *gasoline or special* [~~liquid~~] fuel on which the tax has been paid pursuant to the provisions of KRS 138.210 to 138.340 has been used for the purpose of operating any aircraft engaged in the transportation of persons or property, the purchaser of such liquid fuel so used shall be reimbursed to the extent of ninety-five percent (95%) of the tax paid. No tax shall be refunded except that paid upon such fuel used exclusively in such aircraft motors.

(2) No person shall be entitled to a refund hereunder unless he shall have first filed with the revenue cabinet a bond with approved surety in an amount of not less than one hundred dollars ($100) nor more than one thousand dollars ($1,000) to be determined by the revenue cabinet, conditioned upon faithful compliance with this section and KRS 138.342 and upon the payment to the Commonwealth of any refunds to which he was not entitled.

Section 16. KRS 138.342 is amended to read as follows:

(1) Applications for refund *pursuant to KRS 138.341* shall on or before the last day of each month be made to the revenue cabinet on forms and in the manner prescribed by it for the refund of tax paid on aviation motor fuel used during the preceding month. Each application for a refund shall show the number of gallons of aviation motor fuel purchased during the preceding month; the date and quantity of each purchase; the vendor from whom such fuel was purchased; the number of gallons on which refund is claimed; and such other information as the revenue cabinet may require.

(2) The revenue cabinet shall audit the application and make such other investigation as it deems necessary to determine whether it constitutes a proper claim. When the revenue cabinet is satisfied that a refund is proper it shall authorize ninety-five percent (95%) of the amount of the tax paid to be refunded as other refunds are made and the amount refunded shall be deducted from current *motor fuel* [~~gasoline~~] tax receipts.

(3) When the revenue cabinet finds that an application for a refund contains a false or fraudulent statement or that a refund has been fraudulently obtained, the revenue cabinet shall refuse to grant any refunds to the person making such false or fraudulent statement or fraudulently obtaining a refund for a period of two (2) years from the date of such finding.

Section 17. KRS 138.344 is amended to read as follows:

(1) *Except as otherwise provided in KRS 138.220 to 138.500,* any person who shall purchase gasoline *or special fuel,* on which the tax as imposed by KRS 138.220 has been paid, for the purpose of operating or propelling stationary [~~gasoline~~] engines or tractors for agricultural purposes, *or who shall purchase special fuels, on which the tax as imposed by KRS 138.220 has been paid, for consumption in unlicensed vehicles or equipment for nonhighway purposes* shall be reimbursed for the full amount of the tax so paid on such gasoline *or special fuel;* provided, however, that no refund shall be authorized unless applications therefor and all necessary information shall be filed *annually* with the revenue cabinet within ninety (90) days after the close of *the* [~~a~~] calendar year *or quarterly within thirty (30) days following the end of the calendar quarter* during or in which such purchases were made; [~~or at any time during the calendar year during or in which such purchase was made;~~] and further provided that no refund shall be authorized for *any individual purchase* [~~purchases~~] of less than fifty (50) gallons.

(2) The [~~only~~] information to be required from the permit holder, by the revenue cabinet, in order that such refund may be allowed, is as follows:

(a) Name and address of permit holder ________ permit number ________________.

(b) Total number of gallons purchased ____________ and total purchase price ____________. (Invoices to be attached to refund application.)

(c) Total number of gallons used [~~in tractors~~] on highways _________.

(d) Total number of gallons on which refund is claimed ____________. (Line b minus line c.)

(e) Such other information as the cabinet may require to reasonably protect the revenues of the Commonwealth.

Section 18. KRS 138.345 is amended to read as follows:

No person shall secure a refund of tax under KRS 138.344 unless such person is the holder of an unrevoked refund permit issued by the revenue cabinet before the purchase of the gasoline *or special fuel,* which permit shall entitle such person to make application for a refund under KRS *138.344* [~~138.343~~] to 138.355. To procure a permit every such person shall file with the cabinet an application under oath, on forms furnished by the cabinet, setting forth such information incident to the refunding of the tax paid on gasoline *or special fuel* as the cabinet may require. Such application shall be filed with the cabinet at least fifteen (15) days before the date when the permit is to become effective.

Shares of stock, notes, bonds, accounts, and other credits, whether secured by mortgage, pledge, or otherwise, or unsecured, and all interest in such property, unless otherwise provided by law, shall be listed, assessed, and valued as of the beginning of business on January 1 of each year. All other taxable property and all interest in other taxable property, unless otherwise specifically provided by law, shall be listed, assessed, and valued as of January 1, 1962, and January 1 of each year thereafter. It shall be the duty of all persons owning or having any interest in any real property [~~or tangible personal property~~] taxable in this state to list or have listed such property with the property valuation administrator of the county where it is located, between January 1 and March 1 in each year, except as otherwise provided by law. It shall be the duty of all persons owning or having any interest in any intangible personal property *or tangible personal property* taxable in this state to list or have listed such property with the property valuation administrator of the county of taxable situs or with the revenue cabinet between January 1 and April 15 in each year, except as otherwise prescribed by law. All persons in whose name property is properly assessed shall remain bound for the tax, notwithstanding they may have sold or parted with it.

(2) Any taxpayer who has a reasonable excuse for not listing his property before the property valuation administrator or his deputy may make the necessary report required by the schedule as to the value of his property and may then return the schedule to the property valuation administrator. This shall be a compliance with the law in his particular case.

(3) Real property or any interest therein shall be listed in the taxing district where it is located, by the owner of the first freehold estate therein, and it shall be assessed without reference to conflicting title.

If the owner fails to list the property, the property valuation administrator shall nevertheless assess it. The property valuation administrator may swear witnesses in order to ascertain the person in whose name to make the list.

(4) Real property shall be assessed in the name of the owner, if ascertainable by the property valuation administrator, otherwise in the name of the occupant, if ascertainable, and otherwise to "unknown owner." The undivided real estate of any deceased person may be assessed to the heirs or devisees of such person without designating them by name.

(5) Beginning in the year 1951, all real property exempt from taxation by section 170 of the Constitution shall be listed with the property valuation administrator in the same manner and at the same time as taxable real property. The property valuation administrator shall maintain an inventory record of such tax-exempt property, but such property shall not be placed on the tax rolls. A copy of this tax-exempt inventory shall be filed annually with the revenue cabinet within thirty (30) days of the close of the taxing period. This inventory shall be in the form prescribed by the revenue cabinet. The revenue cabinet shall make an annual report itemizing all exempt properties to the governor and the legislative research commission within sixty (60) days of the close of the taxing period.

Section 2. KRS 132.290 is amended to read as follows:

(2) All omitted property shall be assessed retroactively in the manner provided by law at any time within five (5) years from the date when it became omitted, but the lien thereby accruing on any such property, except real property, shall not prejudice the rights of bona fide purchasers acquired in the meantime.

(3) All omitted property voluntarily listed shall be subject to a penalty of ten percent (10%) of the amount of taxes, and interest at the tax interest rate as defined in KRS 131.010(6) from the date when the taxes would have become delinquent had the property been listed as required by law, until the date the tax bill is prepared in accordance with KRS 133.230.

(5) When the property is assessed retroactively by action prosecuted in the manner provided by KRS 132.330 and 132.340, an additional penalty of twenty percent (20%) of the amount of the original tax, interest and penalty *may* [~~shall~~] be collected for the purpose provided in KRS 134.400 and paid into the state treasury. All other penalties and interest shall be distributed in the same manner as the tax.

Section 3. KRS 132.310 is amended to read as follows:

(1) Any person who has failed to list for taxation any property omitted from assessment [~~consisting of real property or tangible personal property~~], except such as is subject to assessment by the revenue cabinet, may at any time list such property with the property valuation administrator. The property valuation administrator shall proceed to assess *any omitted real* [~~the~~] property and shall within ten (10) days from the date the *real* property was listed notify the taxpayer of the amount of the assessment. The notice shall be given as provided in KRS 132.450(4). *The revenue cabinet shall assess any omitted personal property and provide notice to the taxpayer in the manner provided in KRS 131.110.*

(2) The property valuation administrator may at any time list and assess any real [~~or tangible~~] property which may have been omitted from the regular assessment. Immediately upon listing and assessing omitted real [~~or tangible~~] property, the property valuation administrator shall notify the taxpayer of the amount of the assessment. The notice shall be given as provided in KRS 132.450(4).

(3) The notice to the taxpayer required by subsections (1) and (2) of this section shall specify a date and time at which the county board of assessment appeals will hear the taxpayer's protest of the omitted assessment. For purposes of hearing appeals from omitted assessments the county judge/executive shall notify the chairman of the board of assessment appeals of the date set for hearing and may authorize one member of the board to hear the appeal and issue a ruling of his decision on the assessment, which shall be appealable, to the Kentucky board of tax appeals as provided by KRS 131.340(2).

(4) Any property voluntarily listed as omitted property for taxation under this section shall be subject to penalties provided in KRS 132.290(3). Section 4. KRS 132.320 is amended to read as follows:

(1) Any person who has failed to list for taxation his intangible personal property *or tangible personal property,* in whole or in part, because he was not called upon by the property valuation administrator or for any other reason, may at any time[~~, and shall after the property valuation administrator has returned his books,~~] list the property with the cabinet by reporting to the cabinet the full details and a correct description of the omitted property and its value. The cabinet may determine and fix the fair cash value, estimated at the price it would bring at a fair voluntary sale, of the property so reported and listed for taxation.

(2) Any person dissatisfied with or aggrieved by the finding or ruling of the cabinet may appeal such finding or ruling in the manner provided in KRS 131.110.

(3) The cabinet shall prescribe, promulgate and provide such rules, regulations, form and records as it deems necessary and proper for the listing and assessment of the property so assessed or to be assessed for taxation. The tax so assessed shall be paid to and collected by the cabinet. *Taxes collected by the cabinet on behalf of the county, school, and other local taxing districts shall be distributed to each district no less often than quarterly.*

(4) All property assessed pursuant to this section shall be liable for the payment of the taxes, interest and penalties provided by law for failure to list the property with the property valuation administrator or other assessment board, commission or authority within the time and in the manner prescribed by law, except that if the taxpayer voluntarily lists property under this section the twenty percent (20%) penalty provided to be paid to the cabinet shall not apply, unless the taxpayer on an appeal from the action of the cabinet attempts to reduce the assessment and is unsuccessful.

(5) If after demand by the cabinet, any taxpayer refuses to voluntarily list any intangible *or tangible personal* property omitted from assessment, the cabinet shall make an estimate of the fair cash value of the omitted intangible *or tangible personal* property from such information in its possession and assess the property for taxation and require payment of the taxes, penalties and interest due to the state *and local taxing districts* from the person thus assessed. Notice of the assessment shall be mailed to the taxpayer or his agent. The finality and review of any assessment made pursuant to this section shall be governed by the provisions of KRS 131.110. Section 5. KRS 132.360 is amended to read as follows:

(1) Any assessment of accounts receivable, notes, stocks or bonds or other intangible *or tangible personal* property that were listed with the property valuation administrator *or with the revenue cabinet as provided by KRS 132.220* may be reopened by the revenue cabinet within five (5) years after the date as of which they were assessed, unless the assessed value thereof is the face value in the case of accounts receivable and notes or the quoted value in the case of stocks and bonds, or has been established by a court of competent jurisdiction. If upon reopening the assessment the cabinet finds that the assessment was less than the fair cash value and should be increased, it shall give notice thereof to the taxpayer, who may within thirty (30) days thereafter protest to the cabinet and offer evidence to show that no increase should be made. After

the cabinet has disposed of the protest, the taxpayer may appeal from any such additional assessment as provided by KRS 131.110 and 131.340.

(2) Upon such assessment becoming final the cabinet shall certify the amount due to the taxpayer. The tax bill shall be handled and collected as an omitted tax bill, and the additional tax shall be subject to the same penalties and interest as the tax on omitted property voluntarily listed.

Section 6. KRS 132.486 is amended to read as follows:

(1) The revenue cabinet shall develop and administer a centralized ad valorem assessment system for intangible personal property *and tangible personal property*. The revenue cabinet shall prescribe, promulgate and provide such rules, regulations, forms and records as it deems appropriate for the listing and assessment of [~~intangible~~] personal property.

(1) The county board of assessment appeals shall convene at the county seat on the *third* [~~second~~] Monday in *May* [~~June~~] in each year; except that no meeting shall be held until the tax roll has been completed and the inspection period has been held as provided by law, or until revaluation of the property has been completed by the property valuation administrator at the direction of the revenue cabinet as provided by KRS 132.690 or by the cabinet itself as provided by KRS 133.150. All records of the property valuation administrator, including all data concerning property sales within the preceding year, shall be available to the board while meeting.

(3) The board of assessment appeals shall continue in session only such time as is necessary to hear appeals. The board shall not continue in session more than one (1) day if there are no appeals to be heard nor more than five (5) days after it convenes in each year, unless an extension of time is authorized by the revenue cabinet upon request of the county judge/executive. Each board member shall be paid not less than ten (10) nor more than twenty-five dollars ($25) for each day he serves, the amount to be fixed by order of the fiscal court annually prior to May 1. Within *fifteen (15)* [~~thirty (30)~~] calendar days after receiving the recapitulation the revenue cabinet shall direct the property valuation administrator to make any changes that are necessary to correct the assessment. The revenue cabinet shall preserve all recapitulations and schedules or a photographic facsimile thereof for a period of seven (7) years from the assessment date.

notice in the manner required by subsection (4) of KRS 132.450, specifying a date when the board will hear the taxpayer, if he so desires, in protest of such increase. Any *real* property owner who has listed his property with the property valuation administrator at its fair cash value, likewise may ask the county board of assessment appeals to review the assessments of *real* properties he believes to be assessed at less than fair cash value, providing, he specifies, in writing the individual properties for which the review is sought and factual information upon which his request is based; such as, comparable sales or cost data. Nothing in this section shall be construed as granting any property owner the right to request a blanket review of properties or the board the power to conduct such a review.

(2) The board of assessment appeals shall hold a public hearing for each individual taxpayer appeal in protest of the assessment by the property valuation administrator filed in accordance with the provisions of subsection (1) of this section, and after hearing all the evidence, shall fix the assessment of the property at its fair cash value. The board shall report to the property valuation administrator any *real* property omitted from the tax roll. The property valuation administrator shall assess such property and immediately give notice to the taxpayer in the manner required by KRS 132.450(4), specifying a date when the board of assessment appeals will hear the taxpayer, if he so desires, in protest of the action of the property valuation administrator.

(4) The powers of the board of assessment appeals shall be limited to those specifically granted by this section.

(5) No appeal under this section shall delay the collection or payment of any taxes based upon the assessment in controversy. The taxpayer shall pay all state, county and district taxes due on the valuation which he claims as true value and stated in the petition of appeal filed in accordance with the provisions of subsection (1) of this section. When the valuation is finally determined upon appeal, the court or the Kentucky board of tax appeals shall certify the valuation to the county clerk and the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6) from the date when the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to such tax bill.

An accurate record of the proceedings and orders of the board and of each of its authorized panels shall be kept and shall show the name of the owner of the property, the description, the type of property, the amount of the assessment the property valuation administrator placed on the property, and the amount of change made in the assessment by the board. A copy certified by the chairman of the board and attested by the county clerk shall be filed by the clerk with the property valuation administrator and with the revenue cabinet within five (5) days after the adjournment of the board.

(2) After receipt of the clerk's certification of the action of the board of assessment appeals, the property valuation administrator shall complete his rolls by adding to them all listings and assessments which he may have made after the rolls were open for inspection as provided in KRS 133.045 and making all adjustments ordered by the board, and he shall turn the rolls over to the clerk within ten (10) days after the board adjourns. Whereupon the clerk shall make a recapitulation of the assessment by taxing districts and types of property and shall submit such recapitulation to the revenue cabinet not later than June *15* [~~20~~] unless the time is extended by the cabinet.

(3) The county clerk shall certify to the county judge/executive the number of days during which the board was in session, and the court shall enter this fact of record along with the amount due the board members

(4) The county clerk and any authorized deputies serving as clerk of the board or a panel thereof shall be allowed the same compensation per day for their services as is allowed to members of the board of their county, and they shall be paid in the same manner as members of the board are paid. The county clerk and his authorized deputies shall be allowed compensation for completing and filing the record of the board and for preparing the recapitulation in the same manner as allowed for their services while acting as clerk of the board or clerk of a panel of the board.

If coal which has been severed outside this state is purchased by a processor, he shall acquire a statement in such form as the cabinet may prescribe from the person severing the coal outside this state.

(2) A deduction for purchased coal shall not be allowed for purchases of coal originating from persons severing coal in this state who are not registered to report and pay the tax due under this chapter or for purchases of coal which cannot be traced to a person who severed the coal outside this state.

Section 2. KRS 143.010 is amended to read as follows:

As used in this chapter unless the context requires otherwise:

(1) "Cabinet" means "revenue cabinet."

(2) "Coal" means and includes any material composed predominantly of hydrocarbons in a solid state.

(3) "Severed," "severing," or "severance" means the physical removal of coal from the earth in this state.

(4) "Ton" means a short ton of 2,000 pounds. The number of tons shall be determined at the first point at which the coal is weighed.

(5) "Taxpayer" shall mean and include any individual, partnership, joint venture, association, or corporation engaged in severing and/or processing coal in this state. In instances where contracts, either oral or written, are entered into whereby persons, organizations, or businesses are engaged to mine or process the coal but do not obtain title to or do not have an economic interest therein, the party who owns the coal or has an economic interest is the taxpayer.

(6) "Gross value" is synonymous with gross income from property as defined in section 613 (c) of the internal revenue code and regulations 1.613-3 and 1.613-4 in effect on December 31, 1977, with the exception that in all instances transportation expense (whether or not by common carrier) incurred in transporting coal shall not be considered as gross income from the property. Gross value is to be reported as follows:

(a) For coal severed and/or processed and sold during a reporting period, gross value is the amount received or receivable by the taxpayer.

(b) For coal severed and/or processed, but not sold during a reporting period, gross value shall be determined as follows:

1. If the coal is to be sold under the terms of an existing contract, the contract price shall be used in computing gross value.

2. If there is no existing contract, the fair market value for that grade and quality of coal shall be used in computing gross value.

(c) In a transaction involving related parties, gross value shall not be less than the fair market value for coal of similar grade and quality.

(d) In the absence of a sale, gross value shall be the fair market value for coal of similar grade and quality.

(e) If severed coal is purchased for the purpose of processing and resale, the gross value is the amount received or receivable during the reporting period reduced by the amount paid or payable to the *registered* taxpayer actually severing the coal.

(f) If severed coal is purchased for the purpose of processing and consumption, the gross value is the fair market value of processed coal of similar grade and quality reduced by the amount paid or payable to the *registered* taxpayer actually severing the coal.

(g) In all instances, the gross value shall not be reduced by any taxes including the tax levied by KRS 143.020, royalties, sales commissions, or any other expense.

(7) "Reporting period" means the period for which each taxpayer must compute his tax liability and remit the tax due to the cabinet. The reporting period shall be monthly. However, the cabinet may, under certain conditions, authorize a quarterly reporting period.

(8) "Processing" includes cleaning, breaking, sizing, dust allaying, treating to prevent freezing, or loading for shipment. "Processing" does not include:

Control exists if a contract or lease, either written or oral, is entered into whereby one party mines or processes coal owned or held by another party and the owner or lessor participates in the mining, processing, or marketing of the coal or receives any value other than an arm's length passive royalty interest. In the case of related parties, the cabinet may apportion or allocate the receipts between or among such persons, organizations, or businesses if it determines that such apportionment or allocation is necessary in order to more clearly reflect gross value.

The terms of office of the first board of directors shall be two (2), three (3) and four (4) years, respectively, from the date of their appointment, the length of the term of office of each member to be determined by lot at their first meeting, but the individual holding such office shall do so at the pleasure of the county judge/executive by whom he is appointed, and he may be removed *without cause, with the approval of the respective fiscal court,* by the county judge/executive by whom he was appointed and his unexpired term filled by another appointee of such county judge/executive. After the expiration of the respective terms of office of the first board, each director shall be appointed for a term of four (4) years, subject to the will of the county judge/executive making the appointment. Section 3. KRS 220.536 is amended to read as follows:

(1) When a petition for annexation of territory to a district is filed with the commissioner, he shall investigate at once the boundary of the territory proposed to be annexed, and may, at the cost of the district, cause to be made surveys necessary to establish with reasonable accuracy a boundary that will, in his judgment, accomplish the purpose sought by annexation of the territory in a practicable and workable manner, and that will be sufficiently comprehensive to avoid confusion or interference with any other similar district then existing or that may be created. The boundary established by the commissioner need not follow the boundary proposed by the district.

(2) Should it be found desirable to include in the territory to be annexed by a district all or a portion of a city of the second, third, fourth, fifth or sixth class, the governing body of such city shall determine by ordinance whether the city or portion thereof shall be included in the district, or whether the city shall bind itself to pay the charges for the services of the district furnished in such area.

(3) When the boundaries of the territory proposed to be annexed have been fixed by the commissioner as prescribed in subsection (1) of this section, he shall give notice of the application for annexation of the territory by publication pursuant to KRS chapter 424.

(4) If a multicounty district proposes to annex the unincorporated territory of another contiguous county, and the fiscal court of the contiguous county expresses by resolution its approval of the annexation, then the commission shall accept the boundaries of the proposed annexation.

Section 4. KRS 220.537 is amended to read as follows:

Owners [~~Any owner~~] of real property in the territory proposed to be annexed who *wish* [~~wishes~~] to object to the annexation of the territory to the district shall, within *thirty (30)* [~~sixty (60)~~] days after the giving of notice by the commissioner, file *a* [~~his~~] petition, *signed by twenty-five percent (25%) of the freeholders in the territory proposed to be annexed,* in the circuit court of the county in which the larger part of the territory proposed to be annexed is located, naming the commissioner, *or in the case of annexation pursuant to KRS 220.536(4) naming the district, as* defendant and setting out in *the* [~~his~~] petition *their* [~~his~~] objections to the annexation of the territory. The commissioner *or district* shall be represented in the circuit court by the county attorney and in the Court of Appeals by the attorney general, and he also may require his defense to be made by the district. The issues may be made up and the case may be docketed for hearing as in an action for a declaration of rights. The burden of proof shall be upon the *plaintiffs* [~~plaintiff~~] to show cause why the territory, or any portion of it, should not be annexed to the district. If the court renders judgment against the commissioner *or district,* the judgment shall point out the changes required for annexation of the territory, which, if met by the commissioner *or district,* shall authorize annexation of the territory. If the proposed changes are not met by the commissioner *or district,* the territory shall not be annexed unless new proceedings are instituted in the manner prescribed by KRS 220.535 and 220.536, but such new proceedings shall not be instituted for a period of six (6) months after the date of judgment. If the court gives judgment against the *plaintiffs* [~~plaintiff~~], the board of directors may annex the territory. An appeal shall suspend the judgment until the case has been passed upon by the Court of Appeals and final judgment rendered. Either the *plaintiffs* [~~plaintiff~~] or the commissioner *or district* may appeal from the judgment of the circuit court to the Court of Appeals, but the commissioner *or district* shall not be required to make any appeal bond. Except as otherwise provided in this section, the pleading and practice shall be the same as in other suits in equity.

Section 5. KRS 220.110 is amended to read as follows:

The commissioner shall certify his act to the county clerk of each county in which any part of the district is located, and to the secretary of state, each of whom shall record the certificate as articles of incorporation. The commissioner shall also certify his act to the

county judge/executive of each county in which any part of the district is located. Section 17. KRS 610.050 is amended to read as follows:

If it appears to the court, by affidavit or by sworn testimony, that the child is a danger to himself or the community, or is in such condition or surroundings that his welfare is being harmed or threatened with harm to such a degree that his best interest requires that his custody be immediately changed by the court from the original custodian to another, the judge may sign an order giving temporary custody of the child to a suitable custodian. As a part of such order, the court may direct that the child shall be taken into custody by the peace officer serving the summons or by any other peace officer and placed as directed by the court. Section 25. KRS 610.170 is amended to read as follows:

If it appears from the investigation required in KRS 610.100 or otherwise that the parent or other person exercising custodial control or supervision of any child, or the estate of any child, who has been found to fall within the purview of KRS Chapters 600 to 645 and who has been left in his own home or in the home of a relative, placed on probation or placed in a foster home or boarding home, or in the care of a public or private *facility* [~~institution~~] or agency, or the cabinet, is able to contribute to the support of the child, the court shall, *if a petition has been filed,* enter an order requiring the parent or estate to pay a reasonable sum for the support, maintenance or education of the child. The order shall direct that the money be paid to the circuit clerk to be disbursed as ordered by the court or be paid to the person, *facility* [~~institution~~], agency or *cabinet* [~~department~~] to which the child was committed or probated. On application and on such notice as the court may direct, the court may make alterations in the requirement for contribution. The court may issue such orders necessary to compel payment of the sum due. The enforcement of a sentence imposed on a parent who fails to comply with the order of the court may be suspended at the discretion of the court, but the suspension may be revoked at the discretion of the court upon the failure of the parent to obey further orders of the court.

Section 26. KRS 610.180 is amended to read as follows:

A parent or other person exercising custodial control or supervision of a child is charged with the control of such child and shall have the power to exercise parental control and authority over such child. In any case where a child is *adjudicated a public offender* [~~found delinquent~~] and placed on probation, if the court finds at the hearing that the person having custody of such child has failed or neglected to subject him to reasonable parental control and authority, and that such failure or neglect is the proximate cause of the act or acts of the child upon which the *adjudication* [~~finding of delinquency~~] is based, the court may require such parent to enter into a recognizance with sufficient surety, in an amount of not more than five hundred dollars ($500), conditioned upon the faithful discharge of the conditions of probation of such child. If the child thereafter commits a second act and is by reason thereof *adjudicated a public offender* [~~found delinquent~~], or violates the conditions of probation, and the court finds at the hearing that the failure or neglect of such parent to subject him to reasonable parental control and authority or to faithfully discharge the conditions of probation of such child on the part of such parent, is the proximate cause of the act of the child upon which such second finding [~~of delinquency~~] is based, or upon which such child is found to have violated the conditions of his probation, the court may declare all or a part of the recognizance forfeited and the amount of such forfeited recognizance shall be applied in payment of any damages which may have been caused by such child, if there be such damages, otherwise, the proceeds therefrom, or part remaining after the payment of damages as aforesaid, shall be retained by the court to apply to any future damages resulting from the act or acts of said child before he reaches his eighteenth [~~(18th)~~] birthday, at which date the remaining proceeds shall be returned to the parent or guardian. The provisions of this section as it relates to failure or neglect of parents to subject a child to reasonable parental control and authority shall be in addition to and not in substitution for any other sections of *KRS Chapters 600 to 645* [~~this chapter~~] relating to failure or neglect to exercise such parental control or authority. The provisions of this section shall not apply to foster parents.

Section 27. KRS 610.190 is amended to read as follows:

(1) The law relating to the persons by whom and the circumstances under which a person may be arrested for a public offense shall be applicable to children, but the taking of a child into custody under such law shall not be termed an arrest. The law relating to bail shall not be applicable to children detained in accordance with this chapter.

(2) Unless the nature of the offense or other circumstances are such as to indicate the necessity of *retaining* [~~keeping~~] the child in [~~secure~~] custody, the officer shall release the child to the custody of his parent *or if the child is committed, the cabinet; or if the parent is not available, then a relative, guardian, person exercising custodial control or supervision* or other responsible *person* [~~adult~~] upon the written promise, signed by such person, to bring the child to the court at a stated time or at such time as the court may order. The written promise, accompanied by a written report by the officer, shall be submitted *forthwith* to the court *or court designated worker and shall detail the reasons for having taken custody of the child, the release of the child, the person to whom the child was released, and the reasons for the release* [~~forthwith~~].

(3) If the person fails to produce the child as agreed or upon notice from the court, a *summons* [~~petition~~], warrant, or *custody order* [~~both~~] may be issued for the apprehension of the person or of the child, or both.

(4) The release of a child pursuant to this section shall not preclude a peace officer from proceeding with a complaint against a child or any other person.

Nothing herein shall limit liability for negligence.

Section 46. KRS 620.060 is amended to read as follows:

(1) The court for the county where the child is present may issue an ex parte emergency custody order when it appears to the court that there are reasonable grounds to believe, as supported by affidavit or by recorded sworn testimony, that the child will be dependent, neglected or abused if returned[~~,~~] to[~~,~~] or left in the custody of, his parent or other person exercising custodial control or supervision. Custody may be placed with a relative taking into account the wishes of the custodial parent or any other appropriate person or agency including the cabinet

(2) [~~A finding of jurisdiction under this chapter shall not necessarily preclude a finding of jurisdiction under KRS Chapter 625, 630, or 635; however, jurisdiction under this chapter shall take precedence. No child shall be released from the jurisdiction of the court under this chapter if concurrent complaints under KRS Chapter 630 or 635 are pending.~~

~~(3)~~] An emergency custody order shall be effective no longer than seventy-two (72) hours, exclusive of weekends and holidays, unless there is a temporary removal hearing with oral or other notice to the county attorney and the parent or other person exercising custodial control or supervision of the child, to determine if the child should be held for a longer period. The seventy-two (72) hour period also may be extended or delayed upon the waiver or request of the child's parent or other person exercising custodial control or supervision.

(3)[~~(4)~~] Any person authorized to serve process shall serve the parent or other person exercising custodial control or supervision with a copy of the emergency custody order. If such person cannot be found, the sheriff shall make a good faith effort to notify the nearest known relative, neighbor, or other person familiar with the child.

(4)[~~(5)~~] Within *seventy-two (72)* [~~twenty-four (24)~~] hours of the [~~issuance of an emergency custody order or the~~] taking of a child into custody without the consent of his parent or other person exercising custodial control or supervision, a *petition* [~~complaint~~] shall be filed pursuant to this chapter.

(5)[~~(6)~~] Nothing herein shall preclude the issuance of arrest warrants pursuant to the Rules of Criminal Procedure.

Section 47. KRS 620.070 is amended to read as follows:

(1) A dependency, neglect or abuse action may be commenced by the filing of a *petition* [~~complaint~~] by any interested person in the juvenile session of the district court.

(2) After a *petition* [~~complaint~~] has been filed, the clerk of the court shall issue and the sheriff or other authorized agent shall serve a copy of the *petition* [~~complaint~~] and a summons to the parent or other person exercising custodial control or supervision, unless their identity or location is unknown, in which case the petition and summons shall be *served on* [~~issued to~~] the nearest known adult relative.

(3) The summons shall include an explanation of the importance of the *petition* [~~complaint~~] and an

explanation of the rights of the parent or other person exercising custodial control in any subsequent proceedings. The summons shall emphasize the importance of immediately contacting the court about legal representation and to be advised of the date, time and place when the parent or other person exercising custodial control or supervision is to appear before the court.

Section 48. KRS 620.080 is amended to read as follows:

(1) Unless waived by the child and his parent or other person exercising custodial control or supervision, a temporary removal hearing shall be held:

(a) Within seventy-two (72) hours, excluding weekends and holidays, of the time when an emergency custody order is issued or when a child is taken into custody without the consent of his parent or other person exercising custodial control or supervision; and

(b) In cases commenced by the filing of a *petition* [~~complaint~~], within ten (10) days of the date of filing.

(2) At a temporary removal hearing, the court shall determine whether there are reasonable grounds to believe that the child would be dependent, neglected or abused if returned to or left in the custody of his parent or other person exercising custodial control or supervision even though it is not proved conclusively who has perpetrated the dependency, neglect or abuse. For good cause, the court may allow hearsay evidence. The Commonwealth shall bear the burden of proof by a preponderance of the evidence and if the Commonwealth should fail to establish same, the child shall be released to or retained in the custody of his parent or other person exercising custodial control or supervision.

Section 49. KRS 620.090 is amended to read as follows:

(1) If, after completion of the temporary removal hearing, the court finds there are reasonable grounds to believe the child is dependent, neglected or abused, the court shall issue an order for temporary removal and shall grant temporary custody to the cabinet or other appropriate person or agency. *Preference shall be given to available and qualified relatives of the child considering the wishes of the parent or other person exercising custodial control or supervision if known.* The order shall state the specific reasons for removal and show that alternative less restrictive placements and services have been considered. The court may recommend a placement for the child.

(2) In placing a child *under an order of* [~~following a~~] temporary *custody* [~~removal~~], the cabinet or its designee shall use the least restrictive appropriate placement available. Preference shall be given to available and qualified relatives of the child considering the wishes of the parent or other person exercising custodial control or supervision if known. The child may also be placed in a facility or program operated or approved by the cabinet, including a foster home,[~~;~~] or any other appropriate available placement.

(3) If the court finds there are not reasonable grounds to believe the child is dependent, neglected or abused, or if no action is taken within seventy-two (72) hours, the emergency custody order shall be dissolved automatically and the cabinet or its designee shall return the child to the parent or other person exercising custodial control or supervision. A request for a continuance of the hearing by the parent or other person exercising custodial control or supervision shall constitute action precluding automatic dissolution of the emergency custody order.

(4) When the court issues a temporary order for the custody of a child, the court may *order that, within two (2) weeks, arrangements be made for the* [~~cause a~~] child to receive a thorough medical, visual, and dental examination[~~, within two (2) weeks~~] by a professional authorized by the Kentucky Revised Statutes to conduct such examinations. The costs of the examination shall be paid by the cabinet.

(5) *The child shall remain in temporary custody with the cabinet for a period of time not to exceed forty-five (45) days from the date of the removal from his home. The court shall conduct the adjudicatory hearing and shall make a final disposition within forty-five (45) days of the removal of the child. The court may extend such time after making written findings establishing the need for the extension and after finding that the extension is in the child's best interest* [~~No temporary custody order shall be effective for more than twenty-one (21) days unless an adjudicatory hearing on the merits of the case is begun within the twenty-one (21) day period. The twenty-one (21) day period may be waived by the parent or other person exercising custodial control or supervision of the child or their attorney or the attorney for the child~~].

Section 50. KRS 620.100 is amended to read as follows:

(1) If the court determines, as a result of a temporary removal hearing, that further proceedings are required, the court shall advise the child and his parent or other person exercising custodial control or supervision of their right to appointment of separate counsel:

(a) The court shall appoint [~~local~~] private counsel for the child to be paid for by the cabinet for finance and administration. *The clerk of the court shall arrange for service on all parties, including the local representative of the cabinet for human resources, of the order appointing counsel.* The fee to be fixed by the court, shall not exceed five hundred dollars ($500) provided, however, if the action has final disposition in the district court, the fee shall not exceed two hundred fifty dollars ($250);

(b) The court shall appoint separate counsel for the parent who exercises custodial control or supervision[~~,~~] if the parent is unable to afford counsel pursuant to KRS Chapter 31. *The clerk of the court shall arrange for service on all parties, including the local representative of the cabinet for human resources, of the order appointing counsel.* The parent's counsel shall be provided by, or paid for, by the cabinet for finance and administration. The fee to be fixed by the court, shall not exceed five hundred dollars ($500) provided, however, if the action has final disposition in the district court, the fee shall not exceed two hundred fifty dollars ($250); and

(c) The court may, in the interest of justice, appoint separate counsel for a non-parent who exercises custodial control or supervision of the child, if such person is unable to afford counsel, pursuant to KRS Chapter 31. *The clerk of the court shall arrange for service on all parties, including the local representative of the cabinet for human resources, of the order appointing counsel.* Counsel for such person shall be provided by, or paid for, by the finance and administration cabinet. The fee to be fixed by the court, shall not exceed five hundred dollars ($500) provided, however, if the action has final disposition in the district court, the fee shall not exceed two hundred fifty dollars ($250).

(2) If the court determines that further proceedings are required, the court also shall advise the child and his parent or other person exercising custodial control or supervision that they have a right to not incriminate themselves, and a right to a full adjudicatory hearing at which they may confront and cross-examine all adverse witnesses, present evidence on their own behalf and to an appeal. [~~The full adjudicatory hearing shall be held within twenty-one (21) days of the temporary custody order unless the parent or other person exercising custodial control or supervision specifically waives the twenty-one (21) day limit.~~]

(3) The adjudication shall determine the truth or falsity of the allegations in the complaint. The burden of proof shall be upon the complainant, and a determination of dependency, neglect and abuse shall be made by a preponderance of the evidence. The Kentucky Rules of Civil Procedure shall apply.

(4) The disposition shall determine the action to be taken by the court on behalf of the child and his parent or other person exercising custodial control or supervision.

Section 51. KRS 620.140 is amended to read as follows:

(1) In determining the disposition of all cases brought on behalf of dependent, neglected or abused children, the juvenile session of the district court, in the best interest of the child, shall have, but shall not be limited to, the following dispositional alternatives:

(a)[~~(1)~~] Informal adjustment of the case;

(b)[~~(2)~~] Protective orders, such as the following:

1.[~~(a)~~] Requiring the parent or any other person to abstain from any conduct abusing, neglecting or making the child dependent;

3.[~~(c)~~] Orders authorized by KRS 403.740 and 403.750.

(c)[~~(3)~~] Removal of the child to the custody of an adult relative, other person, or *child-caring* [~~child caring or placing~~] facility *or child-placing agency,* taking into consideration the wishes of the parent or other person exercising custodial control or supervision. Before any child is committed to the cabinet or placed out of his home under the supervision of the cabinet, the court shall determine that reasonable efforts have been made by the court or the cabinet to prevent or eliminate the need for removal and that continuation in the home would be contrary to the welfare of the child.

(d)[~~(4)~~] Commitment of the child to the custody of the cabinet for placement for an indeterminate period of time not to exceed his attainment of the age eighteen (18). The court, in its discretion, upon motion of the child *and with the concurrence of the cabinet,* may authorize an extension of commitment up to age twenty-one (21) for the purpose of the child's participating in state or federal educational programs *or to permit the cabinet to assist the child in establishing independent living arrangements.*

(2) An order of temporary custody to the cabinet shall not be considered as a permissible dispositional alternative.

SECTION 52. A NEW SECTION OF KRS 620.150 TO 620.160 IS CREATED TO READ AS FOLLOWS:

Any party aggrieved by a proceeding under KRS 610.010(1)(e), may appeal from the juvenile court to the circuit court as a matter of right in the manner provided in the Kentucky Rules of Civil Procedure. The circuit court may order that the child may be removed to a suitable place, pending the appeal, if it appears by affidavit or sworn testimony that the child would be in imminent danger if left with or returned to his parents, guardian, or other person party to the appeal.

Section 53. KRS 620.160 is amended to read as follows:

Upon attaining majority [~~or becoming emancipated~~], a *person who was the subject of an action under this chapter* [~~child~~] may make a motion for the sealing of records relating to a *petition* [~~complaint~~] filed under this chapter. (1) The cabinet may accept custody of a child who is voluntarily committed to the cabinet by the child's parent, *guardian or other person having legal custody.* However, the cabinet shall refuse to accept any child on a voluntary commitment unless adequate facilities, funds, and resources are available to care for the child, and the secretary finds that commitment would be in the best interest of the child.

(2) As a condition of any voluntary commitment, the cabinet may enter into an agreement with the parent, *guardian or other person having legal custody* [~~or person exercising custodial control or supervision~~] of the child consenting to the commitment to pay an agreed sum for the care and treatment of the child. The sum shall be determined by the needs of the child and by the ability of the parent, *guardian or other person having legal custody* [~~or other person exercising custodial control or supervision~~] to pay.

(3) In the case of voluntary commitment, the cabinet may expend funds necessary to give the child all services available to any committed child including, but not limited to, diagnosis, treatment, foster care, day care, [~~institutional~~] care and treatment *in a facility,* and necessary medical, psychological and psychiatric care.

(4) Any person who has consented to a child's voluntary commitment may request the release of the child in writing addressed to the cabinet. (5) If, following a hearing on the matter, the court determines that the child can no longer benefit from those services offered by the cabinet, or that the parent, *guardian or other person having legal custody of the child* [~~or person exercising custodial control or supervision~~] is capable of providing proper care, the child may be returned at once to the care of his parent, *guardian or other person having legal custody of the child* [~~or other person exercising custodial control or supervision,~~] or to *another* [~~a third~~] person mutually agreed upon.

Section 55. KRS 620.180 is amended to read as follows:

(1) In each district court, the court designated worker shall receive complaints alleging that a public offense has been committed. All cases governed by KRS Chapter 640 shall be set for arraignment. All other public offenses shall be proceeded against in accordance with the following:

(a) The county attorney shall cause a review to be made of each complaint. The purpose of this review shall be to determine from the available evidence whether there are reasonable grounds to believe that the alleged facts would constitute a public offense and are sufficiently serious to warrant court action. The county attorney may elect not to proceed with the complaint and shall *dismiss* [~~retire~~] the complaint;

(b) In the event the county attorney elects to proceed, the court-designated worker shall make a preliminary determination as to whether the complaint is complete, consulting with the county attorney [~~or designee~~] as may be necessary. In any case where the court-designated worker finds that the complaint is incomplete, the court-designated worker shall return the complaint without delay to the person or agency originating the complaint or having knowledge of the facts, or to the appropriate law enforcement agency having investigative jurisdiction of the offense, and request, and the complainant shall promptly thereafter furnish, additional information in order to complete the complaint. If the court-designated worker determines that the complaint is complete, he shall conduct a preliminary intake inquiry concerning such complaint to determine whether in the interest of justice the complaint can be resolved informally without the filing of a petition. The court-designated worker may recommend that a petition be filed. Prior to conducting a preliminary intake inquiry, the court-designated worker shall notify the child and the child's parent, guardian or other person exercising custodial control or supervision of the child in writing:

1. Of their opportunity to be present at the preliminary intake inquiry;

2. Of their right to have counsel present during the preliminary intake inquiry as well as the formal conference thereafter;

3. That their participation in the preliminary intake inquiry or any resulting plan of diversion is voluntary;

4. That all information *supplied* [~~gained~~] by *the child to a court designated worker during any process prior to the filing of the petition shall be deemed confidential and shall not be subject to subpoena or to disclosure without the written* [~~virtue of participation in the preliminary intake inquiry is privileged and that said privilege can be waived only with the~~] consent of the child; and

5. That the child has the right to deny the charge and demand a formal court hearing;

(c) Upon the completion of the preliminary intake inquiry, the court-designated worker shall conduct a formal conference at which time he shall present information obtained at the preliminary intake inquiry to the child and the child's parents or other person exercising custodial control or supervision. The court-designated worker shall set forth in writing alternative referral programs available to the child and the criteria the court-designated worker used to determine whether to proceed with a diversionary agreement or whether to refer the matter for the filing of a public offense petition. If the court-designated worker determines that, in his judgment, the interests of the child and the public will be thereby best served, he may recommend that a public offense petition not be filed. If such a recommendation is made, the court-designated worker shall advise in writing the complainant, the victim if any, and the law enforcement agency having investigative jurisdiction of the offense of the recommendation and the reasons therefor and that the complainant, *victim, or law enforcement agency* may submit within ten (10) days from receipt of such notice a complaint to the county attorney [~~or designee~~] for special review;

(d) The county attorney [~~or designee~~] upon receipt of a request for special review shall consider the facts presented by the complainant and by the court-designated worker who made the recommendation that no petition be filed, before *the* [~~such~~] county attorney [~~or designee~~] makes a final decision as to whether a public offense petition shall or shall not be filed. In all cases in which the child is alleged to have committed a *public offense* [~~delinquent act~~] and is not detained, the court-designated worker shall submit his written recommendation to the county attorney or designee within twenty (20) days, exclusive of weekends and holidays, from the date the child was taken into custody or the complaint was filed. In cases where the child is *detained* [~~in detention~~], the court-designated worker's report shall be submitted within seventy-two (72) hours of the *time the child is ordered detained* [~~detention~~];

(e) In cases where the court-designated worker has recommended that a public offense petition not be filed and the complainant or victim, if any, or law enforcement agency having investigative jurisdiction of the offense has not called for a special review, said worker and the child may enter into a diversionary agreement. Such agreement may include the following: an informal plan of services provided by the court or its staff; referral of the child to a public or private organization, agency or person to assist the child and the child's family to resolve the problems presented in the complaint; referral to a community service program in accordance with the provisions of subsection (1) of KRS 635.080; restitution, limited to the amount of actual property or pecuniary loss incurred by the victim, provided that the youth has the means or could acquire the means to make restitution; other such programs or efforts which might reasonably benefit the community and the child. In assessing periods of community service to be performed and restitution to be paid by the youth who has entered into a diversion agreement, the court-designated worker shall to the extent possible involve members of the community. Such members of the community shall meet with the youth and advise the court-designated worker as to the terms of the diversionary agreement and shall supervise the youth in carrying out its terms. The diversionary agreement shall not cover a period in excess of six (6) months;

(f) If the terms of the agreement are successfully completed, the court-designated worker shall *dispose of* [~~retire~~] the complaint, the charges shall be considered dismissed and further prosecution is prohibited. In the event the child fails to comply with the terms of the agreement, the court-designated worker shall provide ten (10) days' written notice to the child and the child's parent or other person exercising custodial control or supervision and counsel of his intent to file a public offense petition based upon the original complaint, whereupon the court-designated worker shall meet and confer with the child and the child's parent or other person exercising custodial control and supervision and counsel to consider from the child's viewpoint why a petition should not be filed; and

(g) In the event that a complaint is not *disposed of* [~~retired~~] as a result of an agreement or in the event that the child fails to comply with the terms of an agreement and a petition is filed, the court shall proceed with the petition in accordance with the provisions of KRS Chapter 610 as if the agreement had never been formulated. In the event that *a* petition is filed based upon the court-designated worker's determination that the child has failed to comply with the terms of an agreement, the child may upon arraignment of said petition move for dismissal of the petition on the basis that the agreement was substantially complied with; and

(2) In the event a public offense petition is filed, it shall be verified by information and belief and contain the information listed in KRS 610.020.

Section 95. KRS 635.020 is amended to read as follows:

(2) Upon the written refusal of an involuntary patient to participate in any or all aspects of his treatment plan, the review committee shall examine the appropriateness of the patient's individual treatment plan. After a patient refuses to participate in his treatment plan and until his disagreement with the plan has been resolved, the hospital may administer only that treatment which the treating physician determines is necessary to protect the patient from harming himself or others. Within three (3) days, exclusive of weekends and holidays, of the refusal, the review committee shall meet with the patient and his counsel or court designated worker to discuss their recommendations.

(3) If the patient still refuses to participate in any or all aspects of his individual treatment plan, the hospital may petition the district court for a de novo determination of the appropriateness of the proposed treatment. Within seven (7) days *of the filing of the hospital's petition*, excluding weekends and holidays, the court shall conduct a hearing, consistent with the patient's right to due process of law, and shall *consider all* [~~utilize the following~~] factors in reaching its determination, *including but not limited to:*

(2) A hearing to determine the necessity for continued hospitalization shall be held within seven (7) days of the court's receipt of the notice of the contest. If the court concludes that the child does not meet the criteria set out in KRS 645.090, the court may order the child discharged[~~, may commit the child to the cabinet,~~] or may enter an emergency custody order *for purposes of proceeding under other provisions of KRS Chapter 600 to 645* to secure proper care for the child. (b) Placed in the home of his parents, or in a suitable foster home, family home or boarding home, upon such conditions as the cabinet may prescribe and subject to visitation and supervision by a family service worker. *At the time a committed child is placed in the home of his parents by the cabinet, the parents shall be informed in writing of the conditions of the placement and the criteria that will be used to determine whether removal is necessary;*

(c) Placed in one (1) of the facilities or programs operated by the cabinet, except that no child committed under the provisions of KRS 610.010(1)(b), (c) or (d) or any child ten (10) years of age or under shall be placed in an institution operated by the cabinet for children committed to the cabinet as delinquents;

(2) *If a child committed to the cabinet as dependent, neglected or abused is placed in the home of his parents, the child shall not be removed except in accordance with the following standards and procedures:*

(a) If the family service worker believes that the committed child continues to be dependent, neglected or abused, but immediate removal is unnecessary to protect the child from imminent death or serious injury, the casework situation and evidence shall be reviewed with his supervisor to determine whether to continue work with the family intact or to remove the child. There shall be documentation that the family service worker, prior to the court hearing, made an effort to contact the parents to inform them of the specific problems that could lead to removal so they have an opportunity to take corrective action. If the parents are unavailable or do not respond to attempts to communicate the specific circumstances shall be documented;

(b) If it appears that the child's health or welfare or physical, mental or emotional condition is subjected to or threatened with real and substantial harm and there is not reasonably available an alternative less drastic than removal of the child from the home, the cabinet shall petition the district court to review the commitment pursuant to KRS 610.120 in relation to the cabinet's intention to remove the child from the parent's home. The petition shall set forth the facts which constitute the need for removal of the child. The court shall serve notice of the petition and the time and place of the hearing on the parents; however, the family service worker shall also contact the parents to ensure that they received the notice and are aware of the right to be represented by counsel. If the parents' whereabouts are unknown, notice may be mailed to the last known address of an adult who is a near relative. If the court fails to find that the child's health or welfare or physical, mental or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall not be removed from the parents' home;

(c) If a family service worker finds a committed, unattended child who is too young to take care of himself, the family service worker shall make reasonable efforts to arrange for an emergency caretaker in the child's home until the parents return or fail to return within a reasonable time. If no in-home caretaker is available for the child, the family service worker shall request any appropriate law enforcement officer to take the child into protective custody. If, after a reasonable time, it appears the child has been abandoned, the cabinet shall petition the district court to review the case;

(d) If there exist reasonable grounds to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents are unable or unwilling to protect the child, the family service worker may immediately remove the child prior to filing a petition for review. Within seventy-two (72) hours after the removal, the cabinet shall file a petition for review in district court pursuant to KRS 610.120 with a request for an expeditious hearing. If the court fails to find that the child's health or welfare or physical, mental or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall be returned to the parents' home.

(3) The cabinet shall notify the juvenile court of the county of placement with the conditions of supervised placement of each child placed in that county from one (1) of the residential treatment facilities operated by the cabinet. Notice of the conditions of such placement may be made available by the court to any law enforcement agency.

(4)[~~(3)~~] The person in charge of any home to which a child is probated, and the governing authority of any private institution or agency to which a child is committed, shall make such reports to the court as the court may require, and such reports as the cabinet may require in the performance of its functions under the law. The cabinet shall have the power to make such visitations and inspections of the homes, institutions and agencies in which children who have committed public offenses have been placed as it deems necessary to carry out its functions under the law.

(5)[~~(4)~~] The cabinet may assist the courts in placing children who have committed public offenses in family homes or boarding homes, and, under agreements with the individual courts, may assume responsibility for making such placements. Counties may pay or contribute towards the expenses of maintaining such children in family homes or boarding homes and, to the extent authorized by the fiscal court, the cabinet may incur

obligations chargeable to the county for such expenses.

Section 17. KRS 610.050 is amended to read as follows:

If it appears to the court, by affidavit or by sworn testimony, that the child is a danger to himself or the community, or is in such condition or surroundings that his welfare is being harmed or threatened with harm to such a degree that his best interest requires that his custody be immediately changed by the court from the original custodian to another, the judge may sign an order giving temporary custody of the child to a suitable custodian. However, if this case involves allegations of dependency, neglect or abuse, no emergency removal or temporary custody orders shall be effective unless the provisions of KRS Chapter 620 are followed; and if the case involves allegations of mental illness, the provisions of KRS Chapter 645 shall be followed. As a part of such order, the court may direct that the child shall be taken into custody by the peace officer serving the summons or by any other peace officer and placed as directed by the court. In any event, a copy of the temporary custody order shall be served on the parent, guardian or other person exercising custodial control or supervision of the child when the summons is served. Section 26. KRS 610.180 is amended to read as follows:

A parent or other person exercising custodial control or supervision of a child is charged with the control of such child and shall have the power to exercise parental control and authority over such child. In any case where a child is *adjudicated a public offender* [~~found delinquent~~] and placed on probation, if the court finds at the hearing that the person having custody of such child has failed or neglected to subject him to reasonable parental control and authority, and that such failure or neglect is the proximate cause of the act or acts of the child upon which the *adjudication* [~~finding of delinquency~~] is based, the court may require such parent to enter into a recognizance with sufficient surety, in an amount of not more than five hundred dollars ($500), conditioned upon the faithful discharge of the conditions of probation of such child. If the child thereafter commits a second act and is by reason thereof *adjudicated a public offender* [~~found delinquent~~], or violates the conditions of probation, and the court finds at the hearing that the failure or neglect of such parent to subject him to reasonable parental control and authority or to faithfully discharge the conditions of probation of such child on the part of such parent, is the proximate cause of the act of the child upon which such second finding [~~of delinquency~~] is based, or upon which such child is found to have violated the conditions of his probation, the court may declare all or a part of the recognizance forfeited and the amount of such forfeited recognizance shall be applied in payment of any damages which may have been caused by such child, if there be such damages, otherwise, the proceeds therefrom, or part remaining after the payment of damages as aforesaid, shall be retained by the court to apply to any future damages resulting from the act or acts of said child before he reaches his eighteenth [~~(18th)~~] birthday, at which date the remaining proceeds shall be returned to the parent or guardian. The provisions of this section as it relates to failure or neglect of parents to subject a child to reasonable parental control and authority shall be in addition to and not in substitution for any other sections of *KRS Chapters 600 to 645* [~~this chapter~~] relating to failure or neglect to exercise such parental control or authority. The provisions of this section shall not apply to foster parents.

Section 27. KRS 610.190 is amended to read as follows:

The law relating to bail shall not be applicable to children detained in accordance with this chapter.

(2) Unless the nature of the offense or other circumstances are such as to indicate the necessity of *retaining* [~~keeping~~] the child in [~~secure~~] custody, the officer shall release the child to the custody of his parent *or if the child is committed, the cabinet; or if the parent is not available, then a relative, guardian, person exercising custodial control or supervision* or other responsible *person* [~~adult~~] upon the written promise, signed by such person, to bring the child to the court at a stated time or at such time as the court may order. ~~(3)~~] An emergency custody order shall be effective no longer than seventy-two (72) hours, exclusive of weekends and holidays, unless there is a temporary removal hearing with oral or other notice to the county attorney and the parent or other person exercising custodial control or supervision of the child, to determine if the child should be held for a longer period. The seventy-two (72) hour period also may be extended or delayed upon the waiver or request of the child's parent or other person exercising custodial control or supervision.

(3)[~~(4)~~] Any person authorized to serve process shall serve the parent or other person exercising custodial control or supervision with a copy of the emergency custody order. If such person cannot be found, the sheriff shall make a good faith effort to notify the nearest known relative, neighbor, or other person familiar with the child.

(4)[~~(5)~~] Within *seventy-two (72)* [~~twenty-four (24)~~] hours of the [~~issuance of an emergency custody order or the~~] taking of a child into custody without the consent of his parent or other person exercising custodial control or supervision, a *petition* [~~complaint~~] shall be filed pursuant to this chapter.

(5)[~~(6)~~] Nothing herein shall preclude the issuance of arrest warrants pursuant to the Rules of Criminal Procedure.

Section 47. KRS 620.070 is amended to read as follows:

(1) A dependency, neglect or abuse action may be commenced by the filing of a *petition* [~~complaint~~] by any interested person in the juvenile session of the district court.

(2) After a *petition* [~~complaint~~] has been filed, the clerk of the court shall issue and the sheriff or other authorized agent shall serve a copy of the *petition* [~~complaint~~] and a summons to the parent or other person exercising custodial control or supervision, unless their identity or location is unknown, in which case the petition and summons shall be *served on* [~~issued to~~] the nearest known adult relative.

(3) The summons shall include an explanation of the importance of the *petition* [~~complaint~~] and an explanation of the rights of the parent or other person exercising custodial control in any subsequent proceedings. The summons shall emphasize the importance of immediately contacting the court about legal representation and to be advised of the date, time and place when the parent or other person exercising custodial control or supervision is to appear before the court.

Section 48. KRS 620.080 is amended to read as follows:

(1) Unless waived by the child and his parent or other person exercising custodial control or supervision, a temporary removal hearing shall be held:

(a) Within seventy-two (72) hours, excluding weekends and holidays, of the time when an emergency custody order is issued or when a child is taken into custody without the consent of his parent or other person exercising custodial control or supervision; and

(b) In cases commenced by the filing of a *petition* [~~complaint~~], within ten (10) days of the date of filing.

(2) At a temporary removal hearing, the court shall determine whether there are reasonable grounds to believe that the child would be dependent, neglected or abused if returned to or left in the custody of his parent or other person exercising custodial control or supervision even though it is not proved conclusively who has perpetrated the dependency, neglect or abuse. For good cause, the court may allow hearsay evidence. The Commonwealth shall bear the burden of proof by a preponderance of the evidence and if the Commonwealth should fail to establish same, the child shall be released to or retained in the custody of his parent or other person exercising custodial control or supervision.

Section 49. KRS 620.090 is amended to read as follows:

(1) If, after completion of the temporary removal hearing, the court finds there are reasonable grounds to believe the child is dependent, neglected or abused, the court shall issue an order for temporary removal and shall grant temporary custody to the cabinet or other appropriate person or agency. *Preference shall be given to available and qualified relatives of the child considering the wishes of the parent or other person exercising custodial control or supervision if known.* The order shall state the specific reasons for removal and show that alternative less restrictive placements and services have been considered. The court may recommend a placement for the child.

(2) In placing a child *under an order of* [~~following a~~] temporary *custody* [~~removal~~], the cabinet or its designee shall use the least restrictive appropriate placement available. Preference shall be given to available and qualified relatives of the child considering the wishes of the parent or other person exercising custodial control or supervision if known. The child may also be placed in a facility or program operated or approved by the cabinet, including a foster home,[~~;~~] or any other appropriate available placement.

(3) If the court finds there are not reasonable grounds to believe the child is dependent, neglected or abused, or if no action is taken within seventy-two (72) hours, the emergency custody order shall be dissolved automatically and the cabinet or its designee shall return the child to the parent or other person exercising custodial control or supervision. A request for a continuance of the hearing by the parent or other person exercising custodial control or supervision shall constitute action precluding automatic dissolution of the emergency custody order.

(4) When the court issues a temporary order for the custody of a child, the court may *order that, within two (2) weeks, arrangements be made for the* [~~cause a~~] child to receive a thorough medical, visual, and dental examination[~~, within two (2) weeks~~] by a professional authorized by the Kentucky Revised Statutes to conduct such examinations. The costs of the examination shall be paid by the cabinet.

(5) *The child shall remain in temporary custody with the cabinet for a period of time not to exceed forty-five (45) days from the date of the removal from his home. The court shall conduct the adjudicatory hearing and shall make a final disposition within forty-five (45) days of the removal of the child. The court may extend such time after making written findings establishing the need for the extension and after finding that the extension is in the child's best interest* [~~No temporary custody order shall be effective for more than twenty-one (21) days unless an adjudicatory hearing on the merits of the case is begun within the twenty-one (21) day period. The twenty-one (21) day period may be waived by the parent or other person exercising custodial control or supervision of the child or their attorney or the attorney for the child~~].

Section 50. KRS 620.100 is amended to read as follows:

(1) If the court determines, as a result of a temporary removal hearing, that further proceedings are required, the court shall advise the child and his parent or other person exercising custodial control or supervision of their right to appointment of separate counsel:

(a) The court shall appoint [~~local~~] private counsel for the child to be paid for by the cabinet for finance and administration. *The clerk of the court shall arrange for service on all parties, including the local representative of the cabinet for human resources, of the order appointing counsel.* The fee to be fixed by the court, shall not exceed five hundred dollars ($500) provided, however, if the action has final disposition in the district court, the fee shall not exceed two hundred fifty dollars ($250);

(b) The court shall appoint separate counsel for the parent who exercises custodial control or supervision[~~;~~] if the parent is unable to afford counsel pursuant to KRS Chapter 31. *The clerk of the court shall arrange for service on all parties, including the local representative of the cabinet for human resources, of the order appointing counsel.* The parent's counsel shall be provided by, or paid for, by the cabinet for finance and administration. The fee to be fixed by the court, shall not exceed five hundred dollars ($500) provided, however, if the action has final disposition in the district court, the fee shall not exceed two hundred fifty dollars ($250); and

(c) The court may, in the interest of justice, appoint separate counsel for a non-parent who exercises custodial control or supervision of the child, if such person is unable to afford counsel, pursuant to KRS Chapter 31. *The clerk of the court shall arrange for service on all parties, including the local representative of the cabinet for human resources, of the order appointing counsel.* Counsel for such person shall be provided by, or paid for, by the finance and administration cabinet. The fee to be fixed by the court, shall not exceed five hundred dollars ($500) provided, however, if the action has final disposition in the district court, the fee shall not exceed two hundred fifty dollars ($250).

(2) If the court determines that further proceedings are required, the court also shall advise the child and his parent or other person exercising custodial control or supervision that they have a right to not incriminate themselves, and a right to a full adjudicatory hearing at which they may confront and cross-examine all adverse witnesses, present evidence on their own behalf and to an appeal. [~~The full adjudicatory hearing shall be held within twenty-one (21) days of the temporary custody order unless the parent or other person exercising custodial control or supervision specifically waives the twenty-one (21) day limit.~~]

(3) The adjudication shall determine the truth or falsity of the allegations in the complaint. The burden of proof shall be upon the complainant, and a determination of dependency, neglect and abuse shall be made by a preponderance of the evidence. The Kentucky Rules of Civil Procedure shall apply.

(4) The disposition shall determine the action to be taken by the court on behalf of the child and his parent or other person exercising custodial control or supervision.

Section 51. KRS 620.140 is amended to read as follows:

(1) In determining the disposition of all cases brought on behalf of dependent, neglected or abused children, the juvenile session of the district court, in the best interest of the child, shall have, but shall not be limited to, the following dispositional alternatives:

(a)[~~(1)~~] Informal adjustment of the case;

(b)[~~(2)~~] Protective orders, such as the following:

1.[~~(a)~~] Requiring the parent or any other person to abstain from any conduct abusing, neglecting or making the child dependent;

2.[~~(b)~~] *Placing* [~~That~~] the child [~~be placed~~] in his own home under supervision of the cabinet or its designee with services as determined to be appropriate by the cabinet; and

3.[~~(c)~~] Orders authorized by KRS 403.740 and 403.750.

(c)[~~(3)~~] Removal of the child to the custody of an adult relative, other person, or *child-caring* [~~child caring or placing~~] facility *or child-placing agency*, taking into consideration the wishes of the parent or other person exercising custodial control or supervision. Before any child is committed to the cabinet or placed out of his home under the supervision of the cabinet, the court shall determine that reasonable efforts have been made by the court or the cabinet to prevent or eliminate the need for removal and that continuation in the home would be contrary to the welfare of the child.

(d)[~~(4)~~] Commitment of the child to the custody of the cabinet for placement for an indeterminate period of time not to exceed his attainment of the age eighteen (18). The court, in its discretion, upon motion of the child *and with the concurrence of the cabinet*, may authorize an extension of commitment up to age twenty-one (21) for the purpose of the child's participating in state or federal educational programs *or to permit the cabinet to assist the child in establishing independent living arrangements*.

(2) An order of temporary custody to the cabinet shall not be considered as a permissible dispositional alternative.

SECTION 52. A NEW SECTION OF KRS 620.150 TO 620.160 IS CREATED TO READ AS FOLLOWS:

Any party aggrieved by a proceeding under KRS 610.010(1)(e), may appeal from the juvenile court to the circuit court as a matter of right in the manner provided in the Kentucky Rules of Civil Procedure. The circuit court may order that the child may be removed to a suitable place, pending the appeal, if it appears by affidavit or sworn testimony that the child would be in imminent danger if left with or returned to his parents, guardian, or other person party to the appeal.

Section 53. KRS 620.160 is amended to read as follows:

Upon attaining majority [~~or becoming emancipated~~], a *person who was the subject of an action under this chapter* [~~child~~] may make a motion for the sealing of records relating to a *petition* [~~complaint~~] filed under this chapter. (1) The cabinet may accept custody of a child who is voluntarily committed to the cabinet by the child's parent, *guardian or other person having legal custody.* However, the cabinet shall refuse to accept any child on a voluntary commitment unless adequate facilities, funds, and resources are available to care for the child, and the secretary finds that commitment would be in the best interest of the child.

(2) As a condition of any voluntary commitment, the cabinet may enter into an agreement with the parent, *guardian or other person having legal custody* [~~or person exercising custodial control or supervision~~] of the child consenting to the commitment to pay an agreed sum for the care and treatment of the child. The sum shall be determined by the needs of the child and by the ability of the parent, *guardian or other person having legal custody* [~~or other person exercising custodial control or supervision~~] to pay.

(3) In the case of voluntary commitment, the cabinet may expend funds necessary to give the child all services available to any committed child including, but not limited to, diagnosis, treatment, foster care, day care, [~~institutional~~] care and treatment *in a facility,* and necessary medical, psychological and psychiatric care.

(4) Any person who has consented to a child's voluntary commitment may request the release of the child in writing addressed to the cabinet. The cabinet shall within ten (10) days release the child, or, if in the opinion of the cabinet it would be in the best interest of the child to remain in the custody of the cabinet, a *petition* [~~complaint~~] shall be filed in the court of the county of residence of the child as provided in KRS 620.030 to 620.050.

(5) If, following a hearing on the matter, the court determines that the child can no longer benefit from those services offered by the cabinet, or that the parent, *guardian or other person having legal custody of the child* [~~or person exercising custodial control or supervision~~] is capable of providing proper care, the child may be returned at once to the care of his parent, *guardian or other person having legal custody of the child* [~~or other person exercising custodial control or supervision,~~] or to *another* [~~a third~~] person mutually agreed upon.

Section 55. KRS 620.180 is amended to read as follows:

(b) In the event the county attorney elects to proceed, the court-designated worker shall make a preliminary determination as to whether the complaint is complete, consulting with the county attorney [~~or designee~~] as may be necessary. In any case where the court-designated worker finds that the complaint is incomplete, the court-designated worker shall return the complaint without delay to the person or agency originating the complaint or having knowledge of the facts, or to the appropriate law enforcement agency having investigative jurisdiction of the offense, and request, and the complainant shall promptly thereafter furnish, additional information in order to complete the complaint. If the court-designated worker determines that the complaint is complete, he shall conduct a preliminary intake inquiry concerning such complaint to determine whether in the interest of justice the complaint can be resolved informally without the filing of a petition. The court-designated worker may recommend that a petition be filed. Prior to conducting a preliminary intake inquiry, the court-designated worker shall notify the child and the child's parent, guardian or other person exercising custodial control or supervision of the child in writing:

1. Of their opportunity to be present at the preliminary intake inquiry;

2. Of their right to have counsel present during the preliminary intake inquiry as well as the formal conference thereafter;

3. That their participation in the preliminary intake inquiry or any resulting plan of diversion is voluntary;

4. That all information *supplied* [~~gained~~] by *the child to a court designated worker during any process prior to the filing of the petition shall be deemed confidential and shall not be subject to subpoena or to disclosure without the written* [~~virtue of participation in the preliminary intake inquiry is privileged and that said privilege can be waived only with the~~] consent of the child; and

5. That the child has the right to deny the charge and demand a formal court hearing;

(c) Upon the completion of the preliminary intake inquiry, the court-designated worker shall conduct a formal conference at which time he shall present information obtained at the preliminary intake inquiry to the child and the child's parents or other person exercising custodial control or supervision. The court-designated worker shall set forth in writing alternative referral programs available to the child and the criteria the court-designated worker used to determine whether to proceed with a diversionary agreement or whether to refer the matter for the filing of a public offense petition. If the court-designated worker determines that, in his judgment, the interests of the child and the public will be thereby best served, he may recommend that a public offense petition not be filed. If such a recommendation is made, the court-designated worker shall advise in writing the complainant, the victim if any, and the law enforcement agency having investigative jurisdiction of the offense of the recommendation and the reasons therefor and that the complainant, *victim, or law enforcement agency* may submit within ten (10) days from receipt of such notice a complaint to the county attorney [~~or designee~~] for special review;

(d) The county attorney [~~or designee~~] upon receipt of a request for special review shall consider the facts presented by the complainant and by the court-designated worker who made the recommendation that no petition be filed, before *the* [~~such~~] county attorney [~~or designee~~] makes a final decision as to whether a public offense petition shall or shall not be filed. In all cases in which the child is alleged to have committed a *public offense* [~~delinquent act~~] and is not detained, the court-designated worker shall submit his written recommendation to the county attorney or designee within twenty (20) days, exclusive of weekends and holidays, from the date the child was taken into custody or the complaint was filed. In cases where the child is *detained* [~~in detention~~], the court-designated worker's report shall be submitted within seventy-two (72) hours of the *time the child is ordered detained* [~~detention~~];

(e) In cases where the court-designated worker has recommended that a public offense petition not be filed and the complainant or victim, if any, or law enforcement agency having investigative jurisdiction of the offense has not called for a special review, said worker and the child may enter into a diversionary agreement. Such agreement may include the following: an informal plan of services provided by the court or its staff; referral of the child to a public or private organization, agency or person to assist the child and the child's family to resolve the problems presented in the complaint; referral to a community service program in accordance with the provisions of subsection (1) of KRS 635.080; restitution, limited to the amount of actual property or pecuniary loss incurred by the victim, provided that the youth has the means or could acquire the means to make restitution; other such programs or efforts which might reasonably benefit the community and the child. In assessing periods of community service to be performed and restitution to be paid by the youth who has entered into a diversion agreement, the court-designated worker shall to the extent possible involve members of the community. Such members of the community shall meet with the youth and advise the court-designated worker as to the terms of the diversionary agreement and shall supervise the youth in carrying out its terms. The diversionary agreement shall not cover a period in excess of six (6) months;

(f) If the terms of the agreement are successfully completed, the court-designated worker shall *dispose of* [~~retire~~] the complaint, the charges shall be considered dismissed and further prosecution is prohibited. In the event the child fails to comply with the terms of the agreement, the court-designated worker shall provide ten (10) days' written notice to the child and the child's parent or other person exercising custodial control or supervision and counsel of his intent to file a public offense petition based upon the original complaint, whereupon the court-designated worker shall meet and confer with the child and the child's parent or other person exercising custodial control and supervision and counsel to consider from the child's viewpoint why a petition should not be filed; and

(g) In the event that a complaint is not *disposed of* [~~retired~~] as a result of an agreement or in the event that the child fails to comply with the terms of an agreement and a petition is filed, the court shall proceed with the petition in accordance with the provisions of KRS Chapter 610 as if the agreement had never been formulated. In the event that *a* petition is filed based upon the court-designated worker's determination that the child has failed to comply with the terms of an agreement, the child may upon arraignment of said petition move for dismissal of the petition on the basis that the agreement was substantially complied with; and

(2) In the event a public offense petition is filed, it shall be verified by information and belief and contain the information listed in KRS 610.020.

Section 95. KRS 635.020 is amended to read as follows:

(2) Upon the written refusal of an involuntary patient to participate in any or all aspects of his treatment plan, the review committee shall examine the appropriateness of the patient's individual treatment plan. After a patient refuses to participate in his treatment plan and until his disagreement with the plan has been resolved, the hospital may administer only that treatment which the treating physician determines is necessary to protect the patient from harming himself or others. Within three (3) days, exclusive of weekends and holidays, of the refusal, the review committee shall meet with the patient and his counsel or court designated worker to discuss their recommendations.

(3) If the patient still refuses to participate in any or all aspects of his individual treatment plan, the hospital may petition the district court for a de novo determination of the appropriateness of the proposed treatment. Within seven (7) days *of the filing of the hospital's petition*, excluding weekends and holidays, the court shall conduct a hearing, consistent with the patient's right to due process of law, and shall *consider all* [~~utilize the following~~] factors in reaching its determination, *including but not limited to*:

appropriate judgment, *enumerating the factors found to exist,* which *judgment* shall be considered final for purposes of appeal. (2) A hearing to determine the necessity for continued hospitalization shall be held within seven (7) days of the court's receipt of the notice of the contest. If the court concludes that the child does not meet the criteria set out in KRS 645.090, the court may order the child discharged[~~, may commit the child to the cabinet,~~] or may enter an emergency custody order *for purposes of proceeding under other provisions of KRS Chapter 600 to 645* to secure proper care for the child. There shall be documentation that the family service worker, prior to the court hearing, made an effort to contact the parents to inform them of the specific problems that could lead to removal so they have an opportunity to take corrective action. If the parents are unavailable or do not respond to attempts to communicate the specific circumstances shall be documented;

(b) If it appears that the child's health or welfare or physical, mental or emotional condition is subjected to or threatened with real and substantial harm and there is not reasonably available an alternative less drastic than removal of the child from the home, the cabinet shall petition the district court to review the commitment pursuant to KRS 610.120 in relation to the cabinet's intention to remove the child from the parent's home. The petition shall set forth the facts which constitute the need for removal of the child. If the parents' whereabouts are unknown, notice may be mailed to the last known address of an adult who is a near relative. If the court fails to find that the child's health or welfare or physical, mental or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall not be removed from the parents' home;

(c) If a family service worker finds a committed, unattended child who is too young to take care of himself, the family service worker shall make reasonable efforts to arrange for an emergency caretaker in the child's home until the parents return or fail to return within a reasonable time. If no in-home caretaker is available for the child, the family service worker shall request any appropriate law enforcement officer to take the child into protective custody. If, after a reasonable time, it appears the child has been abandoned, the cabinet shall petition the district court to review the case;

(d) If there exist reasonable grounds to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents are unable or unwilling to protect the child, the family service worker may immediately remove the child prior to filing a petition for review. Within seventy-two (72) hours after the removal, the cabinet shall file a petition for review in district court pursuant to KRS 610.120 with a request for an expeditious hearing. If the court fails to find that the child's health or welfare or physical, mental or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall be returned to the parents' home.

(3) The cabinet shall notify the juvenile court of the county of placement with the conditions of supervised placement of each child placed in that county from one (1) of the residential treatment facilities operated by the cabinet. Notice of the conditions of such placement may be made available by the court to any law enforcement agency.

(4)[~~(3)~~] The person in charge of any home to which a child is probated, and the governing authority of any private institution or agency to which a child is committed, shall make such reports to the court as the court may require, and such reports as the cabinet may require in the performance of its functions under the law. The cabinet shall have the power to make such visitations and inspections of the homes, institutions and agencies in which children who have committed public offenses have been placed as it deems necessary to carry out its functions under the law.

(5)[~~(4)~~] The cabinet may assist the courts in placing children who have committed public offenses in family homes or boarding homes, and, under agreements with the individual courts, may assume responsibility for making such placements. Counties may pay or contribute towards the expenses of maintaining such children in family homes or boarding homes and, to the extent authorized by the fiscal court, the cabinet may incur obligations chargeable to the county for such expenses.

HB 856, AN ACT relating to revenue and taxation.

WHEREAS, it is the intent of the General Assembly in enacting a tax amnesty program, as provided by this Act, to improve compliance with state tax laws and to increase and accelerate collections of certain currently owed state taxes;

WHEREAS, the General Assembly finds and declares that a public purpose is served by the waiver of tax penalties, certain interest and criminal prosecution in return for the immediate reporting and payment of previously underreported, unreported, or certain unpaid tax liabilities;

WHEREAS, the benefits gained through this program include, among other things, increased collecting of certain currently owed taxes, permanently bringing into the tax system taxpayers who have been evading payment of tax, and providing an opportunity for taxpayers to satisfy tax obligations before stepped-up tax enforcement programs take effect; and

WHEREAS, it is further the intent of the General Assembly in enacting this Act that the tax amnesty program be a one-time occurrence which shall not be repeated in the future, since taxpayers' expectations of future amnesty programs could have a counterproductive effect on compliance today;

NOW, THEREFORE,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 131 IS CREATED TO READ AS FOLLOWS:

(1) This Act shall be known as and may be cited as the "Kentucky Tax Amnesty Act."

(3) As used in this Act, unless the context requires otherwise:

(a) "Cabinet" means the revenue cabinet.

(b) "Taxpayer" means any individual, partnership, joint venture, association, corporation, receiver, trustee, guardian, executor, administrator, fiduciary, or any other entity of any kind subject to any tax set forth in subsection (4) of this section or any person required to collect any such tax under subsection (4) of this section.

(c) "Account receivable" means an amount of state tax, penalty or interest which has been recorded as due and entered in the account records of the cabinet, or which the taxpayer should reasonably expect to become due as a direct or indirect result of any pending or completed audit or investigation which the taxpayer knows is being conducted by any governmental taxing authority, federal, state or local.

(d) "Final, due and owing" means an assessment which has become final and is owed to the Commonwealth due to either the expiration of the taxpayer's appeal rights pursuant to KRS 131.110 or, if an assessment has been appealed to the board of tax appeals, the rendition of a final order by the board or by any court of this Commonwealth. For the purposes of this Act, assessments that have been appealed to the board of tax appeals shall be final, due and owing fifteen (15) days after the last unappealed or unappealable order sustaining the assessment or any part thereof has become final.

(4) Notwithstanding the provisions of any other law to the contrary, the tax amnesty program shall be conducted by the cabinet during the fiscal year ending June 30, 1989, for a period of not less than sixty (60) days nor more than one hundred and twenty (120) days and shall apply to all taxpayers owing taxes, penalties or interest administered by the cabinet under the provisions of KRS Chapters 131, 136, 137, 138, 139, 140, 141, 143, 143A, 224, 234, 243, 299, subtitles 3, 4 and 11 of Chapter 304 and omitted intangible property tax levied under Chapter 132. The program shall apply to tax liabilities for taxable periods ending or transactions occurring prior to December 1, 1987. Amnesty tax return forms shall be in a form prescribed by the cabinet.

SECTION 2. A NEW SECTION OF KRS CHAPTER 131 IS CREATED TO READ AS FOLLOWS:

(1) For any taxpayer who meets the requirements of Section 3 of this Act:

(a) For taxes which are owed as a result of the nonreporting or underreporting of tax liabilities or the nonpayment of any account receivable owed by an eligible taxpayer, the Commonwealth shall waive criminal prosecution and all civil penalties which may be assessed under any KRS Chapter enumerated in subsection (4) of Section 1 of this Act for the taxable years or periods for which tax amnesty is requested, plus one-half (1/2) of the interest as provided in subsection (1) of Section 4 of this Act.

(b) With the exception of instances in which the taxpayer and cabinet enter into an installment payment agreement authorized under subsection (3) of Section 3 of this Act, the failure to pay all taxes and interest as shown on the taxpayer's amnesty tax return shall invalidate any amnesty granted pursuant to this Act.

(2) This section shall not apply to any taxpayer who is on notice, written or otherwise, of a criminal investigation being conducted by an agency of the state or any political subdivision thereof or the United States, nor shall this section apply to any taxpayer who is the subject of any criminal litigation which is pending on the date of the taxpayer's application in any court of this state or the United States for nonpayment, delinquency, evasion or fraud in relation to any federal taxes or to any of the taxes to which this amnesty program is applicable. Also, this section shall not apply to any taxpayer who is required to remit installment payments pursuant to a valid payment agreement authorized by the cabinet any time prior to the tax amnesty period.

(3) No refund or credit shall be granted for any interest or penalty paid prior to the time the taxpayer requests amnesty pursuant to Section 3 of this Act.

(4) Unless the cabinet in its own discretion redetermines the amount of taxes and interest due, no refund

or credit shall be granted for any taxes or interest paid under the amnesty program.

(1) The provisions of this Act shall apply to any eligible taxpayer who files an application for amnesty within the time prescribed by the cabinet and does the following:

(2) An eligible taxpayer may participate in the amnesty program whether or not the taxpayer is under audit, notwithstanding the fact that the amount due is included in a proposed assessment or an assessment, bill, notice, or demand for payment issued by the cabinet; and without regard to whether the amount due is subject to a pending administrative or judicial proceeding. An eligible taxpayer may participate in the amnesty program to the extent of the uncontested portion of any assessed liability. (3) The cabinet may enter into an installment payment agreement in cases of severe hardship in lieu of the complete payment required under subsection (1) of this section. In such cases, twenty-five percent (25%) of the amount due shall be paid with the amnesty return with the balance to be paid in monthly installments not be exceed three (3) months. The imposition of penalties or criminal action shall not invalidate any waiver granted under Section 2 of this Act. With the exception of the cost of collection fee imposed under subsection (1) of Section 7 of this Act, all assessments issued by the cabinet under this Act may be protested by the taxpayer in the same manner as other assessments pursuant to the terms of this chapter.

Any tax not previously assessed by the cabinet and due for taxable periods ending or transactions occurring prior to July 1, 1982 shall bear interest at the rate of four percent (4%) per annum.

(2) All installment agreements authorized under subsection (3) of Section 3 of this Act shall bear interest on the outstanding amount of tax due during the installment period at the full rate prescribed under KRS 131.183.

(3) Notwithstanding the provisions of KRS 131.183(2) and 141.235, if any overpayment of tax under this Act is refunded or credited within one hundred eighty (180) days after the return is filed, no interest shall be allowed.

This fee shall be in addition to any other applicable fee provided in this subsection. Taxes which are assessed and collected after the amnesty period for taxable periods ending or transactions occurring prior to December 1, 1987, shall be charged a cost of collection fee of twenty percent (20%) at the time of assessment. For any taxpayer who failed to file a return for any previous tax period for which amnesty is available and fails to file the return during the amnesty period, the cost of collection fee shall be fifty percent (50%) of any tax deficiency assessed after the amnesty period. These fees shall be in addition to all other applicable penalties and shall not be discretionary. However, any taxes that cannot be paid under the amnesty program because of the exclusions in subsection (2) of Section 2 of this Act shall not be subject to these fees.

(3) In addition to all other penalties provided under this Act and any other law, any taxpayer who willfully fails to make a return or willfully makes a false return, or who willfully fails to pay taxes owing or collected, with intent to evade payment of the tax or amount collected, or any part thereof, shall be guilty of a Class D felony.

If a revenue cabinet attorney undertakes any of the actions prescribed in this subsection, he shall be authorized to exercise all powers and perform all duties in respect to the criminal actions or proceedings which the prosecuting attorney would otherwise perform or exercise, including, but not limited to, the authority to sign, file, and present any and all complaints, affidavits, information, presentments, accusations, indictments, subpoenas and processes of any kind, and to appear before all grand juries, courts, or tribunals.*

(6) In the event of the incapacity of attorneys employed by the cabinet or at the request of the secretary of the revenue cabinet, the attorney general shall attend the Franklin Circuit and District Courts and prosecute all violations of the criminal and penal laws relating to revenue and taxation. If the attorney general undertakes any of the actions prescribed in this subsection, he shall be authorized to exercise all powers and perform all duties in respect to the criminal actions or proceedings which the prosecuting attorney would otherwise perform or exercise, including, but not limited to, the authority to sign, file, and present any and all complaints, affidavits, information, presentments, accusations, indictments, subpoenas and processes of any kind, and to appear before all grand juries, courts, or tribunals.

(8)[~~(6)~~] The cabinet may conduct research in the fields of taxation, finance and local government administration, and publish its findings, as the secretary may deem wise.

(9)[~~(7)~~] The cabinet may make rules and regulations necessary to establish a system of taxpayer identifying numbers for the purpose of securing proper identification of taxpayers subject to any tax laws or other revenue measure of this state, and may require such taxpayer to place on any return, report, statement or other document required to be filed, any number assigned pursuant to such rules and regulations.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

(1) On and after January 1, 1989, any person owning and engaged in the business of extracting or leasing mineral resources shall, as of January 1 each year, and by February 1, report to the revenue cabinet. The revenue cabinet shall compose standard forms for reporting mineral production and other information that bears on the value of mineral properties. Producers shall complete and file annually the appropriate forms for each of their properties.

(2) On and after January 1, 1988, the revenue cabinet shall determine the fair cash value of all mineral resources using all applicable standard valuation methods and taking into account all factors that influence value.

(3) When the valuation has been finally determined, the cabinet shall certify the valuation to the property valuation administrator who shall place the valuation upon the county assessment rolls and give notice to the property owner as provided in KRS 132.450.

SECTION 2. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

If any tract of mineral resources valued as barren or unminable property is prepared for extraction, that tract of mineral resources shall be subject to revaluation based on the current fair cash value of the tract; and the owner shall be liable for taxes based on the fair cash value for the two (2) years immediately preceding the year of revaluation but shall not be liable for deferred taxes for any year prior to the effective date of this Act.

SECTION 3. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

Revenue produced pursuant to KRS 132.020(1) from the assessment and levy upon mineral resources shall be distributed as follows: for each of the fiscal years beginning July 1, 1988, and July 1, 1989, the lesser of the sum of one million dollars ($1,000,000) or the total revenue produced from the assessment and levy upon mineral resources for the year shall be transferred to the "restricted fund group" established by KRS 45.322(1)(e) for use by the revenue cabinet for the purpose of assessing mineral resources. Any revenue produced in excess of this amount shall be transferred to the "operating fund group" established by KRS 45.322(1)(a) for the general operations of state government.

SECTION 4. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

Beginning January 1, 1989, and each January 1 thereafter, the county clerk shall provide a list of all transfers of mineral resources for the prior year to the revenue cabinet by February 1 each year which shall include references to deed books and page numbers where the record of the transaction may be found.

Section 5. KRS 132.010 is amended to read as follows:

As used in this chapter, unless the context otherwise requires:

(1) "Cabinet" means the revenue cabinet.

(2) "Taxpayer" means any person, *corporation, company, partnership, association, or other legal entity* made liable by law to file a return or pay a tax.

(3) "Real property" includes all lands, *mineral resources, oil, natural gas, and natural gas liquids* within this state and improvements thereon.

(4) "Personal property" includes every species and character of property, tangible and intangible, other than real property.

(5) "Resident" means any person who has taken up a place of abode within this state with the intention of continuing to abide in this state; any person who has had his actual or habitual place of abode in this state for the larger portion of the twelve (12) months next preceding the date as of which an assessment is due to be made shall be deemed to have intended to become a resident of this state.

(6) "Compensating tax rate" means that rate which, rounded to the next higher one-tenth of one cent

per one hundred dollars of assessed value and applied to the current year's assessment of the property subject to taxation by a taxing district, excluding new property and personal property, produces an amount of revenue approximately equal to that produced in the preceding year from real property. However, in no event shall the compensating tax rate be a rate which, when applied to the total current year assessment of all classes of taxable property, produces an amount of revenue less than was produced in the preceding year from all classes of taxable property. For purposes of this subsection, "property subject to taxation" means the total fair cash value of all property subject to full local rates, less the total valuation exempted from taxation by the homestead exemption provision of the Constitution and the difference between the fair cash value and agricultural or horticultural value of agricultural or horticultural land.

(7) "Net assessment growth" means the difference between:

(a) The total valuation of property subject to taxation by the county, city, school district or special district in the preceding year, less the total valuation exempted from taxation by the homestead exemption provision of the Constitution in the current year over that exempted in the preceding year, and

(b) The total valuation of property subject to taxation by the county, city, school district or special district for the current year.

(8) "New property" means the net difference in taxable value between real property additions and deletions to the property tax roll for the current year. "Real property additions" shall mean:

(a) Property annexed or incorporated by a municipal corporation, or any other taxing jurisdiction, however, this definition shall not apply to property acquired through the merger or consolidation of school districts, or the transfer of property from one school district to another;

(b) Property, the ownership of which has been transferred from a tax-exempt entity to a nontax-exempt entity;

(c) The value of improvements to existing nonresidential property;

(d) The value of new residential improvements to property;

(e) The value of improvements to existing residential property when the improvement increases the assessed value of the property by fifty percent (50%) or more;

(f) Property created by the subdivision of unimproved property, provided, that when such property is reclassified from farm to subdivision by the property valuation administrator the value of such property as a farm shall be a deletion from that category;

(g) Property exempt from taxation, as an inducement for industrial or business use, at the expiration of its tax exempt status;

(h) Property, the tax rate of which will change, according to the provisions of KRS 82.085, to reflect additional urban services to be provided by the taxing jurisdiction, provided, however, that such property shall be considered "real property additions" only in proportion to the additional urban services to be provided to the property over the urban services previously provided; and

(i) The value of improvements to real property previously under assessment moratorium.

"Real property deletions" shall be limited to the value of real property removed from, or reduced over the preceding year on, the property tax roll for the current year. *The value of all mineral resources appearing on the tax rolls on or before December 31, 1991, shall be considered "real property additions" for each year such value appears on the tax rolls prior to that date. Beginning January 1, 1992, "real property additions" shall include the value of all mineral resources added to the tax rolls on or after that date for the year in which such value is added to the tax rolls.*

(9) "Agricultural land" means any tract of land, including all income-producing improvements but excluding all residences, of at least ten (10) contiguous acres in area used for the production of livestock,

livestock products, poultry, poultry products and/or the growing of tobacco and/or other crops including timber, or where devoted to and meeting the requirements and qualifications for payments pursuant to agriculture programs under an agreement with the state or federal government, where such activities produced an average annual gross income including payments under a state or federal program according to the following scale:

Acres	Annual Gross Income	Income Per Acre
10 to 30	$1,000	$60.00 per acre, or a fraction thereof, over 10 acres.
30 to 60	$2,200	$40.00 per acre, or a fraction thereof, over 30 acres.
60 to 100	$3,400	$25.00 per acre, or a fraction thereof, over 60 acres.
100 to 250	$4,400	$10.00 per acre, or a fraction thereof, over 100 acres.
Over 250	$5,900	$5.00 per acre, or a fraction thereof, over 250 acres.

The above annual gross income amounts must be achieved in three (3) out of the five (5) years preceding the tax year or there must be an annual gross income of these amounts within two (2) years of purchase. Land devoted exclusively to the growing of merchantable timber or nonincome-producing woodland is excluded from the gross income provisions.

(10) "Horticultural land" means any tract of land, including all income-producing improvements but excluding all residences, of at least five (5) contiguous acres in area commercially used for the cultivation of a garden, orchard, or the raising of fruits or nuts, vegetables, flowers or ornamental plants, where such activities produced an average annual gross income according to the following scale:

Acres	Annual Gross Income	Income Per Acre
5 to 30	$1,000 minimum, or	$100.00 per acre, or a fraction thereof, over 5 acres, or whichever amount is greater.
30 to 60	$3,000	$50.00 per acre, or a fraction thereof, over 30 acres.
60 to 100	$4,500	$25.00 per acre, or a fraction thereof, over 60 acres.
100 to 250	$5,500	$10.00 per acre, or a fraction thereof, over 100 acres.
Over 250	$7,000	$5.00 per acre, or a fraction thereof, over 250 acres.

The above annual gross income amounts must be achieved in three (3) out of the five (5) years preceding the tax year or there is evidence of anticipated annual gross income of these amounts. Land devoted exclusively to the growing of merchantable timber or nonincome-producing woodland is excluded from the gross income provisions.

(11) "Agricultural or horticultural value" means the use value of "agricultural or horticultural land" based upon income-producing capability and comparable sales of farmland purchased for farm purposes where the price is indicative of farm use value, excluding sales representing purchases for farm expansion, better accessibility, and other factors which inflate the purchase price beyond farm use value, if any, considering

the following factors as they affect a taxable unit:

(a) Relative percentages of tillable land, pasture land, and woodland;

(b) Degree of productivity of the soil;

(c) Risk of flooding;

(d) Improvements to and on the land that relate to the production of income;

(e) Row crop capability including allotted crops;

(f) Accessibility to all-weather roads and markets; and

(g) Factors which affect the general agricultural or horticultural economy, such as: interest, price of farm products, cost of farm materials and supplies, labor, or any economic factor which would affect net farm income.

(12) "Deferred tax" means the difference in the tax based on agricultural or horticultural value and the tax based on fair cash value.

(13) "Homestead" means real property maintained as the permanent residence of the owner with all land and improvements adjoining and contiguous thereto including, but not limited to, lawns, drives, flower or vegetable gardens, outbuildings and all other land connected thereto.

(14) "Residential unit" means all or that part of real property occupied as the permanent residence of the owner.

(15) "Special benefits" are those which are provided by public works not financed through the general tax levy but through special assessments against the benefited property.

(16) "Mobile home" means a structure, transportable in one (1) or more sections, which when erected on site measures eight (8) body feet or more in width and thirty-two (32) body feet or more in length, and which is built on a permanent chassis and designed to be used as a dwelling, with or without a permanent foundation, when connected to the required utilities, and includes the plumbing, heating, air-conditioning, and electrical systems contained therein. It may be used as a place of residence, business, profession, or trade by the owner, lessee or their assigns and may consist of one (1) or more units that can be attached or joined together to comprise an integral unit or condominium structure.

(17) "Recreational vehicle" means a vehicular type unit primarily designed as temporary living quarters for recreational, camping, or travel use, which either has its own motive power or is mounted on or drawn by another vehicle. The basic entities are: travel trailer, camping trailer, truck camper and motor home.

(a) Travel trailer: A vehicular unit, mounted on wheels, designed to provide temporary living quarters for recreational, camping, or travel use, and of such size or weight as not to require special highway movement permits when drawn by a motorized vehicle, and with a living area of less than two hundred twenty (220) square feet, excluding built-in equipment (such as wardrobes, closets, cabinets, kitchen units or fixtures) and bath and toilet rooms.

(b) Camping trailer: A vehicular portable unit mounted on wheels and constructed with collapsible partial side walls which fold for towing by another vehicle and unfold at the camp site to provide temporary living quarters for recreational, camping, or travel use.

(c) Truck camper: A portable unit constructed to provide temporary living quarters for recreational, travel, or camping use, consisting of a roof, floor, and sides, designed to be loaded onto and unloaded from the bed of a pick-up truck.

(d) Motor home: A vehicular unit designed to provide temporary living quarters for recreational, camping or travel use built on or permanently attached to a self-propelled motor vehicle chassis or on a chassis cab or van which is an integral part of the completed vehicle.

(18) "Mineral resources" mean all forms of minerals which have not yet been mined or removed from the earth for which there exists a method of extraction in common usage in the particular industry and a commercial use for which the mined mineral could be devoted under available technologies, but excluding oil, natural gas and natural gas liquids.

(19) "Active mining property" means mineral resources on a parcel or tract of land actively being mined, or for which a permit to mine has been obtained from the Kentucky natural resources and environmental protection cabinet. Parcels under common ownership, control or lease shall be treated as one (1) parcel.

(20) "Active reserves" means the residual part of the mineral resources in excess of the acreage representing "active mining property", and under common ownership control or lease with the "active mining property", which corresponds to the number of acres which could reasonably be mined within ten (10) years.

(21) "Inactive reserves" means those seams of mineral resources owned, leased, or controlled by a taxpayer in the demonstrated business of leasing or extracting that particular type of mineral resource but which are not assignable as either "active mining property", "active reserves" or "barren or unminable" property and shall also mean mineral resources which have been severed from the surface estate by deed or conveyance and are not assignable as either "active mining property" or "active reserves." For purposes of this subsection, "taxpayer in the demonstrated business of leasing or extracting" shall mean a taxpayer who derives a substantial portion of his income from leasing or extracting that particular type of mineral resource.

(22) "Barren or unminable" property means those seams of mineral resources not being actively mined which have been depleted by prior mining operations or which underlie surface property used for parks, residential, commercial or industrial purposes, and not being actively mined, or from which mining is prohibited by law. In addition "barren or unminable" property means those seams of mineral resources which underlie surface tracts being devoted to agricultural or horticultural purposes, as defined in subsections (9) and (10) of this section, by the owner of the surface tracts if the mineral resources have not been severed from the surface estate by deed or conveyance and are not otherwise assignable as "active reserves" or "inactive reserves", so long as the mineral resources are neither being mined nor prepared for mining.

Section 6. KRS 132.020 is amended to read as follows:

(1) An annual ad valorem tax for state purposes of thirty-one and one-half cents (31-1/2) upon each one hundred dollars ($100) of value of all real property directed to be assessed for taxation, and one and one-half cents (1-1/2) upon each one hundred dollars ($100) of value of all privately-owned leasehold interests in industrial buildings, as defined under KRS 103.200, owned and financed by a tax-exempt governmental unit, or tax-exempt statutory authority under the provisions of KRS Chapter 103 directed to be assessed for taxation, and one and one-half cents (1-1/2) upon each one hundred dollars ($100) of value of all tobacco directed to be assessed for taxation, and twenty-five cents (25) upon each one hundred dollars ($100) of value of all money in hand, shares of stock, notes, bonds, accounts and other credits, whether secured by mortgage, pledge or otherwise, or unsecured, except as otherwise provided in subsection (2) of this section, and one and one-half cents (1-1/2) upon each one hundred dollars ($100) of value of unmanufactured agricultural products, one-tenth of one cent ($.001) upon each one hundred dollars ($100) of value of all farm implements and farm machinery owned by or leased to a person actually engaged in farming and used in his farm operations, one-tenth of one cent ($.001) upon each one hundred dollars ($100) of value of all livestock and domestic fowl, one-tenth of one cent ($.001) upon each one hundred dollars ($100) of value of all tangible personal property located in a foreign trade zone as designated under 19 U.S.C. sec. 81, fifteen cents (15) upon machinery of individuals or corporations actually engaged in manufacturing, fifteen cents (15) upon commercial radio, television and telephonic equipment directly used or associated with electronic equipment which broadcasts electronic signals to an antenna, fifteen cents (15) upon property which has been certified as a pollution control facility as defined in KRS 224.850, one-tenth of one cent ($.001) upon property which has been certified as an alcohol production facility as defined in KRS 247.910, or as a fluidized bed energy production facility as defined in KRS 211.390, twenty-five cents (25) upon each one hundred dollars ($100) of value of motor vehicles qualifying for permanent registration as historic motor vehicles under the provisions of KRS 186.043, and forty-five cents (45) upon each one hundred dollars ($100) of value of all other property directed to be assessed for taxation shall be paid by the owner or person assessed except as provided in subsection (2) of this section and KRS 132.030, 132.050, 132.200, 136.270, 136.300, 136.320 and other sections providing a different tax rate for particular property.

(2) An annual ad valorem tax for state purposes of one and one-half cents (1-1/2) upon each one hundred dollars ($100) of value shall be paid upon the following classes of intangible personal properties, when such intangible personal properties have not acquired a taxable situs without this state:

(a) Accounts receivable, notes, bonds, credits, nondomestic bank deposits, and any other intangible property rights arising out of or created in the course of regular and continuing business transactions substantially performed outside this state;

(b) Patents, trademarks, copyrights and licensing or royalty agreements, relating thereto; and

(3) "Affiliated company" shall mean a parent corporation or subsidiary corporation, and any corporation principally engaged in business outside the United States in which the owner or the person assessed directly or indirectly owns or controls not less than ten percent (10%) of the outstanding voting stock.

Should the equivalency ever be less than thirty cents (30), as certified by the department of education, the direct payments shall be reduced proportionately.

(6)[~~(7)~~] The provisions of subsection (1) of this section notwithstanding, the state tax rate on real property shall be reduced to compensate for any increase in the aggregate assessed value of real property to the extent that such increase exceeds the preceding year's assessment by more than four percent (4%). In any year in which the aggregate assessed value of real property is less than the preceding year, the state rate shall be increased to the extent necessary to produce the approximate amount of revenue that was produced in the preceding year from real property.

(7)[~~(8)~~] By July 1 each year, the revenue cabinet shall compute the state tax rate applicable to real property for the current year in accordance with the provisions of KRS 132.020(6) and certify the rate to the county clerks for their use in preparing the tax bills. In the event the assessments for all counties have not been certified by July 1, the cabinet shall, when real property assessments of at least seventy-five percent (75%) of the total number of counties of the Commonwealth have been certified, make an estimate of the real property assessments of the uncertified counties and compute the state tax rate.

(8)[~~(9)~~] In the event that the tax rate set by the cabinet as provided in subsection *(7)* [~~(8)~~] of this section produces more than a four percent (4%) increase in real property tax revenues, *exclusive of revenues produced prior to January 1, 1990, by application of the rate to mineral resources,* the rate shall be adjusted in the succeeding year so that the cumulative total of each year's property tax revenue increase shall not exceed four percent (4%) per year.

(9)[~~(10)~~] An ad valorem tax for state purposes on distilled spirits shall be levied according to the following rate schedule:

Calendar Year	Rate per $100 of Assessed Value
1982	$.225
1983	$.1125
1984 and after	$.001

(10)[~~(11)~~] Effective on or after January 1, 1986, an ad valorem tax for state purposes of one-tenth of one cent ($.001) upon each one hundred dollars ($100) of value shall be paid upon goods held for sale in the regular course of business and raw materials and in-process materials held for incorporation in finished goods held for sale in the regular course of business.

(7) Money in hand, notes, bonds, accounts and other credits, whether secured by mortgage, pledge or otherwise, or unsecured, and shares of stock, except that nothing in this section shall forbid local taxation of franchises of corporations or of the shares of banks, trust companies or combined banks and trust companies doing business in this state, or domestic life insurance companies;

(b) The number of livestock, their type, species and value;

(c) All other property including the number, denomination and fair cash value of all bonds subject to taxation owned by him with the value thereof on January 1 of the year for which the assessment is made, unless otherwise provided by law; and

(d) Such other facts as may be required in the blanks provided.

(2) An error or informality in the description or location of the property, or in the name of the owner or person assessed, shall not invalidate the assessment if the property can with reasonable certainty be located or identified from the description given, in which case the collector may receive the taxes and by his receipt correct the error or informality.

Section 9. KRS 132.330 is amended to read as follows:

The field agents, accountants and attorneys of the revenue cabinet shall cause to be listed for taxation all property omitted by the property valuation administrators, county board of assessment appeals, cabinet or any other assessing authority, for any year omitted. The agent, accountant or attorney proposing to have the property assessed shall file in the office of the county clerk of the county in which the property may be liable to assessment a statement containing a description and value of the property or corporate franchise proposed to be assessed, the name and place of residence of the owner, his agent or attorney, or person in possession of the property, if known, and the year the property was unassessed. The county clerk shall thereupon issue a summons against the owner, or person in possession of the property if the owner is unknown, to show cause within ten (10) days after the service of the summons, why the property or corporate franchise shall not be assessed at the value named in the statement filed. No decision shall be rendered against the alleged owner unless the statement filed contains a description of the property sought to be assessed that will enable the county judge/executive to identify it. The summons shall be executed by the sheriff by delivering a copy thereof to the owner, or if he is not in the county to his agent, attorney or person in possession of the property. If the property is real property, *including mineral resources,* and the owner is known but is absent from the state and has no attorney or agent in this state and no one is in possession of the property, the summons shall be served by posting it in a conspicuous place upon the *surface of the* property; if the property consists of tangible personal property the summons shall be placed in a conspicuous place where the property is located. In the case of tangible and intangible personal property, where the owner and his place of residence are unknown and no one (1) has possession of the property, an action for assessment shall be instituted by filing the petition above mentioned and procuring constructive service against the owner under the provisions of rules 4.05, 4.06, 4.07 and 4.08 of the Rules of Civil Procedure. In all of the above cases an attachment of the property omitted from assessment may be procured from the district court against the owner, at the time of the institution of the action or thereafter, and without the execution of a bond by the Commonwealth or its relator, by the representative of the revenue cabinet making an affidavit that the property described in the petition is subject to state, county, school or other taxing district tax, and is unassessed for any taxable year.

The revenue cabinet shall compose standard forms for reporting mineral production and other information that bears on the value of mineral properties. Producers shall complete and file annually the appropriate forms for each of their properties.

(2) On and after January 1, 1988, the revenue cabinet shall determine the fair cash value of all mineral resources using all applicable standard valuation methods and taking into account all factors that influence value.

(3) When the valuation has been finally determined, the cabinet shall certify the valuation to the property valuation administrator who shall place the valuation upon the county assessment rolls and give notice to the property owner as provided in KRS 132.450.

SECTION 2. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

If any tract of mineral resources valued as barren or unminable property is prepared for extraction, that tract of mineral resources shall be subject to revaluation based on the current fair cash value of the tract; and the owner shall be liable for taxes based on the fair cash value for the two (2) years immediately preceding the year of revaluation but shall not be liable for deferred taxes for any year prior to the effective date of this Act.

SECTION 3. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

(4) "Personal property" includes every species and character of property, tangible and intangible, other than real property.

(5) "Resident" means any person who has taken up a place of abode within this state with the intention of continuing to abide in this state; any person who has had his actual or habitual place of abode in this state for the larger portion of the twelve (12) months next preceding the date as of which an assessment is due to be made shall be deemed to have intended to become a resident of this state.

(6) "Compensating tax rate" means that rate which, rounded to the next higher one-tenth of one cent per one hundred dollars of assessed value and applied to the current year's assessment of the property subject to taxation by a taxing district, excluding new property and personal property, produces an amount of revenue approximately equal to that produced in the preceding year from real property. However, in no event shall the compensating tax rate be a rate which, when applied to the total current year assessment of all classes of taxable property, produces an amount of revenue less than was produced in the preceding year from all classes of taxable property. For purposes of this subsection, "property subject to taxation" means the total fair cash value of all property subject to full local rates, less the total valuation exempted from taxation by the homestead exemption provision of the Constitution and the difference between the fair cash value and agricultural or horticultural value of agricultural or horticultural land.

(7) "Net assessment growth" means the difference between:

(a) The total valuation of property subject to taxation by the county, city, school district or special district in the preceding year, less the total valuation exempted from taxation by the homestead exemption provision of the Constitution in the current year over that exempted in the preceding year, and

(c) The value of improvements to existing nonresidential property;

(d) The value of new residential improvements to property;

(f) Property created by the subdivision of unimproved property, provided, that when such property is reclassified from farm to subdivision by the property valuation administrator the value of such property as a farm shall be a deletion from that category;

(g) Property exempt from taxation, as an inducement for industrial or business use, at the expiration of its tax exempt status;

(h) Property, the tax rate of which will change, according to the provisions of KRS 82.085, to reflect additional urban services to be provided by the taxing jurisdiction, provided, however, that such property shall be considered "real property additions" only in proportion to the additional urban services to be provided to the property over the urban services previously provided; [~~and~~]

(i) The value of improvements to real property previously under assessment moratorium*; and*

(j) The value of mineral resources added to the tax rolls for the year in which such value is added to the tax rolls.

"Real property deletions" shall be limited to the value of real property removed from, or reduced over the preceding year on, the property tax roll for the current year.

(9) "Agricultural land" means any tract of land, including all income-producing improvements but excluding all residences, of at least ten (10) contiguous acres in area used for the production of livestock, livestock products, poultry, poultry products and/or the growing of tobacco and/or other crops including timber, or where devoted to and meeting the requirements and qualifications for payments pursuant to agriculture programs under an agreement with the state or federal government, where such activities produced an average annual gross income including payments under a state or federal program according to the following scale:

Acres	Annual Gross Income	Income Per Acre
10 to 30	$1,000	$60.00 per acre, or a fraction thereof, over 10 acres.
30 to 60	$2,200	$40.00 per acre, or a fraction thereof, over 30 acres.
60 to 100	$3,400	$25.00 per acre, or a fraction thereof, over 60 acres.
100 to 250	$4,400	$10.00 per acre, or a fraction thereof, over 100 acres.
Over 250	$5,900	$5.00 per acre, or a fraction thereof, over 250 acres.

The above annual gross income amounts must be achieved in three (3) out of the five (5) years preceding the tax year or there must be an annual gross income of these amounts within two (2) years of purchase. Land devoted exclusively to the growing of merchantable timber or nonincome-producing woodland is excluded from the gross income provisions.

(10) "Horticultural land" means any tract of land, including all income-producing improvements but excluding all residences, of at least five (5) contiguous acres in area commercially used for the cultivation of a garden, orchard, or the raising of fruits or nuts, vegetables, flowers or ornamental plants, where such activities produced an average annual gross income according to the following scale:

Acres	Annual Gross Income	Income Per Acre
5 to 30	$1,000 minimum,	or $100.00 per acre, or a fraction thereof, over 5 acres, or whichever amount is greater.

The above annual gross income amounts must be achieved in three (3) out of the five (5) years preceding the tax year or there is evidence of anticipated annual gross income of these amounts. Land devoted exclusively to the growing of merchantable timber or nonincome-producing woodland is excluded from the gross income provisions.

(11) "Agricultural or horticultural value" means the use value of "agricultural or horticultural land" based upon income-producing capability and comparable sales of farmland purchased for farm purposes where the price is indicative of farm use value, excluding sales representing purchases for farm expansion, better accessibility, and other factors which inflate the purchase price beyond farm use value, if any, considering the following factors as they affect a taxable unit:

(a) Relative percentages of tillable land, pasture land, and woodland;

(b) Degree of productivity of the soil;

(c) Risk of flooding;

(d) Improvements to and on the land that relate to the production of income;

(e) Row crop capability including allotted crops;

(f) Accessibility to all-weather roads and markets; and

(g) Factors which affect the general agricultural or horticultural economy, such as: interest, price of farm products, cost of farm materials and supplies, labor, or any economic factor which would affect net farm income.

(14) "Residential unit" means all or that part of real property occupied as the permanent residence of the owner.

(17) "Recreational vehicle" means a vehicular type unit primarily designed as temporary living quarters for recreational, camping, or travel use, which either has its own motive power or is mounted on or drawn by another vehicle. The basic entities are: travel trailer, camping trailer, truck camper and motor home.

(a) Travel trailer: A vehicular unit, mounted on wheels, designed to provide temporary living quarters for recreational, camping, or travel use, and of such size or weight as not to require special highway movement permits when drawn by a motorized vehicle, and with a living area of less than two hundred twenty (220) square feet, excluding built-in equipment (such as wardrobes, closets, cabinets, kitchen units or fixtures) and bath and toilet rooms.

(b) Camping trailer: A vehicular portable unit mounted on wheels and constructed with collapsible partial side walls which fold for towing by another vehicle and unfold at the camp site to provide temporary living quarters for recreational, camping, or travel use.

(21) "Inactive reserves" means those seams of mineral resources owned, leased, or controlled by a taxpayer in the demonstrated business of leasing or extracting that particular type of mineral resource but which are not assignable as either "active mining property", "active reserves" or "barren or unminable" property and shall also mean mineral resources which have been severed from the surface estate by deed or conveyance and are not assignable as either "active mining property" or "active reserves." (22) "Barren or unminable" property means those seams of mineral resources not being actively mined which have been depleted by prior mining operations or which underlie surface property used for parks, residential, commercial or industrial purposes, and not being actively mined, or from which mining is prohibited by law. (a) Each separate tract of land, *any interest in mineral resources, oil, natural gas or natural gas liquids* with the number of acres in each tract; the value per acre; each of the improvements thereon; the name of the nearest resident thereto; where located, giving the election precinct in which it is located; the number of each city lot and the improvements thereon, in what city, on which street, the value of each, and the value of the improvements thereon to the extent that they enhance the value of each lot; whether there is any land adjoining his owned by a nonresident of the county or state, giving the name and place of residence of any such owner, if known;

(b) The number of livestock, their type, species and value;

(c) All other property including the number, denomination and fair cash value of all bonds subject to taxation owned by him with the value thereof on January 1 of the year for which the assessment is made, unless otherwise provided by law; and

(d) Such other facts as may be required in the blanks provided.

(2) An error or informality in the description or location of the property, or in the name of the owner or person assessed, shall not invalidate the assessment if the property can with reasonable certainty be located or identified from the description given, in which case the collector may receive the taxes and by his receipt correct the error or informality.

Section 9. KRS 132.330 is amended to read as follows:

The field agents, accountants and attorneys of the revenue cabinet shall cause to be listed for taxation all property omitted by the property valuation administrators, county board of assessment appeals, cabinet or any other assessing authority, for any year omitted. The agent, accountant or attorney proposing to have the property assessed shall file in the office of the county clerk of the county in which the property may be liable to assessment a statement containing a description and value of the property or corporate franchise proposed to be assessed, the name and place of residence of the owner, his agent or attorney, or person in possession of the property, if known, and the year the property was unassessed. The county clerk shall thereupon issue a summons against the owner, or person in possession of the property if the owner is unknown, to show cause within ten (10) days after the service of the summons, why the property or corporate franchise shall not be assessed at the value named in the statement filed. No decision shall be rendered against the alleged owner unless the statement filed contains a description of the property sought to be assessed that will enable the county judge/executive to identify it. The summons shall be executed by the sheriff by delivering a copy thereof to the owner, or if he is not in the county to his agent, attorney or person in possession of the property. If the property is real property, *including mineral resources,* and the owner is known but is absent from the state and has no attorney or agent in this state and no one is in possession of the property, the summons shall be served by posting it in a conspicuous place upon the *surface of the* property; if the property consists of tangible personal property the summons shall be placed in a conspicuous place where the property is located. In the case of tangible and intangible personal property, where the owner and his place of residence are unknown and no one (1) has possession of the property, an action for assessment shall be instituted by filing the petition above mentioned and procuring constructive service against the owner under the provisions of rules 4.05, 4.06, 4.07 and 4.08 of the Rules of Civil Procedure. In all of the above cases an attachment of the property omitted from assessment may be procured from the district court against the owner, at the time of the institution of the action or thereafter, and without the execution of a bond by the Commonwealth or its relator, by the representative of the revenue cabinet making an affidavit that the property described in the petition is subject to state, county, school or other taxing district tax, and is unassessed for any taxable year.

Section 10. KRS 133.010 is amended to read as follows:

As used in this chapter, unless the context requires otherwise:

(1) "Board" means the county board of assessment appeals.

(2) "Cabinet" means the revenue cabinet.

(3) "Taxpayer" means any person, *corporation, company, partnership, association, or other legal entity* made liable by law to file a return or pay a tax.

(4) "Real property" includes all lands, *and mineral resources, oil, natural gas, and natural gas liquids* within this state and improvements thereon.

(5) "Personal property" includes every species and character of property, tangible and intangible, other than real property.

Section 11. If any provision of this Act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are severable.

Section 12. Whereas it is imperative that all property be assessed as of January 1, 1988, an emergency is declared to exist and the provisions of this Act shall be effective on January 1, 1988.

(2) All insurers licensed to write and writing property and casualty insurance in this Commonwealth on a direct basis shall, subject to approval and regulation by the commissioner of insurance, establish and maintain a "FAIR" (Fair access to insurance requirements) plan and establish and maintain a reinsurance association and formulate and from time to time amend the plan and articles of association and rules and regulations in connection therewith, and assess and share on a fair and equitable basis all expenses, income, and losses incident to such "FAIR" plan and reinsurance association in a manner consistent with the provisions of this subtitle.

Section 2. KRS 304.35-020 is amended to read as follows:

Each insurer authorized to write and writing property and casualty insurance on a direct basis in this Commonwealth shall be required to become and remain a member of the plan and the reinsurance association, and comply with the requirements thereof as a condition of its authority to transact property *or casualty* insurance business in Kentucky.

Section 3. KRS 304.35-030 is amended to read as follows:

(1) The "FAIR" plan and articles of association shall make provision for a reinsurance association having authority on behalf of its members *as their agent* to cause to be issued property and casualty insurance policies, to reinsure in whole or in part any such policies, and to cede any such reinsurance. The plan and articles of association shall provide, among other things, for the *lines of business to be written, policy forms to be used,* perils to be covered, geographical area of coverage, compensation and commissions, assessments of members *(which assessments annually shall not exceed one-fourth of one percent (1/4 of 1%) of any such member's net direct premium written on a voluntary basis in this state during the preceding year),* participation in the writings, expenses, income and losses in the proportion each member's property and casualty premiums written bear to the aggregate property and casualty premiums *voluntarily* written by all members, the administration of the plan and association, and any other matter necessary or convenient for the purpose of assuring fair access to insurance requirements.

(2) If the commissioner, in the fullfillment of the duties imposed on him by KRS 304.13-041, determines that a reasonable degree of competition does not exist in the market for any lines of insurance, within the definitions of KRS 304.5-050 (property insurance) and KRS 304.5-070 (casualty insurance), or either of them, and issues an order to that effect, the commissioner shall order the governing committee to promptly amend the plan to include such line or lines of business unless, in the commissioner's opinion, an effective residual market mechanism as defined in KRS 304.13-011(8) is already then functioning to provide basic insurance requirements to worthy applicants for reasonable amounts of coverage under such line or lines of insurance with insurers licensed to do business in this state. For accounting and rate making purposes, the commissioner may require the plan to provide for the establishment and maintenance of separate accounts for any line included in the plan pursuant to this section [~~The reinsurance association shall administer the mine subsidence insurance fund if directed to do so by the commissioner~~].

Section 4. KRS 304.35-040 is amended to read as follows:

(1) The reinsurance association shall be governed by a committee consisting of seven (7) persons to be appointed by the commissioner of insurance within five (5) days from July 15, 1980. The governing committee shall be composed of two (2) persons representing insurers chartered under the laws of the Commonwealth of Kentucky, one (1) person representing an insurer that is neither chartered under the laws of the Commonwealth of Kentucky nor affiliated with one (1) of the national insurance trade associations, one (1) person representing an insurer from each of the following three (3) associations: American Insurance Association, Alliance of American Insurers, National Association of Independent Insurers, and one (1) licensed insurance agent.

(2) Within thirty (30) days following July 15, 1980, the governing committee of the association shall submit to the commissioner of insurance, for his review, a proposed "FAIR" plan and articles of association consistent with the provisions of this subtitle.

(3) The "FAIR" plan and articles of association shall be subject to approval by the commissioner of insurance and shall take effect five (5) days after having been approved by him. If the commissioner disapproves all or any part of the proposed plan and articles, the governing committee of the association shall within fifteen (15) days submit for review an appropriately revised plan and articles; and, if the governing committee fails to do so, the commissioner shall thereafter promulgate such plan and articles consistent with the provisions of this subtitle.

(4) The governing committee of the association may, on its own initiative or shall at the request of the commissioner, amend the plan and articles, subject to approval by the commissioner.

(5) The governing committee of the association shall, on or before April 1 of each year, file with the commissioner, on such forms as the commissioner requires, an accounting of the plan's operations during the preceding calendar year together with its financial condition, and its underwriting experience as to each separate account maintained therein, as of the end of such year. The commissioner may require interim accountings

on a quarterly basis or examine the affairs of the association when, in his opinion, such action is necessary to determine the continued solvency of the reinsurance association.

(6) If at any time the commissioner determines that the reinsurance association is or may become unable to meet its financial obligations during the current year, the commissioner shall order the governing committee to levy appropriate assessments within the limitations of KRS 304.35-030(1) against all members. If the commissioner further determines that such assessment, when levied at the maximum rate for any account during any calendar year, is or may be insufficient to maintain the solvency of the reinsurance association for at least one year, the commissioner shall order each member to collect a premium surcharge for the benefit of the reinsurance association of one dollar ($1.00) from the holder of each individual policy or certificate written or renewed either voluntarily by such member or as a residual market mechanism assignment during the subsequent twelve (12) month period. Such policy or certificate surcharge shall be remitted monthly to the association by each member and shall be in addition to any assessments levied against the member pursuant to KRS 304.35-030(1) by the governing committee.

Section 5. KRS 65.150 is amended to read as follows:

(1) A county or city or urban-county government *and any board, commission, agency or authority of a county, city or urban-county government* may expend funds necessary to insure any of its employes, [~~and~~] officials *and property* against any liability *or property damage* arising out of an act or omission committed in the scope and course of performing legal duties.

(2) A county fee officer and his deputies and assistants may be insured pursuant to subsection (1) of this section, or the officer may expend excess fees to insure himself and his deputies and assistants against any liability arising out of an act or omission committed in the scope and course of performing legal duties.

(3) Any parties eligible to expend funds for insurance pursuant to this section may associate, *pursuant to KRS 65.210 to 65.300,* for the purpose of insuring themselves *against any liability or property damage.*

(4) An association of governmental units formed for the purpose of providing insurance to the participating members may act on behalf of and with the approval of the participating governmental units to borrow money and issue revenue bonds to fund the costs of providing the insurance. Revenue bonds issued pursuant to the authority granted in this subsection shall be issued in accordance with KRS 65.270.

Section 6. KRS 304.20-040 is amended to read as follows:

(1) As used in this section:

(a) "Policy" means an automobile liability insurance policy, delivered or issued for delivery in this state, insuring a single individual or husband and wife resident of the same household, as named insured, and under which the insured vehicles therein designated are of the following types only:

1. A motor vehicle of the private passenger or station wagon type that is not used as a public or livery conveyance for passengers, nor rented to others;

2. Any other four-wheel motor vehicle with a load capacity of fifteen hundred (1500) pounds or less which is not used in the occupation, profession or business of the insured; provided, however, that this section shall not apply:

a. To any policy issued under an automobile assigned risk plan;

b. To any policy insuring more than four (4) automobiles; or

c. To any policy covering garage, automobile sales agency, repair shop, service station or public parking place operation hazards;

(b) "Automobile liability insurance policy" includes only coverage for bodily injury and property damage liability, basic reparations benefits and the provisions therein, if any, relating to medical payments, uninsured motorists coverage, and automobile physical damage coverage;

(c) "Renewal" or "to renew" means the issuance and delivery by an insurer of a policy replacing at the end of the policy period a policy previously issued and delivered by the same insurer, or the issuance and delivery of a certificate or notice extending the term of a policy beyond its policy period or term; provided, however, that any policy with a policy period or term of less than *three (3)* [~~six (6)~~] months shall for the purpose of this section be considered as if written for a policy period or term of *three (3)* [~~six (6)~~] months. Provided, further, that any policy written for a term longer than one (1) year or any policy with no fixed expiration date, shall for the purpose of this section, be considered as if written for successive policy periods or terms of one (1) year, and such policy may be terminated at the expiration of any annual period upon giving *seventy-five (75)* [~~twenty (20)~~] days' notice of cancellation prior to such anniversary date, and such cancellation shall not be subject to any other provisions of this section; and

(d) "Nonpayment of premium" means failure of the named insured to discharge when due any of his obligations in connection with the payment of premiums on a policy, or any instalment of such premium, whether the premium is payable directly to the insurer or its agent or indirectly under any premium finance plan or extension of credit.

(2) (a) A notice of cancellation of a policy shall be effective only if it is based on one (1) or more of the following reasons:

1. Nonpayment of premium; or

2. The driver's license or motor vehicle registration of the named insured or of any other operator who either resides in the same household or customarily operates an automobile insured under the policy has been under suspension or revocation during the policy period or, if the policy is a renewal, during its policy period or the one hundred eighty (180) days immediately preceding its effective date;

(b) This subsection shall not apply to any policy or coverage which has been in effect less than sixty (60) days at the time notice of cancellation is mailed or delivered by the insurer unless it is a renewal policy;

(c) Modification of automobile physical damage coverage by the inclusion of a deductible not exceeding one hundred dollars ($100) shall not be deemed a cancellation of the coverage or of the policy; and

(d) This subsection shall not apply to nonrenewal.

(3) No notice of cancellation of a policy to which subsection (2) of this section applies shall be effective unless mailed or delivered by the insurer to the named insured at least twenty (20) days prior to the effective date of cancellation; provided, however, that where cancellation is for nonpayment of premium at least fourteen (14) days' notice of cancellation accompanied by the reason therefor shall be given. This subsection shall not apply to renewals.

(4) No insurer shall refuse to renew a policy of automobile insurance solely because of the age of the insured.

(5) No insurer shall fail to renew a policy unless it shall mail or deliver to the named insured, at the address shown in the policy, at least *seventy-five (75)* [~~twenty (20)~~] days' advance notice of its intention not to renew. [~~This subsection shall not apply:~~

~~(a) If the insurer has manifested its willingness to renew; no.~~

~~(b) In case of nonpayment of premium. Provided, that, notwithstanding the failure of an insurer to comply with this subsection, the policy shall terminate on the effective date of any other insurance policy with respect to any automobile designated in both policies.~~]

(6) Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of such renewal.

(7) If the insurer has manifested its willingness to renew by mailing or delivering of a renewal notice, bill, certificate, or policy to the first named insured at his last known address at least thirty (30) days before the end of the current policy period with the amount of the renewal premium charge and its due date clearly

set forth therein, then the policy shall expire and terminate without further notice to the insured on the due date unless the renewal premium is received by the insurer or its authorized agent on or before that date. When any policy terminates pursuant to this subsection because the renewal premium was not received on or before the due date, the insurer shall, within fifteen (15) days, deliver or mail to the first named insured at his last known address a notice that the policy was not renewed and the date on which the coverage under it ceased to exist.

(8) (a) Proof of mailing of renewal premium to the insurer or its agent, when authorized, on or before the due date, shall constitute a presumption of receipt pursuant to subsection (7) of this section.

(b)[~~(6)~~] Proof of mailing of notice of cancellation or of intention not to renew or of reasons for cancellation or nonrenewal to the named insured at the address shown in the policy, shall be sufficient proof of notice.

(9)[~~(7)~~] No insurer shall impose or request an additional premium higher than its standard premium for automobile insurance, cancel or refuse to issue a policy, or refuse to renew a policy solely because the insured or the applicant is handicapped or a physically disabled person, so long as the handicap or physical disability does not substantially impair the person's mechanically assisted driving ability.

(10)[~~(8)~~] When an automobile liability insurance policy is canceled other than for nonpayment of premium, or in the event of failure to renew a policy of automobile liability insurance to which subsection (5) of this section applies, the insurer shall notify the named insured of his possible eligibility for automobile liability insurance coverage through the Kentucky automobile assigned risk plan. Such notice shall accompany or be included in the notice of cancellation or the notice of intent not to renew. Such notice shall also inform the insured that he may, within four (4) days, request the commissioner in writing to determine whether there is sufficient reason to cancel or not to renew the policy. Within fourteen (14) days of receiving such a written request, the commissioner shall send his findings to the insurer and to the insured. When he sends his findings, the commissioner shall notify both parties of their right to request a hearing under KRS 304.2-310(2)(b).

(11)[~~(9)~~] The reason for nonrenewal or cancellation shall accompany or be included in the notice of nonrenewal or cancellation.

(12)[~~(10)~~] There shall be no liability on the part of and no cause of action of any nature shall arise against the commissioner or against any insurer, its authorized representative, its agents, its employes, or any firm, person or corporation furnishing to the insurer information as to reasons for cancellation or nonrenewal, for any statement made by any of them in any written notice of cancellation or nonrenewal, or in any other communication, oral or written specifying the reasons for cancellation or nonrenewal, or the providing of information pertaining thereto, or for statements made or evidence submitted at any hearings conducted in connection therewith.

Section 7. KRS 304.20-310 is amended to read as follows:

As used in KRS 304.20-320 to 304.20-350:

(1) "Renewal" or "to renew" means the issuance and delivery by an insurer at the end of a policy period or term of a policy superseding a policy previously issued and delivered by the same insurer, or the issuance and delivery of a certificate or notice extending the term of an existing policy beyond its policy period or term. For the purpose of KRS 304.20-320 to 304.20-350, any policy period or term of less than six (6) months shall be considered to be a policy period or term of six (6) months and any policy period or term of more than one (1) year or any policy with no fixed expiration date shall be considered a policy period or term of one (1) year;

(2) "Nonpayment of premium" means the failure of the named insured to discharge any obligation in connection with the payment of premiums on property or casualty insurance subject to KRS 304.20-320 to 304.20-350, whether such payments are directly payable to the insurer or its agent or indirectly payable under a premium finance plan or extension of credit. "Nonpayment of premium" shall include failure to pay dues or fees where payment of such dues or fees is a prerequisite to obtaining or continuing property or casualty insurance coverage;

(3) "Termination" means either a cancellation or nonrenewal of property or casualty insurance coverage in whole or in part. A cancellation occurs during the policy period or term as set forth in subsection (1)

of this section. A nonrenewal occurs at the end of the policy *period* [~~year~~] or term as set forth in subsection (1) of this section. For the purpose of KRS 304.20-320 to 304.20-350, the transfer of a policyholder between companies within the same insurance group shall be considered a termination, but requiring a reasonable deductible, reasonable changes in the amount of insurance, or reasonable reductions in policy limits or coverage shall not be considered a termination if such requirements are directly related to *an increased* [~~the~~] hazard involved and are made on the renewal date for the policy;

(4) "Declination" means either the refusal of an insurer to issue a property or casualty insurance policy upon receipt of a written non-binding application or written request for coverage from its agent or an applicant, or refusal of an agent to transmit to an insurer a written non-binding application or written request for coverage received from an applicant. For the purposes of KRS 304.20-320 to 304.20-350, the offering of insurance coverage with a company within an insurance group which is different from the company requested on the non-binding application or written request for coverage for the offering of insurance upon different terms than requested in the non-binding application or written request for coverage shall be considered to be a declination; and

(5) "Agent" includes, but is not limited to, surplus lines brokers.

Section 8. KRS 304.20-320 is amended to read as follows:

(1) Declinations. An applicant may request in writing an explanation of a declination. The insurer shall provide a prompt written response to such inquiries.

(2) Cancellations.

(a) A notice of cancellation of insurance subject to KRS 304.20-300 to 304.20-350 by an insurer shall be in writing, shall be delivered to the named insured or mailed to the named insured at the last known address of the named insured, shall state the effective date of the cancellation, and shall be accompanied by a written explanation of the specific reason or reasons for the cancellation; and

(b) The notice of cancellation referred to in paragraph (a) of this subsection shall be mailed or delivered by the insurer to the named insured at least fourteen (14) days prior to the effective date of the cancellation if the cancellation occurs within sixty (60) days of the date of issuance of the policy. Such notice of cancellation shall be mailed or delivered by the insurer to the named insured at least *seventy-five (75)* [~~thirty (30)~~] days prior to the effective date of the cancellation if the policy has been in effect more than sixty (60) days.

(3) Nonrenewals.

(a) No insurer shall refuse to renew a property or casualty insurance policy subject to KRS 304.20-300 to 304.20-350 unless at least *seventy-five (75)* [~~thirty (30)~~] days before the end of the policy period as described in KRS 304.20-310(1), the insurer shall mail or deliver to the named insured, at the last known address of the named insured, written notice of the insurer's intention not to renew the policy upon expiration of the current policy period *with*[~~. The insured may request in writing an explanation of the insurer's reason for a nonrenewal. Upon receipt of such request, the insurer shall provide~~] a written explanation of the specific reason or reasons for the nonrenewal;

(b) [~~No notice of intention not to renew shall be required where the named insured is given notice of the insurer's willingness to renew the policy by mailing or delivering of a renewal notice, bill, certificate, or policy; and~~

~~(c)~~] If notice is not provided pursuant to paragraphs (a) and (b) of this subsection, coverage shall be deemed to be renewed for the ensuing policy period upon payment of the appropriate premium under the same terms and conditions, and subject to the provisions of KRS 304.20-330, until the named insured has accepted replacement coverage with another insurer, or until the named insured has agreed to the nonrenewal;

(c) If the insurer has manifested its willingness to renew by mailing or delivering of a renewal notice, bill, certificate, or policy to the first named insured at his last known address at least thirty (30) days before the end of the current policy period with the amount of the renewal premium charge and its due date clearly set forth therein, then the policy shall expire and terminate without further notice to the insured on the due date unless the renewal premium is received by the insurer or its authorized agent on or before that date. When

any policy terminates pursuant to this subsection because the renewal premium was not received on or before the due date, the insurer shall, within fifteen (15) days, deliver or mail to the first named insured at his last known address a notice that the policy was not renewed and the date on which the coverage under it ceased to exist; and

(d) Proof of mailing of renewal premium to the insurer or its agent, when authorized, on or before the due date shall constitute a presumption of receipt pursuant to paragraph (c) of this subsection.

(4) No insurer shall increase the premium for a property or casualty insurance policy subject to KRS 304.20-300 to 304.20-350 more than twenty-five percent (25%) of the premium for the preceding policy term for like coverage and like risks unless at least *seventy-five (75)* [~~thirty (30)~~] days before the end of the policy period as described in KRS 304.20-310(1), the insurer shall mail or deliver to the named insured, at the last known address of the named insured, [~~notice of such premium increase or~~] a *notice* [~~bill~~] for the renewal premium *amount* and the insurer shall mail or deliver to its agent, if any, a duplicate notice of the premium *amount* [~~increase~~]. In order to comply with this requirement, the insurer may extend the period of coverage of the current policy at the expiring premium.

Section 9. KRS 304.13-051 is amended to read as follows:

(1) In a competitive market, every insurer shall file with the commissioner rates and supplementary information to be used in this state for commercial risks as designated by the commissioner and for all personal risks. Such rates and supplementary rate information shall be filed not later than fifteen (15) days after the date of first use of the rates, unless the commissioner finds after a hearing that an insurer's rates require closer supervision because of the insurer's financial condition. On such a finding, rates for both personal and commercial risks, supplementary rate information, and supporting information shall be filed with the commissioner at least thirty (30) days before the effective date of the rates. Such an order shall expire no later than one (1) year after it is issued.

(2) In a noncompetitive market, every insurer shall file with the commissioner all rates for that market, supplementary rate information, and supporting information at least thirty (30) days before the proposed effective date of the rates. On application of the filer, the commissioner may authorize an earlier effective date.

(3) Any rate filing in effect at the time the commissioner determines that competition does not exist pursuant to KRS 304.13-041 shall be deemed to be effective until disapproved pursuant to the procedures and rating standards of this chapter.

(4) Every insurer shall file with the commissioner all rating manuals and underwriting rules that it uses in this state not later than fifteen (15) days after they become effective. Such manuals, rules and guidelines must be adhered to until amended. The commissioner may exempt an insurer from filing supporting information if it files by reference, with or without deviation, to a filing which is in effect for another insurer or an advisory organization.

(5) (a) No insurer shall place into effect any rates, manuals, or underwriting rules which it proposes to use pursuant to subsection (1) or (4) of this section if such rates, manuals or underwriting rules will result in an increase or decrease of more than twenty-five percent (25%) from such insurer's then existing rates for any classification of risks in any of its rating territories within a twelve (12) month period of time.

(b) Any insurer which proposes to change its then existing rates, manuals or underwriting rules so as to effectively increase or decrease the rates of any classification of risks within any rating territory more than twenty-five percent (25%) within a twelve (12) month period shall file all such rates and supplemental rating information which shall not become effective until approved by the commissioner.

(6)[~~(5)~~] Rates and supplemental rating information for a residual market mechanism shall not become effective until approved by the commissioner.

(7)[~~(6)~~] The commissioner shall review filings made in accordance with subsections (2), *(5)(b)* and *(6)* [~~(5)~~] of this section as soon as reasonably possible after they have been made in order to determine whether they meet the applicable requirements of this chapter. Each filing shall be on file for a waiting period of thirty (30) days before it becomes effective, which period may be extended by the commission for an additional period not to exceed thirty (30) days if he gives written notice within such waiting period to the insurer

which made the filing that additional time is needed for consideration of the filing. The commissioner may, when he deems it to be in the public interest, hold a public hearing on any filing before said filing becomes effective to determine whether the filing meets the requirements of this subtitle. In the event that a hearing is held under the provisions of this subsection, the waiting periods specified in this subsection shall not begin to run until thirty (30) days after the close of such hearing. The burden of establishing that the filing under consideration meets the requirements of this subtitle is on the insurer which makes such filing. A filing shall be deemed to meet the requirements of this subtitle unless disapproved by the commissioner within the waiting period or any extension thereof.

SECTION 10. A NEW SECTION OF SUBTITLE 13 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(f) Any other information that the commissioner determines to be significant in allowing the department and the general assembly to monitor the casualty insurance industry and its workings with the civil justice system and to assure that casualty insurance is available, affordable, and providing adequate protection in Kentucky.

(3) The commissioner shall adopt, in accordance with the provision of KRS Chapter 13A, administrative regulations setting out the manner and form in which the information required by this section is to be reported.

(4) The commissioner shall compile the information reported pursuant to this section and shall prepare annually a written report on the composite information. The report shall be available to the public except that individual bodily injury claims information shall be kept confidential by the department. Copies of the report

shall be provided to the governor and the presiding officers of each house of the general assembly.

(2) Moneys in the fund shall include insurance premium surcharge proceeds as provided for in KRS 136.392.

(3) Moneys in the fund shall be used for the fire protection improvement program established in Section

SECTION 22. A NEW SECTION OF KRS CHAPTER 42 IS CREATED TO READ AS FOLLOWS:

(1) There is established within the department for local government a fire protection improvement program to consist of a system of grants to fire protection districts and local governments to improve fire protection and safety for the residents served thereby. Grants made under this program shall be for priority capital expenditures such as purchase of major items of equipment or construction of water lines. Such priority items shall be certified by the state fire marshal as contributing to the upgrading of the protection category pursuant to the fire suppression rating schedule.

(2) The department for local government shall receive grant applications on an annual basis and review them based on estimated costs, local contribution and other criteria specified in regulation promulgated as directed herein. The department shall forward all eligible applications to the state fire marshal for his review. The state fire marshal shall review applications using the protection category as the primary criterion for assigning priorities, starting with the highest (worst) ratings. The prioritized applications shall then be returned to the administrator of the fire protection improvement program in the office for local government for a final ranking which shall include additional points in the ranking formula for local contribution to said proposed capital project or purchase. The administrator shall then make awards beginning with the first priority funded in full then proceeding on down the priority scale, as available monies allow. The administrator of the fund shall approve and award all project applications based on available monies in the fund. Disbursement of funds to the beneficiary agency shall follow a schedule of payments based on such rules and regulations promulgated by the department for local government. Rankings shall be made on an annual basis without alteration of previous awards. Applications received previously but which have not received awards shall be updated, as needed, by the applicant in each year's ranking process.

(3) Grants made under this program may be used as the local share to secure federal funds as long as program expenditures are in the priority area. Interest earned on funds received by fire protection districts or local units of government shall be used by the receiving entity in the priority expenditure categories prescribed by the state department for local government.

(4) The department for local government shall be responsible for the promulgation of rules and regulations necessary to implement the grants program authorized by this section with assistance from the justice cabinet, revenue cabinet and public protection and regulation cabinet, as necessary. The department for local government shall receive reasonable administrative costs from the program's monies.

(5) Any assistance granted under the fire protection improvement program shall be preceded by an agreement that an independent annual audit shall be conducted and that the audit report will include a certification that said funds were expended for the purpose intended. A copy of the audit and certification of compliance shall be forwarded to the department for local government within eighteen (18) months after the end of the fiscal year.

(6) The commissioner of the department for local government may make direct grants in aid of money out of the fund to any beneficiary agency for the construction or acquisition of any approved capital project. When a direct grant in aid has been made to a beneficiary agency, all contracts awarded for the purchase of materials, supplies, equipment or services, except professional and technical services, required for the construction or acquisition of the project shall be awarded to the lowest and best bidder in the discretion of the beneficiary agency after public advertisement as required by KRS Chapter 424 or other applicable law. All contracts awarded under this section for the construction, reconstruction or renovation of a building or other improvement to real estate shall be deemed contracts for public works within the meaning of KRS 341.317 and KRS Chapter 376 and other applicable statutes. All beneficiary agencies receiving a direct grant in aid under this subsection shall keep and maintain complete and accurate records of accounts of all expenditures of the grant monies which shall be subject to audit by the Commonwealth for a period of five (5) years after completion of the capital project. Beneficiary agencies shall complete approved capital projects within a reasonable period of time as determined by the department for local government. Upon completion of capital projects, beneficiary agencies shall submit project completion reports to the department for local government as prescribed by the department for local government and containing such documents and information as may be necessary to determine compliance with other applicable statutes and administrative regulations. Beneficiary agencies shall be liable to repay to the fund any granted funds for failure to submit full project completion reports within a reasonable period of time or for expenditure of granted funds in violation of statutes and regulations. No additional funds shall be approved until compliance, except at the discretion of the commissioner of the department. Any grant moneys not required after all of the costs of the capital project have been paid by the beneficiary agency shall be promptly returned to the Commonwealth for reallocation for expenditure for other capital projects

to which such funds had been originally allocated.

(7) No capital project shall be constructed under this Act except upon land to which:

(a) The Commonwealth, a political subdivision of the Commonwealth or the beneficiary agency of the capital project has a good and marketable title, free of encumbrances; or

(b) The beneficiary agency of the project;

has the right to the uninterrupted use, occupancy and possession for a period longer than the estimated useful life of the capital project; provided nothing herein shall prohibit the construction or renovation of public buildings on land with an existing encumbrance to secure payment of funds obtained for the acquisition or improvement of said land. Each beneficiary agency shall execute and deliver to the Commonwealth its written assurances, which shall be binding on such agencies' successors and assigns, guaranteeing that during its estimated useful life, the capital project or equipment purchase shall be operated and maintained for public purposes and pledging that no mortgage or other encumbrances shall be placed against any capital project wholly or equipment purchase financed out of the fund for the breach of which assurances the Commonwealth shall have right of entry to the capital project and the beneficiary agency, or its successors and assigns, shall forthwith convey the title to the capital project or equipment purchase to the Commonwealth. Similar assurances shall be executed and delivered to the Commonwealth by the beneficiary agencies of capital project or equipment purchases financed in part out of the fund and in part from other sources, except that when such additional funding is derived from the issuance and sale of revenue bonds or under other statutorily authorized financing methods, to secure the repayment of which funds a statutory mortgage lien is granted in favor of any person or group of persons, the capital project or equipment purchase may be encumbered to the extent authorized or required by the law under which such financing method was undertaken. The written assurances provided by beneficiary agencies under this section shall be lodged for recording and recorded in the office of the county clerk of the county in which the proposed project shall be located.

A person shall not be indemnified or reimbursed in relation to any matter in such action, suit or proceeding as to which he or she shall finally be adjudged to be or have been guilty of breach of a duty as a director, officer, employe or agent of the society nor in relation to any matter in such action, suit or proceeding, or threat thereof, which has been made the subject of a compromise settlement, unless in either case the person acted in good faith for a purpose the person reasonably believed to be in, or not opposed to, the best interests of the society and, in a criminal action or proceeding, in addition, had no reasonable cause to believe that his or her conduct was unlawful. The determination whether the conduct of the person met the standard required in order to justify indemnification and reimbursement in relation to any matter described in the preceding sentence may only be made by the supreme governing body or board of directors by a majority vote of a quorum consisting of persons who were not parties to the action, suit or proceeding or by a court of competent jurisdiction. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of no contest, as to the person shall not create a conclusive presumption that the person did not meet the standard of conduct required in order to justify indemnification and reimbursement. The foregoing right of indemnification and reimbursement shall not be exclusive of other rights to which the person may be entitled as a matter of law and shall inure to the benefit of his or her heirs, executors and administrators.

(3) A society may purchase and maintain insurance on behalf of any person who is or was a director, officer, employe or agent of the society, or who is or was serving at the request of the society as a director, officer, employe or agent of any other firm, corporation, or organization against any liability asserted against the person and incurred by him or her in any such capacity or arising out of his or her status as such, whether or not the society would have the power to indemnify the person against such liability under this section.

(c) The names and residences of the incorporators and the names, residences and official titles of all the officers, trustees, directors, or other persons who are to have and exercise the general control of the management of the affairs and funds of the society for the first year or until the ensuing election at which all such officers shall be elected by the supreme governing body, which election shall be held not later than one (1) year from the date of issuance of the permanent certificate of authority.

The bond with sureties approved by the commissioner shall be in an amount, not less than three hundred thousand dollars ($300,000) nor more than one million five hundred thousand dollars ($1,500,000), as required by the commissioner. All documents filed shall be in the English language. (3) No preliminary certificate of authority granted under the provisions of this section shall be valid after one (1) year from its date or after such further period, not exceeding one (1) year, as may be authorized by the commissioner upon cause shown, unless the five hundred (500) applicants hereinafter required have been secured and the organization has been completed as herein provided. The articles of incorporation and all other proceedings thereunder shall become null and void in one (1) year from the date of the preliminary certificate of authority, or at the expiration of the extended period, unless the society shall have completed its organization and received a certificate of authority to do business.

(d) It shall have been shown to the commissioner, by sworn statement of the treasurer, or corresponding officer of the society, that at least five hundred (500) applicants have each paid in cash at least lone (1) regular monthly premium, which premiums in the aggregate shall amount to at least one hundred fifty thousand dollars ($150,000). The advance premiums shall be held in trust during the period of organization; and if the society has not qualified for a certificate of authority within one (1) year, the premiums shall be returned to the applicants.

(5) The commissioner may make examination and require further information as he deems advisable. Upon presentation of satisfactory evidence that the society has complied with all the provisions of law, the commissioner shall issue to the society a certificate of authority to that effect and that the society is authorized to transact business pursuant to the provisions of KRS Chapter 304. The certificate of authority shall be prima facie evidence of the existence of the society at the date of the certificate. The commissioner shall cause a record of the certificate of authority to be made. A certified copy of the record may be given in evidence with like effect as the original certificate of authority.

Unless the commissioner shall disapprove any amendment within sixty (60) days after the filing, the amendment shall be considered approved. The approval or disapproval of the commissioner shall be in writing and mailed to the secretary or corresponding officer of the society at its principal office. The cabinet shall notify the *obligor* [~~parent~~] of the decision of whether the withholding is to occur, the date on which it will begin, and shall furnish the *obligor* [~~parent~~] with the information contained in any order served on the employer with respect to the withholding.
